EDITOR ENTERPRISE :- Please permit us, through the columns of your paper to say to our friends in Oregon City, that we are truly thankful to them for their very liberal donations to us on Wednesday evening of last week. May the blessing of God ever rest upon all those who so kindly remembered us.

The party was held in the basement of the Baptist Church. The room is large, and was tastefully decorated with cedar and fir. The evening passed off pleasantly with singing and lively conversation. All seemed very happy. At about 10 o'clock Rev. G. W. Day was invited to lead us in prayer after which many retired, leaving still a large company to enjoy another hour Hoping to enjoy another pleasant re-

union soon, and most sincerely thanking all the kind donors, we subscribe our names fraternally, J. T. & Louisa Huff.

THE Y. M. C. A .- The hall of this society is nearly finished, and will be dedicated next Tuesday evening. The painting, kalsomining and paper-hanging has been neatly done, and the rooms when properly furnished will be among the most attractive in the State. The young men of this society have, indeed, "showed their faith by their works" ever since it was organized. They have gone to work them-selves and have not drawn scarcely a dollar on the fund subscribed, except for material. The young ladies, too. have not been backward in helping on the good cause, having collected \$116.25 in money; \$80 of this being dues of members, and the remaining \$36 25 outside contributions. At the dedication Captain Wilkinson will be present to deliver an address, and a pleasant

THE ELECTION.-There was a lively interest taken in the Firemen's election on Monday. The voters were so evenly divided that the partisans of both aspirants were contident of success. Votes were freely challenged, protested and argued before the judges—all the enthusiasm of an important election was manifested. And when, at half past four o'clock, Messrs. Harding and Cochran were declared elected by a majority of four votes, the excitement was intense, as amid the clanging of fire-bells, the "boys" gave three hearty cheers for the successful candidates.
