City Council.

MONDAY EVENING, Feb. 7.

Council met at the usual hour, and was called to order by M. C. Athey, Recorder, in the absence of the Mayor. Minutes of last meeting read and approved.

Under the head of petitions, Geo. Fuchs petitioned the Council for license to sell malt liquors and wines in less quantities than one quart. On motion, license was granted.

John Schram presented a petition for the removal of John Hansen, night watchman; referred to committee on health and police.

The Mayor reported that the deed for property purchased from A. H. Steele had been recorded.

Committee on finance reported favorably the following bills, which, on motion, were ordered paid: John Hansen, $47 55; J. M. Bacon, $2; T. A. Pope, $12 61; J. H. Sheppard, $3 20; W. H. Warren, $3 20; M. C. Athey, $32 45; S. N. Vance, $8; J. Hansen, $39 30; H. E. Chamberlain, $10; Peter Paquet, $1 70; A. Willis, $3 50; H. C. Stevens, $3 25.

Committee to whom was referred the matter of purchasing hose for Fire Department, made a verbal report, stating that they had purchased 400 feet of carbolized hose, at a cost of $1 28 per lineal foot; and that couplings were purchased at a cost of $7 50 per set; making the sum total of $572. On motion, it was ordered that orders be drawn for the amount.

On motion, it was ordered that the Recorder act under the instructions of the committee in drawing the above orders.

Bills were presented in favor of C. W. Pope & Co. for $7, and J. M. Frazer for $27 25; referred to finance committee.

The attention of the committee on health and police was called to the fact that there exists in the city a number of sewers and other nuisances that need attention. Referred to the committee, to do as they deem necessary in the matter.

The committee on health and police, to whom was referred the charge preferred by C. F. Mayhew, charging John Hansen, night watchman, with neglect of duty, reported that they had investigated the matter, and, being unable to sustain the charge, reported the matter back to the Council without recommendation. On motion, the matter was laid on the table. Adjourned.

HEALTH COMMITTEE.—The City Council, at its last meeting, called the attention of the committee on health and police, to the fact that there exists in our city several sewers and other nuisances that need attention. We had mentioned this matter before, and hope the committee will be prompt in looking up and remedying these many cesspools of filth. Oregon City was once famed for the healthfulness of its situation, but no place on earth can be healthful where there is tolerated so much nastiness as can be found on our back streets and yards, by any one who will take the trouble to investigate the matter.

FIREMEN'S ELECTION.—The three Fire Companies have elected officers as follows: Fountain, No. 1—President, S. D. Pope; Secretary, A. C. Bailey; Treasurer, W. F. Highfield; Foreman, E. Mathews; 1st Asst., A. C. Bailey; 2d Asst., M. Sheean. Cataract, No. 2—President, W. L. White; Secretary, J. W. Harding; Treasurer, Geo. Harding; Foreman, James Welch; 1st Asst., Jas. Jenkins; 2d Asst., Ed. Hatch. Columbia, No. 3—President, L. T. Barin; Secretary, H. E. Chamberlain; Treasurer, Chas. Pope; Foreman, M. C. Athey; 1st Asst., Wm. Whitlock; 2d Asst., A. Endoy.

THE MARKETS.—Legal tenders, buying 88; selling, 89. Wheat in Oregon City has declined to 90 cts per bus. Oats are worth 50 cents per bushel; butter 33 to 37 cents per pound; eggs 25 cents per dozen; chickens, spring, $2 50 per dozen; grown, $3 50; dried apples, 5@5½ cents per pound; plums, dried, 12½@12½ cents per pound; potatoes, 50@55 cents per bushel; bacon, sides, 12c. per pound; hams, 14 cents per pound; wool is worth 22 cents per pound.

THE sidewalk along the basin to Canemah has been completed, and is a decided improvement over the old way. A substantial railing has been built along the water side, which renders the walk much more safe for children, and men laboring under the influence of Jersey lightning. It was built by contributions raised by Mr. G. Strickler of Canemah.

MR. F. W. HELMICK, of Cincinnati, Ohio, has forwarded to us a copy of his very valuable "Counterfeit Note Detector." Those who are so fortunate as to have greenbacks enough to need aid in detecting "the queer," will find by addressing the above named gentleman at 278 W. 6th st., Cincinnati, that 25 cents will do the business.

