OREGON CITY, OREGON, FEB. 13, 1878.

**THE "BIVOUAC OF THE DEAD."**

BY THEODORE O'HARA.

The muffled drum's sad roll has beat  
The soldier's last march to the front  
No more on life's parade shall meet  
That brave and gallant host  
On fane's eternal camping ground,  
Their silent tents are spread,  
And glory guards, with solemn guard,  
The bivouac of the dead.

No rumor of the foe's advance  
Now swells upon the ear  
No troubled thought of midnight haunts  
Of loved ones left behind  
No vision of the morrow's strife  
The warrior's dream alarms,  
No braying horn nor screaming file  
At dawn shall call to arms.

Their shivered swords are red with rust  
Their plumed helmets are bowed  
Their banners trail in dust,  
Is now their martial shout—  
And pensive funeral tears have  
And washed  
The red stains from each brow,  
And the proud forms, or lattle gashed,  
Are free from anguish now.

The neighing troop, the flashing blade,  
The bugle's stirring blast,  
The charge, the dreadful cannonade,  
The din and shout are past  
No war's wild note, nor glory's peal,  
Shall thrill with hero-deeds  
Those breasts that once were so  
The rapture of the fight.

Like the fierce Northern hurricane  
That sweeps his great plain,  
Flashed with the triumph yet to gain  
Came down the terrible foe  
Who heard the thunder of the fray  
Break on the field of death  
Know well the warriors of that day  
Was victory or death.

Full many a mother's breast has wept  
O'er Augustus's slain,  
And long the pining eye has wept  
Above its martyr's grave  
The raven's scream, or eagle's flight,  
Or shepherd's plaintive cry  
Above now wakened soldier's night  
That crowned o'er that dead day  
Sons of the dark and bloody ground!

Where stranger steps and tongues re-  
ound  
Along the heedless air  
You can't pry from the sod soil  
Shall be your fitter grave  
She can't from her war's richest spoil  
The ashes of her brave.

There, north their parent turf they rest,  
Far from the Spartan hero's breast  
On manly a bloody shield  
The sentinel of death  
Stands sadly on them here,  
And kindred eyes and hearts watch by  
The kindred soldier's grave.

Rest on, embalm'd and scented dead!  
Dear as the patriot's life shall be  
No nation's footsteps here shall tread  
The heritage of your grave  
Nor shall your glory be forgot  
While Fame has record kept  
Or Honor points the hallowed spot  
Where valor proudly sleeps.

You marble minstrel's voiceless stone,  
In deathless song, sing forth  
When many a valiant warrior's path  
The story how he fell  
Nor woe, nor change, nor winter's  
blight,  
Can dim one ray of holy truth  
That glows your glorious tomb.

**The Black Belt.**

From the Cincinnati Commercial.  
Vicksburg is the center of the  
Africa of America. The city is the  
largest in the State, and the county  
seat of Warren county. At the  
white population in city and  
county in 1870 was only 7,907, or  
a number that would not be considered  
excessive in an ordinary Ohio  
township. The black population was  
18,862, which has been largely  
increased by the colored flow of  
country negroes from the great interior  
to Vicksburg.

The next county above here is  
Lesquima. The reader will hardly  
believe me when I state that the population  
as returned in the census four  
years ago. It is white 741, black  
6,146! What do you think of a large  
county which contains but seven  
hundred and forty-one white men,  
women and children? In Adams  
white whites own nearly if not quite  
two-thirds of the county, and  
pay nineteen-twentieths of all the  
taxes. Owing to the soil, they actually  
have no voice whatever in the  
affairs of Government. In Adams  
white vote, but what do you  
think of white votes amounting to  
one hundred and thirty votes?  
The negroes fill all the offices with  
negroes, and pile on the taxes with  
out remorse. Col. Adams  
tells me that in one of those  
negro counties they have actually  
got the taxes up to eleven and a half  
percent. What agricultural county  
in the State can stand one-half such  
taxes, or one-fourth? In Adams  
county, just back of Warren, the taxes  
have been gradually increased from  
\$3.50 on the \$1,000 of valuation in  
1868 to \$24 this year. And almost  
in exact proportion as they go up the  
price of property goes down. The assess-  
ments are kept up nicely. Adams tells  
me he has a fee of \$2,500 against a  
plantation worth \$100,000 in gold  
before the war, and he can't enforce  
the collection without running the  
parties interested. Rural property  
is not half, and in many instances,  
not one-fourth as valuable as in the  
year after the war. The man who  
understands these things, and then  
complains that the whites are not as  
bold as doves, forgets that they are  
human.

But to return to population. The  
county just above this, as I have  
shown, has a negro population of  
two to one. The next county above  
that, Washington, has a white population  
of 2,104, and a black population  
of 12,405. This is the "black  
belt," indeed. Yazoo county, back  
of Issaquima, has a white population  
of 4,884, and a black population of  
12,095. Hinds is white, 9,826, and  
black, 29,639. Claiborne, just south  
of Warren, has white, 9,380, and  
black, 9,995. The next county, Jefferson,  
has white, 3,215, and black,  
10,636.

