It seems to have a direct affinity for the ART CAS AR, and SEATAAR, WRAR (1988). It seems to have a direct annuly for the GENTIO-ORGANS and their surroundings, and cures them by its alterative, healing and balsamic properties more effectually than any other known remedy. It is an invaluable remedy for all diseases of the mucous and serous membranes, such as *BROCHITIS*, *HACHING COUGH*, *NAUSEA DURING PREGNANCY*, *DYSPEP*.