THE good impression made on us by the Cottage Hearth has been increased by a perusal of the February number. A very fine likeness of J. G. Whittier, the poet, ornaments the title page, while interesting articles, in the various departments, are liberally interspersed. Terms, $1 50 a year. Address Milliken & Spencer, 347 Washington street, Boston.

BALL PROBABILITIES.—On an occasion like the anniversary of Washington's birthday it is expected by people, usually, that the day will end in some more than ordinary jollification. Toward this end some of young gentlemen are at present laboring; and if they receive sufficient encouragement from the dancers, a ball on the 22d of February will be the result.

NEW MILLINERY SHOP.—Mrs. Ellen Warren has opened a millinery shop, just south of Dr. Welch's office, on Main street. No one knowing Mrs. Warren's good taste and natural talent for this kind of work, will doubt her success in adjusting feathers and trimming hats bonnets, etc., in the most charming style.

A BOOM has been built at the basin, which is to be adjusted at the mouth of that receptacle to turn drift-wood in the time of high water. It is a ponderous "institution," being nearly 300 feet in length and composed of three heavy timbers, lying side by side and fastened together by heavy bolts of wrought iron.

REV. JOHN W. SELLWOOD is one of the committee appointed to make all necessary rules and regulations for the Fourth Judicial District Teachers' Institute, to be held in Forest Grove, commencing on the 21st day of next March.

TWO BALLS were attempted at Canemah last Saturday night, but the attendance at one was so very slim that the couples went over and joined forces with the successful ball.

NEW DWELLING.—Mr. Beals is building a fine dwelling house at Canemah. He has it inclosed and will finish it this coming summer.

GROUSE are fat and plentiful a short distance out of town.

LETTER LIST.—Letters remaining in the Postoffice, at Oregon City, February 11th, 1876:

Boland, John; Bohna, Wm. (2); Buck, Jackson A.; Dent, Eli; Day, Geo. W.; Foster, Miss Flera; Howell, Mrs. A.; Hill, Rodney; Johnson, D. E.; Jones, Wm. (2); Kinder, John; Lenz, H. (2); Mosher, Rev. J. G.; McPland, John Philip; Neidenever, Anthony; Stephens, Ella; Stillinger, H. W.; Thompson, Mrs. M. A.; Wilbert, Jacob; Weather, Stark.

If called for please say when "advertised." J. M. BACON, P. M.

COUNTY COURT.—At a special term held on the 5th inst., in the matter of the estate of J. A. Burnett, deceased, Geo. G. Foster, administrator, Edward Forbes, Joseph Young and Isaac C. Foster were appointed appraisers of said estate. Frans Peter Larson made final proofs and was admitted to citizenship. Case at law of E. J. Colbath vs. F. O. McCown, administrator of the estate of David Smith, deceased, came up for trial on 7th inst; judgment given for plaintiff for $436 37.

CLOSE CALL.—On Saturday, as John Angel attempted to board the northbound train at East Portland, his foot slipped and he fell to the ground, the wheels passing so near as to brush his head. He soon recovered from the shock, and found he was not much hurt. We do not think he will be anxious to try the experiment again soon.

FLORAL GUIDE.—Briggs and Brothers, the well known seedsmen of Rochester and Chicago, have sent us a copy of their Quarterly Illustrated Flower Work. To farmers and horticulturists this book will be particularly interesting, inasmuch as it contains full descriptions of everything new in the vegetable and floral line.

ADIOS!—Mr. Wm. Warren, who at one time presided over a "case" in this office, left this (Thursday) morning for a visit to his old home in Yamhill. While there he will take subscriptions for the ENTERPRISE, and (we were going say) anything else that is not closely watched, but Bill is a good fellow, and he is coming back too.

A GOOD IDEA.—As an outgrowth of the revival, a desire seems to pervade our people that a Young Men's Christian Association be established in our city. Let this not end in talk, but let every one who has the good of our place and of his fellow-man really at heart lend a helping hand in the good cause.

DO LIKEWISE.—Our popular druggist, Geo. A. Harding, dropped into our sanctum on Tuesday. George believes in mixing business with pleasure to some extent and gave us an order for job printing. Ward & Harding are bound to succeed because they patronize the home printer and advertise.

