In the matter of the petition of L. Diller to have the court establish rates of ferriage at the ferry from foot of 7th street in Oregon City, it was decided by the court to establish said ferry rates.

REBECCA.—The officers of Rebecca Lodge, No. 2, I. O. O. F., were installed last Tuesday evening. The installation ceremonies were public, and conducted by Grand Master Apperson. A large number of the brothers and sisters were present and many friends not members of the Order were present. Everything passed pleasantly. Among those present we noticed brothers Wetsell and Foster, and their better halves, of Portland.

After the ceremony of installation the Daughters surprised the W. G. M. by presenting him with a beautiful Masonic Key Stone, suitably inscribed, as a token of their grateful remembrances of the interest he has ever manifested in the welfare and success of Rebekah Lodge No. 2. The presentation speech was made by Mrs. Capt. Jerome in a very feeling and able manner. The W. G. M. in accepting it, responded in his usual happy way.

Retiring N. G. Fellows was then made the recipient of a gold locket, by Mrs. Pope in a beautiful impromptu speech, which so overcame Mr. Fellows that after rising to his feet to respond he said: "On any other subject he could make them a speech, but on this occasion he thanked them sincerely."

Not to be too partial to the brethren, retiring P. G., M. S. Chapman was then presented by P. N. G. Fellows, on behalf of the members, with a very neat gold gavel, on which, beside a suitable inscription complimentary to the fair recipient, was engraved the Lord's Prayer. Mrs. Chapman having expressed her thanks for the unexpected present, the exercises of the evening were resumed by the reading of a beautiful original essay on the subject of Odd Fellowship, by Mrs. Eunice Athey, which was listened to with much interest and received great applause.

THE PLANS OF WOOLEN MILLS.—We find the following plans and specifications of the new factory soon to be built at this place, in Tuesday's *Bulletin*: "We were shown the plans and drawings of the new Woolen Mills to be immediately built by the Company at Oregon City, in place of those whose destruction by fire it became our unpleasant duty to chronicle nearly two months ago. As they will appear when rebuilt in their extended and increased proportions, we almost believe the citizens of that city, as well as our own, will look upon their former destruction as a blessing instead of a disaster. They will be 190 feet long by 55 feet 6 inches in dimensions, and be increased one story in height. The walls will rest on solid foundations, those of the first story being 20 inch the second 16, and the third 12. The first and second stories are supported by two rows of of wooden columns, 8 feet apart, running through the building, those on the first floor being square and on the second one turned, while the upper floor will be supported by a strong truss roof, by iron rods extending from the rafters to the girders. The building will contain 78 windows 60 by 48 inches, while a tower 13 by 17, finished with a French roof, will extend from the centre, seventy-four and a half feet from the ground with a winding stair case. The basement story will be 13 feet high, the first story 13 feet, the second 13 feet, and the third nine feet ten inches. The plans are being made by E. M. Burton, architect, and the company are awaiting their completion which will be before many days, when proposals will be invited, and the contract let to the lowest bidder."

LONE PINE LODGE.—We find the following correspondence in the *Oregonian* of the 16th inst., in relation to Lone Pine Lodge, in this county: "In company with a zealous brother of the Ancient Order of Free Masons, I visited Lone Pine Lodge No. 53, on Saturday the 11th inst., at which time the named officers were installed for the current Masonic year: J. E. Forbes, W. M.; J. H. McCubbins, S. W.; A. L. Parguenon, J. W.; Z. C. Norton, Treasurer; J. A. Burnett, Secretary; B. C. Lewis, S. D.; J. N. Sharock, J. D.; Jos. Young, T. An excellent set of officers.

We feel amply rewarded for visiting the brothers of this lodge. They, one and all, are entitled to great praise and consideration for their zeal and energy in building up a lodge thus located in the country. One brother was present who had to ride twenty five miles to be present at the meeting of his lodge, when it is stated that this brother is now over fifty years old, will not our younger brethren appreciate and honor an order that can thus claim as its votaries the aged and good men of our land and country?

We desire to acknowledge our appreciation of the kind manner in which we were received and treated by our brothers and we return especial thanks to our well known and kind brother Capt. Z. C. Norton and his amiable lady, for the hospitality they extended to us. We hall every remember Lone Pine No. 53, and the kind brethren there.

LAND OFFICE BUSINESS.—We are indebted to Mr. Warren, receiver, for the following summary of the business of the Oregon City Land Office during the year 1872; 253 homestead entries, 26,054.32 acres; 102 homesteads proved up, 14,434.33 acres; 135 cash entries, 13,676.10 acres; 7 warrant entries, 1,100.14 acres; 100 pre emptions filed, 12,287.13 acres; 112 donation certificates, 38,572.80 acres; The Dalles Military Road, 68,487.09 acres; the W. V. & C. M. Military Road, 61,127.83 acres.

SICK.—Mr. A. Noltner was taken sick last Saturday in Portland and returned home Sunday morning; since which time he has been confined to his room. He is convalescing slowly, and will doubtless be able to be at his post ere another week rolls round, meantime we hope our readers will not grumble at the non appearance of the usual amount of interesting reading matter. It may be fun to run a paper without an editor, but we don't see it.

The services at the Baptist Church have been continued from last week, and will be protracted till Sunday evening. The ministers in attendance from abroad last week were: Revs. Dr. R. C. Hill, of Albany, J. A. Hausaker, of Jefferson, G. C. Chandler of Forest Grove, A. R. Medberry, of Portland, and were assisted Rev. J. A. Wirth of this place.

ON A DRUNK.—Indian Jim, noted for disturbing the quiet of our little village, has been on a drunk for the last few days. If this practice of giving liquor to Indians was not so near the office of the U. S. District Judge, so that the U. S. Marshal would make a fat thing on mileage fees, it would doubtless be stopped.

