"The fate of a young man bis the title of a new novel. We know it already. It is to wait on some young lady he thinks the acme of perfecjealousy, incompatibility of temper, | painful dream, she saw the pale man | tion, to spend all his spare cashor too much loquacity on the part of at the organ, and heard the melody sometimes more than he can spareon her, attend her to balls, theatres, uosed, dull-eyed, thick set man of its own-peculiarly its own-which reform." These are his words. his wife until she leaves him and be-full well she knew who he was, and parties, and church, and then find out, when he asks the question to which an answer in the affirmative less of ordinary decency of man- -a work which is very near neighbor and fairness, he beholds the Pres- to divorce his wife if she displeases When the service was over and the will make him entirely happy, or royal party had left the cathedral he depress him to the lowest depths of stole away as mysteriously as he had espair and deranged necktie, that she is already engaged to be married to the bald-headed wretch that wears the Legislature at his pleasure. The seem to be. To realize this import- ment under the government. Mr. the other provisional. Where the then he appeared in the organ loft eye-glasses, and talks science. It with Grant when they move contrary must give it thought, time and at- alacrity to be thus placed in a false diately marry again; where the secbe more, we can at least be friends for life." If the youth isn't a fool he bears his fate with fortitude, and soon returns to his three square "Madam, everybody has gone out | meals a day. If he is a fool he takes Grecians. - A settlement was usual- but you and me, and I wish to close to telling all his friends about his unhappy condition, gets drunk, her support, in case of a divorce. "I am not ready to go yet," was wares bad clothes, and-greatest folly of all-goes off and marries another woman who has played some other young man the same trick that was played on himself. If this isn't "the fate of a young man," then

we've never been juvenile.

Women and Dress .- Do women ever talk about anything but dress? Sometimes we doubt it. As you pass a pair of them in the street, Quick as thought the organist you catch such bits of conversation as these: - "Hers had fringe." "They "Black silk is so genteel." "I know it came from Paris, but I know betreaches you. You go to a wedding, and is the brides dress that is discussed; and absolutely we have heard ladies who had just shed tears over the solemn burial-service of a friend allude to the width of a hem on a crape vail, or the cost of the stuff in a mourning dress. Dress, dress, dress! How we look not what

SCHOOL STATISTICS OF CALIFORNIA. The report of the State Superintendgives the total number of children, stand at yonder alter and take upon | 324. The total number of those who me the vows which will doom me to attend public school is 92,794; number at private schools, 13,787. Num-"Think of me," rejoined the or- ber of schools in the State, 1,612. ganist. "Your royal father has Number of teachers, 2,301. Of these, requested me to play at your wed- 881 are men, and 1,420 women.
