The party of the Democratic minority of the California Legislature, which is now in the majority, are threatening to take control of the administration, and there can be no question but that they will make an attempt to do so. The railroad and other agencies which operated in the earlier years of the state are in the hands of the party, and it is a matter of course that they will take the lead in any endeavor to control the administration.

The most important item in the legislature's report is the statement that the railroad and other agencies will not be allowed to change their form. The last report of the legislature shows that the railroad and other agencies operate in a manner that is not in accordance with the will of the people. It is a matter of course that they will continue to operate in the same manner, and they will not allow the railroad and other agencies to change their form.