RELIGIOUS NOTICE.—The Rev. C. R. Bonnell of St. David's Church, East Portland, will preach in this city on Sunday next, both morning and evening. At the evening service he will preach a sermon especially addressed to young men. Subject: Ingratitude, drawn from the history of the life of Absalom.

BOLD ROBBERY.—One day last week some one entered the store of Mr. John Myers while the clerks were either waiting on customers or had their backs to the safe, and relieved it of about $150 or $200.

BILL OF SALE.—Maj. Bruce of Corvallis was in town last Wednesday for the purpose of giving a bill of sale on the double steamer Calliope. It is as long as the moral law, the bill of sale we mean so says an eye witness.

FISHING.—Last Sunday we noticed several persons engaged in fishing with dip nets, as the salmon were endeavoring to get over the falls, and from the quantity they caught we should judge that it was a good day for fishing.

BLASTING.—A gang of men are now engaged in blasting out rocks at the foot of the bluff and transporting them on the cars to the Harrisburg bridge, which we understand has been in danger of being carried away by the high water.

FOR INSPECTION.—The steamer Calliope, when the stage of water will admit of her passage through the locks, will go to Portland to have her boiler and hull inspected by the proper officials.

GAVE WAY.—On Friday last the flume of the O. W. W. Mfg Co. gave way owing to the great pressure of water, causing a suspension of business for a few days.

RUNNING.—The boats on the upper Willamette are again running; the high water having subsided sufficiently to allow them to come into the basin.

We see that our city attorney is advertised to practice Law at The Dalles. He is too well-known to need any "recommendation" at our hands.

Judge Strong and Hon. J. D. Fay, attorneys from Portland, were in the city last Friday looking after the interests of their clients.

Rev. Dr. Atkinson, of Portland, officiated at the Congregational Church in this city last Sunday, both morning and evening.

A large audience was in attendance upon Mr. Leland's lecture last Friday evening and were highly entertained.

DANCE.—A social dance will be given at Myer's Hall this evening. The dancing public are cordially invited to attend.

The Shoo Fly is now plying between Harrisburg and Corvallis, making an occasional trip to this city.

STOPPED.—Owing to the high water of the last week or two, the saw mill in the basin has been stopped.

Mr. L. Leland of this county has been lecturing in Portland during the present week on temperance.

Another jewelry shop has been opened two doors above the Lincoln bakery.

DAMAGED.—The high water has considerably damaged the basin.

SELLING OUT.—Mrs. H. Kelly offers her entire stock of goods for sale at cost, for the purpose of closing out business. This is a good chance to get bargains. Give her a call. First door north of Mr. Highfield's jewelry store.

FOR SALE.—We have an account against Dr. A. D. Ellis of Portland as follows; Balance on advertising contracted for the National Life Insurance Company, $49; to subscription from August 1, 1869 to date, $10; total $59. This account can be had cheap. We never intended to advertise this account for sale, until the fellow had the check to refuse to take papers out of the post office. This notice is put in until account is settled.

In its half century of usefulness, WISTAR'S BALSAM OF WILD CHERRY has saved thousands from destruction. A half-hour's exposure, a few moments of draft will often create a cold which will lead to an incurable consumption. Use the Balsam in time; you will not regret.

In his book on Chronic Diseases, Dr. Pierce says of his Golden Medical Discovery: "God, I believe, has instilled into the roots and plants from which this wonderful medicine is extracted, the healing properties, by the use of which Consumption the scourge of the human family, may in its early stages be promptly arrested and permanently cured. I do not wish to delude, flatter, and then disappoint the afflicted by asserting that this can be accomplished when the lungs are half consumed, as many do who, being devoid of all conscience, aim to humbug the afflicted that they may sell their often worse and worthless compounds.

"But if my *Golden Medical Discovery* is employed in the first or early stages of the disease, I know from ample observation and actual test in hundreds of cases, that it will positively arrest the disease and restore health and strength."

MARRIED.

On the 25th of December in Clackamas county, Oregon, at the residence of the bride's father, by Rev. E. G. Noyer, Mr. Isaac P. Wyant, of Multnomah county, to Miss Nancy E. Noyer, of Clackamas county.

Our Bodily Infirmities.

Physical infirmities are the lot of all. Millions are always sick. No man, woman or child is uniformly in perfect health. Much, however, of the sickness and suffering which render life a burden to so many of our fellow beings is due to carelessness and neglect. A mighty antidote to the leading causes of disease has been provided. It is as harmless as it is efficient. No poisonous drugs enters its composition. It is an undefiled stimulant, tonic and aperient, of which every ingredient is vegetable. This unexceptionable preventive and restorative medicine is not "a new thing under the sun." Hostetter's Stomach Bitters will soon have been before the world a quarter of a century; and it is not too much to aver that thousands, aye, tens of thousands, are now using it who would have been in their graves years ago had they not been strengthened and sustained by this wholesome stimulant. The rapidity with which minor ailments often become, when neglected, obstinate diseases, is well known. This tonic is famous for the immediate check which it gives to these breeders of deadly disorders. The sensation of languor, the sick headache, the nervousness, the indisposition to exertion, the nausea, the confusion of the brain, the physical debility, which are intended to premonish us of the approach of serious danger, are invariably removed by a few doses of the Bitters. The fame of the preparation as a genuine specific for dyspepsia, bilious complaints, malarious fevers, rheumatism and chronic debility, is as wide as the world, and in these days of charlatanism, when fierce cathartics, that rob the invalid of the last remnants of his strength, are advertised as invigorants(!), it is indeed a blessing to mankind that Hostetter's Stomach Bitters are every where procurable, and everywhere popular.
