The horses in the United States are valued at six hundred and sixty millions of dollars.

Three-fourths of the writing paper made in this country comes from Holyoke, Massachusetts.

The Illinois Penitentlary is now making several thousand dollars per month for the State clear of all expenses. The proposed transfer of troops from your products than you can possibly re- the Southern States to Utah is causing a

deal of comment in that Territory. Fifteen bundred and thirty-one buildings have been erected during the past year at St. Louis, at the cost of \$5.684. 000. Of these buildings only eighty-six

The annual review of the river commerce of New York shows that a little over one third of the entire steam tonnage

western rivers. K. H. Keeney, who was to be hanged at Visali, March 7th, for the murder of Fletcher, has had his sentence commuted to imprisonment for life by Governor

Cleveland has fourteen rolling mills in operation against eight in 1870. In 1871 rolled and hammered iron-one-tenth of the whole amount raised in the United

It is now almost certain that George ed to Delegate Clagget of Montana

Add the number of wrinkles to nine, and you will always obtain his exact age.

In the contested election case of Bowen against DeLarge, in Congress, Othe Committee developed so much trand and rascality that it recommended the passage of a resolution declaring neither of the parties entitled to the seat. The resolution passed and the seat is now vacant. De-Large, the setting member, is a negro and Bowen is the same tellow who was expelled for selling cadetships-a noble
