The rates of toll or ferrage for such ferry, shall be fixed by the board of county commissioners of Clackamas county, as in other cases of ferries; *Provided*, that whenever a school district shall be organized in Linn City, and a proportionable amount of taxation made and paid in for the support of the school or schools, the children of said district shall enjoy all the benefits and privileges of said school, and shall be allowed to cross and re-cross said ferry free of charge, for the purpose of attending said school, the same as though they belonged to the same district.

SEC. 5. The City Recorder shall furnish the county superintendent, at least twenty days before the first Friday in November of each year, a report containing the number of scholars within the city corporation, over four and under twenty-one years of age, how long a school has been kept in said city the past year, what proportion of the scholars in the corporation have attended school, and the amount of money paid to teachers.

SEC. 10. The Superintendent shall examine all teachers asking employment in said city schools, upon all branches that he may deem proper; and no person shall be employed as teacher in said schools, until such person shall have procured a certificate of qualification from the Superintendent, and the said Superintendent may, at any time, annul such certificate.

SEC. 11. The Superintendent of the city schools shall keep an accurate account of all moneys paid into the city treasury, belonging to the common schools; and no money belonging to said schools shall be paid out by the Treasurer, except upon an order from the Superintendent of the city schools.
