Eastern Oregon.

[From the Bed Rock Democrat.] What is known as Eastern Oregon is that portion of the State lying East of the Cascade range of mountains, embracing Wasco, Umatilla, Grant, Union and Baker counties. It is bounded on the north by the Columbia river and Washington Territory, on the east by Snake river and by the visitor as if ready to snap off Idaho Territory, on the south by California and Utah, and embraces limb at the first deviation from the considerably more than half of the straight path between, and the secarea of the State. The country is ond ready to snap off a finger or well watered by the Columbia and grind up an arm if either were care-Snake rivers and their tribataries. The valleys along the various streams which flow through the whole ex-
