rewarded is its patron, I care not how humble and unpretending the gazette which he takes. It is next to impossible to fill a sheet with printed matter without putting into it something that is worth the subwill practice in all the Courts of the son is away from home at school, State. Special attention given to eases in the U. S. Land Office at Oregon City.

Should supply him with a newspaper.

I well remember what a marked difference there was between those of my schoolmates who had, and those who had not, access to newspapers. Other things being equal, the first were always decidedly superior to general intelligence. - Daniel Webster.

BRIGHT LITTLE GIRL.—A real inciness. A gentleman went to her seat and asked her "if she wouldn't like to go home with him," adding that he had a nice little boy that she could play with. The little girl's eyes danced and her cherry hips rounded up when she said: "I'm going to have a little brother of my own, the business men of the country were over dishonesty, of law over lawlessfirst of November." The old man not willing to accept that decision, wilted, the mother blushed, and the and thank God it had arrived. Yet passengers giggled.

They tell a queer story about the doctors of a certain town, who were from both Houses of Congress, and all away last summer to attend a the President of the United States, INCLARY PUBLIC.
