OREGON CITY, OREGON, OCT. 9, 1874.

IS IT WORTH WHILE?

JOAQUIN MILLER.

It is worth while to josile a brother
Bearing his load on the rough road of life?
Is it worth while that we jeer at each other
In blackness of heart—that we war to the knife?
God pity us all in our pitiful strife!

God pity us all as we jostle each other;
God pardon us all as for the triumph we feel
When a fellow goes down 'neath his load on the heather,
Pierced to the heart; words are keener than steel,
And mightier far for woe or weal.

Were it not well, in this brief little journey
On over the isthmus, down into the tide,
We give him a fish, instead of a serpent,
Ere folding of the hands to be and abide,
Forever and aye in dust at his side!

Look at the roses saluting each other;
Look at the herds all in peace on the plain,
Man, and man only, makes war on his brother,
And laughs in his heart at his peril and pain;
Shamed by the beasts that go down on the plain.

Is it worth while that we battle to humble
Some poor fellow soldier down into the dust?
God pity us all! Time oft-soon will tumble
All of us together, like leaves in a gust,
Humbled indeed down into the dust.

Sensible Remarks.

The Dalles *Itemizer* speaks as follows in regard to the Judges' salary. Its remarks are true and we trust that our Legislature will let that part of the retrenchment business alone. The salaries of the Judges are low enough at present, and if we desire good and competent men on the bench we ought to be willing to pay them a decent salary. The *Itemizer* says:

While we are in favor of retrenchment in every branch of the government and advocate a reduction of the salaries of the State officials; yet our legislators will bear in mind that there is such a thing as overdoing the matter. We are led to this remark from hearing that a weak effort will be made to reduce the salaries of our Supreme Judges by the next Legislature. It is concluded in every civilized community that the only safeguard of the people is found in a pure and competent judiciary, and in order to have such officers we must pay a sufficient salary to support them respectably. As it at present stands there is no State in the Union that pays its judiciary as meagre a salary as Oregon, and an effort to reduce it would simply end in forcing from the bench any lawyer of talent. In any of our respectable sized cities the book-keeper in an ordinary store who has risen step by step to his position, receives a greater remuneration for his services than do Oregon's Supreme Judges; who after a great expenditure of money and years of patient toil, have succeeded in qualifying themselves for the positions they now so worthily fill, and to reduce their salaries below what they are at present would be a manifest injustice. By all means let us have reform. Be just and equitable, yet not oppressive.

Honorably Exculpated.—A letter from B. F. Dowell to the *Sentinel*, written at Washington, Sept. 12th. says:

H. G. Struve, Secretary of Washington Territory, is still here. The *Bulletin* of the 31st ult. states a rumor that he has been pardoned by the President. This is untrue. A pardon is always predicated upon guilt. In this case the circumstances of his enlistment and service in the army were such as to induce the President to make an order cancelling the enlistment and ordering the discharge of Mr. Struve, as of the date of his leaving the service on the 18th of May, 1854. The records in the War Department have been so amended that they show he should have been honorably discharged on the 18th of May, 1854. The record of the report of the desertion is thus effectually obliterated. This was done on a full investigation of all the facts by the Secretary of War, and Mr. Struve now holds an honorable discharge bearing the signature of that officer.

Rather Extravagant.—Until the Legislature of 1872, the various Committees were not allowed a clerk, with, perhaps the Judiciary Committee. The last Legislature, however, paid for clerks to all the committees, and we believe the present Legislature is following in its steps. One or two committees need clerks, but we see no reason why one of the various committees cannot act as clerk and thus save a useless expense to the State. While retrenchment seems to be the order of the day, would it not be well for the Legislature to chop off these sinecures on our State Treasury?

Not a Safe Adviser.—Senator Patterson, of South Carolina, raises his voice in favor of bayonets at the polls and a third term for President Grant. He draws a woful picture of the situation in his State under the rule of his own party, and thinks the remedy will be found in a judicious distribution of troops. President Grant has doubtless learned by this time, remarks the New York *Tribune*' that whatever may be his views as to the third term question, Senator Patterson is not a safe adviser in affairs of State.

Don't Believe It.—Some spooney says woman is an angel, but we don't believe an angel would sit at a second-story window and yell "Look out, old stovepipe!" before slinging peach stones at the silk hat of a passer-by.

A Nimble Six Pence is Better than a Slow Shilling.

I have just returned from San Francisco, where I purchased one of the

LARGEST AND BEST SELECTED

Lowest Market Rates.

No use for the ladies, or any one else, to think of going to Portland to buy goods for I am *Determined to Sell Cheap* and not to allow myself to be

UNDERSOLD IN THE STATE OF OREGON.

All I ask is a fair chance and quick payments, believing as I do that

Twenty Years Experience

in Oregon City enables me to know the requirements of the trade. Come one and all and see for yourselves that the old stand of

THOMAS CHARMAN

cannot be beaten in quality or price. It would be useless for me to tell you all the advantages I can offer you in the sale of goods, as every store that advertises does that, and probably you have been disappointed. All I wish to say is

Come, and See, and Examine for Yourselves

for I do no wish to make any mistakes. My object is to tell all my old friends now that I am still alive, and desirous to sell goods cheap, for cash, or upon such terms as agreed upon. Thanking all for the liberal patronage heretofore bestowed.

Scrofula, Syphills, Consumption, Glandular disease, Ulcers in the Throat, Mouth, Tumors, Nodes in the Glands and other parts of the system, Sore Eyes, Strumous Discharges from the Ears, and the worst forms of Skin diseases, Eruptions, Fever Sores, Scald Head, Ring Worm, Salt Rheum, Erysipelas, Acne, Black Spots, Worms in the Flesh, Tumors, cancers in the Womb, and all weakening and painful discharges, Night Sweats, Loss of Sperm, and all wastes of the life principle, are within the curative range of this wonder of Modern Chemistry, and a few days' use will prove to any person using it for either of these forms of disease its potent power to cure them.

If the patient, daily becomes reduced by the wastes and decomposition that is continually progressing, succeeds in arresting these wastes, and repairs the same with new material made from healthy blood—and this the Sarsparillian will and does secure. Not only does the Sarsparillian Resolvent excel all known remedial agents in the cure of Chronic, Scrofulous, Constitutional, and Skin diseases; but it is the only positive cure for

Kidney and Bladder Complaints,

Urinary and Womb diseases, Gravel, Diabetes, Dropsy, Stoppage of Water, Incontinence of Urine, Bright's Disease, Albuminuria, and in all cases where there are brick-dust deposits, or the water is thick, cloudy, mixed with substances like the white of an egg, or threads like white silk, or there is a morbid, dark, billious appearance, and white bone-dust deposits, and when there is a pricking, burning sensation when passing water, and pain in the small of the back and along the loins. Price, $1 00.

WORMS.—The only known and sure Remedy for *Worms—Pin, Tape, etc.*

Tumors of 12 Years' Growth Cured by Radway's Resolvent.

Beverly, Mass., July 18, 18[illegible].

Dr. Radway:—I have had Ovarian Tumor in the ovaries and bowels. All the Doctors said "there was no help for it." I tried everything that was recommended but nothing helped me. I saw your Resolvent, and thought I would try it; but had no faith in it, because I had suffered for twelve years. I took six bottles of the Resolvent, and one box of Radway's Pills and two bottles of your Ready Relief; and there is not a sign of tumor to be seen or felt, and I feel better, smarter, and happier than I have for twelve years. The worst tumor was in the left side of the bowels, over the groin. I write this to you for the benefit of others. You can publish it if you choose. HANNAH P. KNAPP.
