BETHESDA SPRINGS!

On the McKinzie River. Lane Co., Oregon.

A CHARMING SUMMER RESORT.

THESE SPRINGS ARE LOCATED about fifty-five miles east of Eugene ed Big Prairie of the McKinzie. They are within a few hundred yards of Horse Creek one of the most famous trout streams in Oregon. Deer and elk are very plenty near these Springs, having been the resort for ages of these animals. The grandest and most picturesque scenery of the North Pa-cific. I have the best buildings and the best accommodations of any Springs in this part of the State. My bath house new, and is constructed with reference to the wants of those visiting me from the valley. I also have an excellent vapor bath room constructed near the head of the Spring, and in all things, I propose to keep up with the demand for an institution of this kind.

An experienced physician in attendance at all times. Board and Lodging in good style for those who prefer it. Animals can e pastured for small cost, and be perfect-safe. A. N. FOLEY, may 6 ff Proprietor.
