A. NOLTNER,
Chairman Dem. Co. Committee.

HORSE THIEF.—A gentleman just from Clackamas county, near Molalla, says the Oregonian, informs us that about three weeks ago a young man named Jones, who has been working for some months in that vicinity, borrowed a horse from one of his neighbors to ride to Albany, intending to return in a few days. Since that time not one word has been heard from the man. Several days ago the person from whom the horse had been borrowed wrote a letter to Albany, making inquiries of a friend concerning Jones—if he had arrived there, etc. To his surprise he received a response which stated that Jones was not in Albany; that he had not arrived there to the knowledge of the writer. This caused the lender to open his eyes, and from all he can learn the supposition is not improbable that the animal has been stolen. Jones has probably left the country, and forgot to return the borrowed cuitan.

OMITTED.—We have heretofore omitted to notice the receipt of the catalogue of the Bishop Scott Grammar School, of Portland for the year 1872-73. The catalogue shows that 92 scholars were in attendance during the past year, and that the institution is in a most prosperous condition. The accommodations of the school were increased during the year to keep up with the patronage. The school is under the immediate charge of Rt. Rev. Bishop Morris, with Prof. Laing as Head Master. The catalogue was printed by Messrs Himes & Co., and is a fine piece of work and a credit to the establishment.

BAPTIST CHURCH.—Mr. W. C. Johnson of this city has placed on our table the proceedings of the twenty-fifth anniversary of the Willamette Baptist Association, held at Salem on the 18th 19th and 20th of June. From it we learn that the Church numbers 465 members; 43 were received during the year by baptism; 40 by letter; 10 by relation and 2 restored. It shows a healthy state of the Church. Seven were added to the Church in this city.

TIME OF COURT.—Many persons are laboring under the impression that the regular term of the Circuit Court for this county is held in October. This is an error. The last Legislature changed the time for court from the fourth Monday in October to the fourth Monday in September. The next regular term, therefore, will be held on the fourth Monday of next month. Litigants will take due notice of this.

PARISIAN CIRCUS.—This Mammoth Circus, Museum and Balloon Show, will exhibit at this place next Wednesday, 27th inst. It is claimed to have more horses, men, and other attractions than any circus which has ever traveled through the State. In the afternoon a mamoth balloon will be sent up, with a man performing on the trapeze attached to it. This part of the exhibition of course will be free to all.

We call attention of our readers to the new advertisement of Mr. Geo. A. Pease, of the Pacific Boot and Shoe Store. The Protzman Bros. are conducting the business at this place for Mr. Pease, and those in want of anything in the boot and shoe line can rely on getting goods at low rates. Give him a call.

RETURNED.—Mr. J. R. Ralston for many years a merchant of this city, but late of Lebanon, has returned to this county with his family and proposes in the future to make it his home. We are pleased to have Joe again among us and hope he may soon find something which will prove remunerative to him.

ALLIANCE MEETING.—To-night is the regular meetng of the Anti-Chinese Alliance. C. E. Warren Esq., is expected to address the meeting, and the well known reputation of Mr. Warren as a speaker will be sufficient to draw a full house. Let the Court room be filled to its utmost capacity.

HOSIERY.—We learn that Mr. Culver, formerly connected with the Jefferson Hosiery establishment, has removed to this city and propose to engage in the hosiery business here. We welcome him to our city, and hope his business may prove lucrative.

DELEGATES.—At a meeting of the Vestry of St. Paul's (Episcopal) Church the following gentlemen were elected delegates to the Annual Convocation to be held at Portland next Thursday: Hon. John Myers, Capt. F. H. West, and A. Noltner.

COMMENCES.—Prof. N. W. Randall's school at Canemah, commences next Monday. Mr. Randall has been engaged for the present school year, and the people of Canemah are determined to have a good school.

GONE TO ASTORIA.—Dr. J. Welch, one of the best dentists in the State, of this city, has gone on a business trip to Astoria. People in want of his services should give him a call.

AT TACOMA.—We learn that our townsmen I. N. Bradish and John Athey are both at work at Tacoma, carpentering, where they find ready employment.

IN TOWN.—Hon. A. E. Wait, of Portland, and Dolph Hannah Esq., of Tacoma, were in town last Tuesday. They both look in a healthy state of preservation.

COMING.—We notice that Hon. Benj. Stark, ex-Senator from this State arrived at Portland last Wednesday. His many friends will be pleased to meet him.

SOLD.—The tract of land adjoining the Hensly & Holmes saw mill, was sold at auction last Tuesday for $500. Mr. Dolph Hannah was the purchaser.

