The Weekly Enterprise.

FRIDAY. : : FEBRUARY 21, 1873. TOWN AND COUNTY.

THE WOOLEN FACTORY .- The Oregonian of vesterday has the following item in re-

gard to this factory: "The rebuilding of | titled to draw school money. this institutiou-so important to the man ufactoring interests of the State, and to the prosperity of Oregon City, has at length commenced. Mr. Caldwell, who has cotracted with Messrs. Thirkelsen and Texas. Oderkirk to perform the stone masonry work chas commenced excavating for the foundation of the extra stone wall necessary to be erected in accordance with abe plans for the new building and has also men at work quarrying out the slone to he used. In consequence of the non de-livery of lumber, which was expected to arrive from Portland last week, T. and O., the contractors, have not been able to set the carpenters at work this wak as they intended. Mr. Broughton, of the Oregan City Saw Mill, has contracted to supply all the lumber for the flooring which is 000. thoroughly seasoned before laving down. by having it properly stacked in a suitahie building to be heated by steam pipes. it being essentially necessary for the by C. Benson at Logan City Friday evenproper working of machinery used in the ling without provocation. factory that the floor should be periectly

lovel and not liable to warp. The Meests. Jacobs are almost constantly on the works. taking great interest in everything conneuted therewith, unxious, no doubt, that their prediction that the mill will turn out July shall be literally fulfilled.

Conngerion. -- In our last issue we stated that most of the lumber to be used in month.

rebuilding the factory was to come from The steamer Japan, which arrived late-Portland. This we learn is an error. The ly in San Francisco, had the small pox contragtor for a portion of the work ges among her passengers. Another blessing his humber in Par land, bet Mr. Brough- of Chinese immigration.

ton has a contract for furnishing over two thirds of the lumber to be used. The reason the gontractor gets his at Portland, asked to pay \$1,000,000 towards the cost so we are informed, a firm in that city hod | of the Centenulal Commission in 1876, and to take a lot of lumber on a bad dent, Philadelphia another \$503,000. and to get rid of it, they sold it at reduced price. Mr. Broughton tells us that he is ready to enter in a fair commetition with any place and is satisfied that he can furnish humber as chenp as can be had in the State. If you need anything in that line, give him a call and he will convince passed an orthone : making an approyou of the fac'. Ili- lolvertisemen apnears in another communand we are sat-I fied that hie can do all he says.
