LECTURE.-Last Monday evening Rev. Thos. B. Van. Horn, of Vancouver, delivered the first lecture of the course for the benefit of the Library. The audience was not as large as we had hoped it would be, which probably was owing to the very bad weather, yet we think that our citizens should turn out better for such an object. The lecture was very interesting, and while it differs materially from present writ-ten history of the battles of Missionary Ridge and Lookout Mountain, it corresponds very favorably with the re-We regard the lecture as a and future history will give them as presented by the lecturer. J. M. FRAZER,

Ayer's Sarsaparilla

as one of the most effectual remedies ever discovered for cleansing the system and purifying the blood. It has stood the test of years, with a constantly growing rep-

utation, based on its intrinsic virtues, and sustained by its remarkable cures. So mild as to be safe and beneficial to children, and yet so searching as to effectually purge out the great cor-ruptions of the blood, such as the scrofulous and syphilitic contamination. Impurities, or diseases that have lurked in the system for years, soon yield to this powerful antidote, and disappear. Hence its wonderful cures, many of which are publicly known, of Scrofula, and all scrofulous diseases, Ulcers, Eruptions, and eruptive disorders of the skin, Tumors, Blotches, Boils, Pimples, Pustules, Sores, St. Anthony's Fire, Rose or Erysipe-las, Tetter, Salt Rheum, Scald Head, Ringworm, and internal Ul-cerations of the Uterus, Stomach, and Liver. It also cures other complaints, to which it would not seem especially adapted, such as Dropsy, Dyspepsia, Fits, Neuralgia, Heart Disease, Female Weakness, Debility, and

Leucorrhœa, when they are manifesta-tions of the scrofulous poisons It is an excellent restorer of health and strength in the Spring. By renewing the appetite and vigor of the digestive organs, it dissipates the depression and listless languor of the season. Even where no disorder appears, people feel better, and live longer, for cleansing the blood. The system moves on with renewed vigor and a new lease of

WEGETABLE SICILATION OF THE SI Every year informer the popularity of this estable that Prefacations which is due to merit alone. We can assure our old pa(rous that it is kept fully up to its high standard; and it is the only reliable and reflected preparation for restoring GEAY OR FADED HAIR to its youthful color, making it soft, lustroms, and silken. The sculp, by its use, becomes white and clean. It removes all emptions and dandruff, and, by its tonic properties, prevents the hair from falling out, as it stimulates and nourishes the hair-glands. By its use the hair grows thicker and stronger. In baldness, it restores the capillary glands to their normal vigor, and will create a new growth, except in extreme old age. It is the most economical Hark Diressing ever used, as it requires fewer applications, and gives the hair a splendid, glossy appearance. A. A. Hates, M.D., State Assayer of Massachusetts, says, "The constituents are pure, and carefully selected for excellent quality; and I consider it the Best Preparation for its intended purposes," Sold by all Druggists, and Dealers in Medicines.

Price One Dollar. Buckingham's Dye

As our Renewer in many cases requires too long a time, and too much care, to restore gray or faded Whiskers, we have prepared this dye, in one preparation; which will quickly and effectually accomplish this result. It is easily applied, and produces a color which will neither rub nor wash off. Sold by all Druggists. Price Fifty
