These Bitters do not only disinguish themselves by their flavor and aromatic odor above all others generally used, but are at the same time an excellent tonic and an efficacious stimulant to excite the appetite. They are prepared from the most choice and wholesome herbs and roots, ¶ and have given universal satisfaction wherever tried. Thousands of dyspeptics have found relief through their use, and physicians recommend them for the Gure of all diseases of the Blood and Liver, and irregularities of the digestive

organs. Headache, Biliousness, and Constipa-tion, General Debility and loss of appetite, are all caused by the derangement of the Stomach, Liver and other functionaries of the system. The IXL Bitters have been successfully used and are warranted to alleviate the sufferer in all the above cases. The IXL Bitters are sold only in glass; to sell other than the genuine article out of our bottles is felony, and we will when detected, prosecute such parties to the full extent of the law. Read Physician's Certificate on

each Bottle. Every family should have them in the house. Sold everywhere. H. EPSTEIN & CO.,