TAKE NOTICE.—The City Tax Collector gives notice that all taxes must be paid on or before the 1st of September, or there will be costs added.

School commences at the Oregon City Seminary next Nonday.

THE PANORAMA.—Reed's Panoroma of Oregon scenery was exhibited in this city last Wednesday evening, to the largest audience we have ever seen congregated in our place. The work is certainly a true representation of the various scenes. Some of the pictures are truly magnificent, while they all are correct. The work is a credit to the artist. We cannot see where we could improve upon any portion of it. It opens with a most magnificent allegorical painting, "Westward the Star of Empire." Then the audinece is taken from Astoria up the Columbia river, giving sixteen views of the most magnificent scenery on that river with a correctness so precise that any person familar with it can readily recognize the various points. The pictures were all so faultless that we cannot find it in our critic disposition to find fault with any or to speak in higher praise of one than of the other. They are all perfect. In the second division, you start from Portland and go on up the valley, giving views of Oregon City, the Falls, Salem, and a bird's eye view of our most beautiful valley. Oregon City is perfect in all its points. We would suggest, however, that the cupola and roof of the old factory building be taken off of the present magnificent structure, and the new one placed upon it. The falls are most perfect. Salem is a fine picture of the place, and shows the public buildings to great advantage. The other scenes are all equally good. We hope our people everywhere will not fail to witness this truly meritorious work of art, and correct representation of scenery which cannot be surpassed in any part of the world. Space will not allow us to give in detail all the views.

BALLOU'S MAGAZINE FOR SEPTEMBER.—This Magazine, a universal favorite with all classes of society, rich and poor, is issued for September, and a rare number it is, brim full of genuine matter such as interests all readers. It has a whaleman's story, telling of adventures in the arctic regions (which was crowded out of the August number,) and a well written sketch about newspaper reporters, contributed by one of that useful profession, the celebrated M. Quad of the Detroit Free Press, a most promising young writer, who served through the war as a soldier, has passed many months in the Indian country as a trapper and hunter, and now acts as editor. All the back numbers from January supplied by the publishers, Thomes & Talbot, 36 Broomfield Street, Boston, and for sale at all periodical stores in the country.

DISAPPERED.—An old man named John W. Jackson residing in the eastern part of this county, disappeared, so we are informed, rather mysteriously about two weeks ago. He left his home and was going to the woods to gather honey. On the following day his horse returned home, the bucket fastened on the saddle without any honey, but nothing had, up to last Monday, been heard of Jackson. His disappearance cannot be accounted for, but he may turn up all right yet.

SERENADE.—We return our thanks to the Oregon City Brass Band for the honor of a serenade last Wednesday evening. This band is becoming most proficient under its able and accomplished leader, Mr. Chas. Bray, and will compare favorable with the best in our State. It is a credit to our town.

RETURNED.—Jas. Milne, who went to Astoria last week for recreation returned home last Tuesday. He expresses himself as highly delighted with his trip, speaks in the most flattering terms of Astoria, and says that is a good place to go to for fun.

Geo. Washington Weidler, Esq., and a number of others, from Portland were in town last Saturday. They made it lively while they were here. We learn that Mr. Weidler has bought the Shoo-Fly and proposes to take her down to Portland to be used as a tow boat at his lumber mill.

LARGE FORCE.—We learn that the Oregon Iron Company, at Oswego, have a large number of hands at work getting out ore and cutting wood. The place presents quite a business appearance.

WHEAT.—Wheat is selling in Oregon City at 90@95 cents per bushel. This is an increase of ten cents and indicates as though our farmers are not only having a large harvest but that good prices are going to rule the market.

TAX-PAYERS.—The Board of Equlization for Clackamas county meets at the Court House next week. Persons interrested will take notice and be on hand.

SOLD.—The Oregon Herald establishment was sold by the assignee last Wednesday for the sum of $1,170. H. L. Pittock being the purchaser.

WHEAT CROP.—From every part of our county we learn that the wheat and oat crops are better this year than they have ever been known before.

INCREASED.—Our readers will notice that our paper is being set in smaller type than heretofore, thereby increasing the amount of reading matter.

PASSED THROUGH.—Wm. Daly, an old typo, accompanied by his daughter passed through our town last Monday for the Soda Springs, where he expects to remain for about a month.

MONUMENT FUND.—Since our last, we have received from Messrs Hull & Nickell, of the Jacksonville *Times*, $2 50 in currency for this fund.

