The Old Man Wouldn't Allow Them to be Turned Out-and He Didn't.

Washington Capital. General Spinner, friend of women and aged watch-dog of the Treasury during the late raid on the Departments by an economical Congress. stood firm, and came off victorious. When the committee sent for him, and very impertinently inquired how many clerks he could spare from his bureau, he responded:

"None, sir; I have not one supernumerary. Indeed, I have workfeminine work-gentleman, for more.' When informed that it was necessary to cut down his force the old gentleman waxed wroth.

"By-, gentlemen," he cried, " take that to be a vote of censure. I know my business, by --- . I have no drones in my hive: therefore, if more "I cannot afford to marry. you resolve to cut down my force in-Go and find the true woman. And clude me, for the President shall have my resignation.

This bureau, however, did come under the restrictions, and four females received legal notice that their services were no longer required by the Department. When this fact reached the ears of Old Spin, he called his clerks, male and female, before him, and said:

"Fellows, an attempt by this d-d beggarly mean Congress is being made to turn some of you out. Now, when they turn any one of you fellows out, by-, they turn me out. But I won't go. No, dammisoul if I go a step, nor shall you. The four notified to quit will continue their work. I take the responsibility and I'll pay 'em out of the concience fund. me. It couldn't be put to a better use. Now, fellows, damyersouls, go to work.

The men broke out into loud cheers. and the women burst into tears. Then a chernby little miss of about sixty while, and said, "I pass." Second threw her arms hysterically around him and kissed him. In their treatment, a purgative, exerting a powerful influence upon these various organs, is essential. There is no cathartic for the purpose equal to Dr. J. WALKER'S VINEGAR EFFTERS, as they will speedily remove the dark-

colored viscid matter with which the bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring the healthy functions of the digestive organs.

Fortify the body against disease by purifying all its fluids with the Brirens. No epidemic can take hold of a system thus fore-armed. Dyspepsia or Indigestion, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Diz-ziness, Sour Eruciations of the Sto-

Swelled Neck, Goitre, Scrofulous Inflammations, Mercurial affections, Old Sores, Eruptions of the Skin, Sore Eyes, etc. In these, as in all other constitutional Diseases, Dr. WALKER'S VINEGAR BITTLES have shown their great curative powers in the most obstinate and intractable cases.

For Inflammatory or Chronic Rheumatism, Gout, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys and Bladder, these Bitters have no equal. Such Diseases are caused by Vitiated Blood.

Mechanical Diseases.-Persous engaged in Paints and Minerals, such as Plumbers, Type-setters, Goldbeaters, and Miners, as they advance in life, are subject to paralysis of the Bowels. To guard against this, take DR. WALKER'S VINEGAR BITTERS.

Pin, Tape, and other Worms, lurking in the system of so many thou-

For Female Complaints, in young or old, married or single, at the dawn of womanhood, or the turn of life, these Tonic Bitters display so decided an influence that improvement is soon perceptible.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions, or Sores; cleanse it when you find it obstructed and sluggish in the veins ; cleanse it when it is foul ; your feelings will tell you when. Keep the Butter, Eggs,