These counties lie immediately  
around Vicksburg, and you can readily  
understand that the negroes  
could do, or attempt to do, if they  
were blood-mind. But they are  
not. Whatever may be their faults,  
they are docile, and in that sense  
offensive. During the fight, here it  
was telegraphed over the United  
States that the negroes were burning  
gins and barns in retaliation.  
They did no such thing. I cannot  
learn that the negroes destroyed a  
dollar worth of property. If they  
wanted to, they could take revenge

**VINEGAR BITTERS**

ALL THOSE WHO PROCLAIM  
VINEGAR BITTERS the most wonderful  
Laxative that ever sustained the sink-  
ing system.

No person can take these  
Bitters according to directions, and  
remain long unwell, provided their  
bones are not destroyed by mineral  
poison or other means, and vital or-  
gans wasted beyond repair.

**Bilious, Remittent, and In-  
termittent Fevers,** which are so  
prevalent in the valleys of our great  
rivers throughout the United States,  
especially those of the Mississippi,  
Ohio, Missouri, Illinois, Tennessee,  
Cumberland, Arkansas, Red, Colorado,  
Crazo, Rio Grande, Pearl, Alabama,  
Mobile, Savannah, Roanoke, James,  
and other rivers, with their vast tribu-  
taries, throughout our entire country  
during the Summer and Autumn, and  
remarkably so during seasons of un-  
usual heat and dryness, are invariably  
accompanied by extensive damag-  
ments of the stomach and liver, and  
other abdominal viscera. In their  
treatment a purgative, exerting a  
powerful influence upon these various  
organs, is essential. There is no  
cathartic for the purpose equal to  
Dr. J. WALKER'S VINEGAR BITTERS, as  
they will speedily remove the dark-  
colored viscid matter with which the  
bowels are loaded, at the same time  
stimulating the secretions of the liver,  
and generally restoring the healthy  
functions of the digestive organs.

**Fortify the body against  
disease** by purifying all its fluids  
with the BITTERS. No epidemic can  
take hold of a system thus reformed.

**Dyspepsia or Indigestion,**  
Headache, Pain in the Shoulders,  
Coughs, Tightness of the Chest, Diz-  
ziness, Sour Eructations of the Stomach,  
Bad Taste in the Mouth, Bilious  
Attacks, Palpitation of the Heart,  
Inflammation of the Lungs, Pain in the  
region of the Kidneys, and a hundred  
other painful symptoms, are the off-  
spring of Dyspepsia. One bottle will  
prove a better guarantee of its merits  
than a lengthy advertisement.

**Serofula, or King's Evil,**  
White Swellings, Ulcers, Erysipelas,  
Swelled Neck, Gout, Scrofulous In-  
flammations, Hereditary Affections, Old  
Sores, Eruptions of the Skin, Scro-  
fulous Eruptions, etc. In these, as in all  
other constitutional Diseases, Dr. WALKER'S  
VINEGAR BITTERS have shown their  
great curative powers in the most  
obstinate and intractable cases.

**Inflammatory or Chron-  
ic Rheumatism, Gout, Bilious,  
Remittent and Intermittent Fevers,**  
Diseases of the Blood, Liver, Kidneys  
and Bladder, these Bitters have no  
equal. Such Diseases are caused by  
Vitiated Blood.

**Mechanical Diseases,**—Per-  
sons engaged in Plumb and Mineral,  
such as Plumbers, Type-setters, Gold-  
smiths, and Miners, as they advance  
in life, are subject to paralysis of the  
Bowels. To guard against this, take  
Dr. WALKER'S VINEGAR BITTERS.

**For Skin Diseases,** Eruptions,  
Tetter, Salt-Rheum, Blisters, Spots,  
Pimples, Pustules, Boils, Carbuncles,  
Ringworms, Scall-head, Scrofulous  
Eruptions, Itch, Scours, Discolorations  
of the Skin, Humors and Diseases of  
the Skin of whatever name or nature,  
are literally dug up and carried out of  
the system in a short time by the use  
of these Bitters.

**Pin, Tape, and other Worms,**  
lurking in the system of so many thou-  
sands, are effectually destroyed and re-  
moved. No system of medicine, no ver-  
mifuges, no anthelmintics will free the  
system from worms like these Bitters.

**For Female Complaints,** in  
young or old, married or single, at the  
dawn of womanhood, or the turn of  
life, these Tonic Bitters display so de-  
cided an influence that improvement is  
soon perceptible.

**Keep the Vitiated Blood**  
whenever you find its impurities burst-  
ing through the skin in Pimples, Erup-  
tions, or Sores; cleanse it when you  
find it obstructed and sluggish in the  
veins; cleanse it when it is feverish; your  
feelings will tell you when. Keep the  
blood pure, and the health of the sys-  
tem will follow.
