Heretofore, until appreciate these favors .- W. W. the past three or four weeks, the freight tariff on wheat shipped from this city to Portland was \$35 per ton. Then the rates were increased to \$43 per ton. Now it is stated that on the 15th of the present month there will still be a further increase of 32 per ton, and from that time on the people of this county will pay \$45 per ton an all grains shipped to Portland. It would seem that the managers of the Oregon and California railroad are d term ned that our farmers shall make only so much money, and in proportion to the increase in the market price of wheat they propose to elevate the tariff on transportation. This is the case in this instance, at least. And while we are willing to accord to the railroad all the benefit that has resulted from it to our people, we are free to confess that we entertain no admiration for the shortsightedness of its managers, who show by their actions that their judgement is so poor it would lead them to kill the hen that
