REGON CITY, OREGON, MAY 7, 1875.

CITY ELECTION .- The city election last Monday was the most quiet and orderly which we have ever seen. There was no enthusiasm manifested by either side, and the vote was very small. The Radical ticket was elected by a decreased vote from last year. The following are the successful candi-dates: Mayor F. O. McCown; Recorder. M. C. Athey; Councilmen, J. D. Miller, Peter Paquet, H. Cochran, C. N. Greenman, W. H. Pope, F. M. Albright, and M. A. Stratton; Treasurer, T. Williams; Assessor and Collector, James Milne; City Marshal, Ed. Hatch. City Attorney, H. E. Chamberlain.

GRAND PICNIC .- The Grangers of this vicinity propose to have a grand pienic on the 26th inst., at the school house near Mr. Holmes' place, on the hill. Every arrangement will be made to will be furnished and a platform con-structed for the benefit of those who desire to dance, and a regular basket dinner will be spread. Those who can should bring their dinners with them, while there will be ample provision made for those who may come without. The citizens of this place (so we are requested) are invited to attend.

CALLED.-Hon. H. G. Struve, Grand Master of the Grand Lodge of Oregon, al; partition of real estate; report filed I. O. O. F., was in town last Thursday and gave us a pleasant call. He made an official visit that evening to Oregon Lodge No. 3, and exemplified the work in which he is very proficient. He gives a good report from all the Lodges n the jurisdiction and regards the Order in a most flourishing condition. Mr. Struye's term as Grand Master expires on the last day of the Grand Lodge which meets on the 18th inst. He has made a good and efficient officer, and will retire with confidence and esteem of the Brethren.

TERRIBLE CASE .- R. E. Stewart was tried last week in the Circuit Court for an assault with intent to commit rape. The jary found him guilty of a simple assault. The Judge fined him \$500 and costs, and it may be inferred from the severity of the penalty that the Judge regarded him fully guilty as returned by the verdict of the jury. It was a very filthy case, and we trust that it will be a long time before a similar cause will be up in our Courts.

LOOKING WELL .- There has been a very large area of wheat sown this ney. spring, and a great part of the crop is already up and growing finely. The rain now falling will help wheat and be especially beneficial to hay crops. The indications are now very good for a large crop, and also for one of the biggest yields of fruit Oregon has had for years.

A GOOD SELECTION .- We see it stated that the Oregon Iron Works, at the town of Albina, commenced operations this week, and that Mr. J. H. Moore of this city is the General Superintendent.