Miss Sarah Athey and Miss Katie Hunsaker have been elected as the female teachers for the Seminary.

Preaching in the M. E. Church of this place Sabbath (24th inst.) morning and evening by Rev. M. Judy.

COME BACK.—Mrs. Dement with her family returned from a protracted stay at Victoria yesterday.

Prof. Nicholson returned last Friday from his visit to Victoria, looking better for the trip.

PROGRESSING.—Work on the Clackamas bridge is progressing very rapidly.

SCARCE.—We learn that carpenters are rather scarce in this vicinity at present.

Col. H. C. Paige, General Agent for Wells, Fargo & Co., was in town last Friday.

BE GENTLE.—The gentle editress of the New Northwest calls us a polecat. That is rather carcastic, but then, dear sister, we shall endeavor not to defile the head of an unsuspecting ferryman as he passes under our chamber window and thereby be made to "show up." You understand?

A GOOD PLATFORM.—The Albany Democrat hoists the following as its platform for the ensuing election, and adds, "with this we ought to win and can win. Without it, we will be busted —as usual." The platform is: "A Straight Democratic Candidate—Free Trade and Farmers' Rights."

REBUKED.—Some papers and persons in Portland have been attempting to cast odium on the Anti-Chinese Alliance in that city, connecting it with the recent fire and also with the threatening letters being circulated. The Society recently held a meeting, at which it was resolved.

"Now, therefore, we, the members of said People's Protective Alliance, denounce with indignation any effort to bring odium on this our organization through such unjust and wrongful attempts, and declare such accusations to be utterly without foundation and unworthy the belief of right-minded people."

REWARD.—The San Francisco Examiner offers a reward for the "discovery of the one-eyed, pig-headed, sick-brained, addle-pated, spinal weakened Democrat who is ninny enough to suppose that by placing the name of one Radical, or any number of that kidney, upon a Regular Democratic ticket it will secure a Radical vote for any other than the Radical nominees thereon." We will also offer a reward to any similar Democrat that supposes that any man now claims to be a Democrat, but has in the past acted with the Radicals, can get any Radical votes by virtue of his former associations.

BAKER COUNTY DEMOCRACY.—The following resolution was adopted by the Democracy of Baker county in convention, on the 6th inst. Hon. A. H. Brown was chairman of the convention:

RESOLVED, That this Convention endorse the course of Hon. Jas. H. Slater in the 42nd Congress and recommend him to the Democratic State Convention as being the first choice of the Democracy of Baker county as a candidate for Congress, to be voted for at the special election to be held on the 13th day of October, 1873.

Gov. Woods, late of Oregon but now of Utah Territory, arrived here on Sunday night's stage. He met his family here, they having come from Oregon to meet him.

We take the above from the Yreka Union of last Saturday, and as we have not noticed any account of our George's arrival in our State, we presume he has turned back, and the dear people will be deprived of seeing his handsome form again—we mean whiskers. We are truly sad.

The editor of the Albany Democrat says:

"For seven long years have we shoved the quill for the Democrat, and yet the world is still wicked and people still persist in taking back pay. In this melancholly view of the situation it is barely possible that we will be pardoned for expressing a willingness to take back pay also—from those owing us on subscription."

There are upwards of sixty Radicals wrominently mentioned for candidates to be slaughtered next October, among them our towns man, Hon. D. P. Thompson.

THE CHIEF RESPONSIBILITY.—General Garfield, says the Syracuse *Courier*, does well in driving the chief responsibility for the salary-grab law right home where it belongs., viz., at the White House.

There was a Warm Springs Indian in Pendleton last week buying horses. He had the ornaments once worn by the notorious Captain Jack in his ears. Mr. Switzler purchased them of the Indian, and intends to keep them as relics of the late Modoc War.

The Sisters' new Academy building, at Salem, came near burning on last Tuesday night. The fire started by the cook hanging up her apron, on which a spark of fire had caught, in a closet filled with clothing. The entire contents of the closet were burned.

On Thursday, a Mr. Blakely of Brownsville, was brought to Albany and placed upon trial before His Honor Judge Tandy, charged with assault upon Mr. G. W. Howell, also of Brownsville, with a dangerous weapon—revolver. Blakely was bound over in the sum of $1,000 to answer at the next term of the Linn county Circuit Court.