CHIEF ENGINEER.—At meetings held on the 9th inst., Columbia Hook and Ladder Company nominated Geo. A. Harding for Chief Engineer, and H. C. Stevens, Assistant. The Fountains nominated John Myers Chief and J. M. Welch, Assistant. The Cataracts will probably support the nominations of the Hooks.

ON Sunday morning as three boys were rowing up the river—to church, let us presume, they caught sight of a deer swimming down stream. They rowed for it, and dispatched his deership with oars.

THE CHURCHES.—On Sunday last, twenty-seven of the new converts united with the Congregational Church and four with the Baptist. We are informed that numbers will also unite with the Methodist and Episcopal Churches.

THERE are eleven towns in the United States called Oregon, distributed in the following States: California, Illinois, Indiana, Iowa, Michigan, Missouri, New York, Ohio, Pennsylvania, Wisconsin and Oregon.

HON. D. P. THOMPSON writes his friends here that his health has been very poor during the fall and winter, and that he will not visit Idaho till March next.

NOT BURNED.—The report that the house of Mr. Henry Soul's was burned some time ago is denied. It seems to have been a mistake—not a fire.

I. O. G. T.—Six candidates were admitted to membership at the last meeting of the lodge, held on the night of the 5th, and more are reported coming.

CALLED.—Mr. Daniel Harvey, of Portland, called on us Monday. He was in town with his mother, on business connected with his father's estate.

A. O. YATES of this place represented Don Giovanni at the Turner's masquerade ball, held in Portland on last Monday night.

ON Tuesday the Fannie Patton was engaged clearing the basin of great masses of drift-wood which had accumulated over night.

The clean-up of Belle rock, in Owyhee district, from the crushing at the Shoenbar, for the month of January, yielded over $22,000. There is still a large quantity of rock at the mill to be crushed. The recent yield shows that the mine continues to turn out well.

Captain Charles Laube de Laubenfels has been dismissed from the 4th Infantry, now stationed in Wyoming. His name had something to do with it.

A short time ago the dirtiest man in Montana was left a large fortune, and it became next to impossible to sell soap anywhere in the district. A washerwoman plying her vocation at Helena has now fallen heiress to $60,000 in England, and the soap business commences to "look up."

During the year 1875, 115,527 pieces of baggage were shipped westward over the Union Pacific road, while the East bound baggage was made up of 34,041 pieces.

They will bear interest not to exceed one and one-half per cent. per month, payable semi-annually.

A party of three men recently scoured Middle Park, Colorado, in search of game. They spent three months on the trip and were very successful, having killed 100 elk, 140 antelope, 309 deer, a wagon load of ducks, and any quantity of small game, such as rabbits, grouse, sage hens and geese.

Driven to Death.

We are an over-worked people. The almighty dollar is pursued with a phrensy which admits of few pauses or breathing spells. How frequently one hears the phrase "driven to death," implying all that it does of physical exhaustion and mental excitement. Among artificial recuperants of exhausted energy, there is not one that so powerfully counteracts the effects of fatigue as Hostetter's Stomach Bitters, and next to that natural rest for which nothing can wholly compensate, it is the best and safest resources of those who are obliged, or think that they are, to under an excessive amount of labor. Against the hurtful effects of exposure upon the sensitive organs, the Bitters are likewise an efficient protective. A dose or two will often counteract effects which a severe wetting might otherwise produce, and the danger arising from unhealthy or fatiguing occupations is materially lessened by the daily use of this most reliable fortifying cordial, which possesses the additional recommendation of being an excellent antiseptic, or means of retarding bodily decay, a fact sufficiently proven by its recuperative effects in all diseases of a depleting and exhausted nature.

People who are obliged to take their meals in a hurry, or under circumstances which prevent that repose which the mind should enjoy during the process of deglutition, are notoriously the victims of dyspepsia. They may, however, avoid in a great measure the varied torments inflicted by that Proteus of maladies, by swallowing after each meal a wineglassful of the National Stomachic.

It is most useful in headaches of a *congestive* character, attended with a fulness, heaviness and tension in the head, and especially where headaches are attended with or are liable to result in nose bleed, the forehead may be bathed or a cloth, wet in the Extract, and taken inwardly, dose as above, repeated in an hour, if necessary.