The Independent tells a long story about a young man from Polk county who fell in love with a Forest Grove damsel. She jilted him. He wrote to her mother demanding an explanation, her father got jealous and left her mother, whereupon the mother has become insane. All because the young man would persist in having an "explanation"

We are authorized to state that on Friday, September 19th, there will be a meeting in Albany of the Granges of Polk, Marion, Benton, Lane and Linn counties, for the purpose of organizing a Central Grange association. Judge Garretson, of Iowa, will be present and will superintend the organization. It is also in contemplation to effect an organization of a State Grange about the same time.

The Capitol Commissioners at Salem are employing a large number of hands on the various parts of the State House and are rapidly pushing forward this edifice. The foundations are completed and the cut stone for the outer walls is being laid, except at the place where it is proposed to put down the principal corner stone, the ceremonies connected with which will take place, as we learn on the second day of the State Fair.

MANUAL OF AMERICAE IDEAS.—We have received a neat book with the above title from Messrs. A. L. Bancroft and Company, San Francisco, by Mr. Casper T. Hopkins. It is truly a most valuable acquisition to the literature of the present age, and should be introduced in our schools. It gives the reader the elementary principles which lie at the foundation of our Government. It is concisely written and conveys more information in regard to our Republican system than we have ever seen in the same space. It is intended for the use of schools and for the instruction of foreigners seeking naturalization, but it can be profitably used by the old as well as the young, and no American family should be without it.

The *Bulletin* has actually ascertained that there are about ten cases of small pox in Portland. Last week it was only six or eight.

The Wear and Tear of Life.

The cares, anxieties and misfortunes of life have as much to do with shortening it as disease. They are in fact the source of many ailments and physical disabilities. Nervous weakness, dyspepsia, affections of the liver, disturbances of the bowels, headache, hypochondria and monomania are among these distressing truits. It is, therefore, of great importance that persons whose minds are oppressed with heavy business responsibilities, or harassed by family troubles, or excited by speculation, or perplexed by a multiplicity of enterprises, or in any way overtaxed or overworked, should keep up their stamina by the daily use of a wholesome tonic. Thousands of persons thus circumstanced are enabled to bear up against the difficulties in which they are involved, and to retain their strength, health and mental clearness, by the regular use of Hostetter's Stomach Bitters. Diseases which are prone to attact the body when debilitated and broken down by over-much brain work or exhausting physical labor, are kept at bay by the resistant power with which this incomparable tonic endows the nervous system and the vital organs. At this season, when the heat is evaporating the elements of strength from every pore and invigorant is absolutely essential to the safety and comfort of the public, and is required even by the more robust if they desire to keep their athletic capabilities in status quo. Hence a course of Hostetter's Bitters is particularly useful at this period of the year as a defenee against the invisible disease afloat in a sultry atmosphere. It is the most potent of all preventive medicines, and for all complaints which affect the stomach, the liver and the bowels, and interfere with the perfect digestion and assimilation of food, it is the standard remedy

COLEMAN'S EUCALYPTUS
Dr. J. S. Coleman's Compound Extract of eucalyptus is a preparation combining all the valuable medical qualities of the Eucalyptus, which is cultivated in nearly every California garden for its medical utility, having become the household remedy for all diseases of the *KIDNEYS, BLADDER* and *URINARY CANAL,* and *SEMINAL WEAKNESS.* It seems to have a direct affinity for the GENITO-ORGANS and their surroundings, and cures them by its alterative, healing and balsamic properties more effectually than any other known remedy.
It is an invaluable remedy for all diseases of the mucous and serous membranes, such as *BROCHITIS, HACHING COUGH, NAUSEA DURING PREGNANCY, DYSPEPSIA, LEUCORRHŒA,* etc.
This preparation is the result of Dr. Coleman's experiments with the medicinal properties of the tree in the U. S. Msrine Hospital in San Francisco, in 1871 and 1872, where he had unusual facilities for testing the various methods of preparing the remedy, and its uses. It can be relied upon as certain to give the promised results, and hundreds of testimonials of its efficacy can be seen at his office, 405 Kearney steet, San Francisco.
COLEAMN'S DOUBLE EXTRACT OF EUCALYPTUS is a powerful, yet harmless, febrifuge, and is a special preparation for the treatment of the malarious fevers of our interior valleys, and is warranted to cure any case of FEVER AND AGUE treated with it according to directions, while the baneful results of the usual Quinine and arsenical remedie for those diseases are entirely avoided.
FOR PHYSICIANS, Coleman's Fluid Extract of Eucalyptus in 1-lb bottles. Beware of imitations, and take none but Coleman's. For sale everywhere, and by Hodge, Calef & Co., Wholesale Druggists, Portland, Sole Agents for Oregon.
