City Election.

The election for city officers took place last Monday, and, notwithstanding our prediction to the contrary, considerable interest was manifested by the contestants. The Republicans nominated a straight ticket, while the other ticket was composed of "many citizens," irrespective of policies, and was known as the Citizens' ticket. There was no lack of energy displayed on the part of either party to poll every vote, and nothing was left undone that would insure success; but the strenuous efforts put forth by the "Citizens" only succeeded in electing the Treasurer and City Attorney, and making a tie for Recorder. The best of feeling prevailed throughout the day, and we can not see but what the defeated candidates look just as happy as if they had carried off the honors. The following is the vote for the different candidates:

Republican ticket—Mayor, Thomas Charman, 115; Recorder, M. C. Athey, 92. Councilmen—Peter Paquet, 175; J. R. Morton, 176; A. J. Apperson, 177; H. Cochran, 112; C. P. Church, 117; J. Logus, 124; A. Weatherston, 99. Marshal, J. Hansen, 117; Treasurer, W. H. Pope, 91; Assessor and Collector, T. A. Pope, 94; City Attorney, W. C. Johnson, 91.

Citizens' ticket—Mayor, W. W. Buck, 71; Recorder, A. O. Yates, 92. Councilmen—J. W. Chase, 78; Reuben Smith, 78; Chas. Kelly, 80; W. L. White, 78. Marshal, M. J. Stearns, 71; Treasurer, H. J. Harding, 95; Assessor and Collector, T. J. McCarver, 90; City Attorney, E. B. Clements, 95.

Three of the Councilmen nominated by the Republicans were endorsed by the Citizens, to-wit: Peter Paquet, J. R. Morton and A. J. Apperson.

FIRE AT SALEM.—From a gentlemen just from the scene, we learn the following in regard to the burning of the Willamette Woolen Mills at Salem, last Tuesday night: At about 1 o'clock, the watchman discovered fire in the attic, where a lot of rubbish was stowed. He immediately attempted to give the alarm, but the bell rope had burned off. The factory hose was then brought into requisition, but it bursted as soon as the water was turned on. He then went down town and gave the alarm. Capital Engine Co. started for the scene, and on arriving there found that they had left their hose cart behind and returned for it. By the time the hose arrived, the entire building was in flames, and no human efforts could safe it. By this terrible disaster one hundred and eleven persons are thrown out of employment. Loss, $150,000; insurance, $67,000.

J. M. BACON has just received a large invoice of brackets, picture frames, etc. Give him a call.

UNION MEETING will be held a Pope's Hall next Sunday evening. Services begin at 7½ o'clock.

A MUD-COW.—One of the proprietors of the Lincoln Bakery, from the very day of his marriage, made up his mind to buy a cow. "Fresh milk and butter, butter-milk for the young one, nothing like it, sir;" was his manner of speaking of his purpose to friends. The cow was bought about three weeks ago, and ever since has conducted herself in a way most unruly and uncowlike. One night last week, Miss "Bossy" stayed away from home; A search was instituted next day, resulting in the discovery that she had waded into the lake on the bluff, and was there stuck in the mud as fast as any "bump on a log." Neighbors were drummed up, and by dint of much work and a generous amount of dirt, the lacteal provider was extricated. The next evening the cow was again missing, and was found, after long search, in almost the identical spot in which she had been discovered the day before, only dirtier, deeper and tighter in the mud. Friends were again called to the Lincoln baker's assistance, and the pig-headed quadruped once more put upon firmer terra. Evidently enjoying the mud baths, and flattered at the attention and solicitude of her master, the cow repeated this peculiar freak for two days more. Henry now says this keeping a cow is not what it is cracked up to be. He doesn't care so much for himself, but his friends are getting a little tired turning out every evening to dig his treasure out of its mud prison, and he now autherizes us to say that if anyone wants a nice milch cow, at a greatly reduced price, to call at the Lincoln Bakery for further particulars.

PLAYING MOTHER.—Chris Zanner, at the brewery, has a cat which lately gave birth to a litter of kittens, and his large Newfoundland slut, feeling the want of something to caress, with motherly instinct stole the kittens away and hid them in the brush near Caufield's store. As soon as the old cat had disappeared from the brewery the self-appointed mother took her kidnapped kittens to the stable near by, there made a nest for the little orphans and, when found, was trying to nurse them and make them understand that she really was their mother.

IT was rumored on the streets last Wednesday, that the O. S. S. Co. had sold out their line of boats to the O. S. N. Co., and that all the up-river boats will hereafter pass through the locks, leaving the E. N. Cooke the only boat plying to and from this city. Another rumor has it that J. D. Biles will rent the boats of the O.S.S.Co., and continue to run them as before. We have been making diligent inquiries from parties employed on this line and all the satisfaction obtained, was that negotiations were going on with O. S. N. Co., and that in a few days the facts would be made known.

THE following returns were made by Sheriff Apperson to the County Court for taxes for 1875: To amount as per tax book, 1875, $35,142 17; assessment made by Sheriff, $783 37; total amount, $35,925 54. By amount of coin paid to County Treasurer, as per receipts, $25,445 54; amount of county orders paid to Treasurer, $8,620 39; deductions made by County Court, for errors and indebtedness, $614 04; delinquent list, $1,246 06; total amount, $35,925 54.

HEARING some complaint by taxpayers that the sheriff of this county was keeping the money paid in for taxes so as to draw interest, we have examined his receipts from the county treasurer, and find that he has paid it over to the treasurer whenever the amount was large enough to justify him in doing so,—which was about once in every ten days. Any one desiring to ascertain the facts in the case can do so by inspecting the receipts at the sheriff's office.

LETTER LIST.—Letters remaining in the Postoffice, at Oregon City, April 28th, 1876:

Beebe, Mrs. Martha; Harris, P. L.; Hardesty, Charles; Horner, Miss Eliza; Haun, Mrs. Rutha; Higgans, Mrs. Sarah; Jones, John H.; Lible, Miss Frances; Pres. Oregon College; Smith, Alfred; Lamb, Miss Annie.

FIRE ALARM.—On Saturday afternoon the ever-vigilant fire laddies of our department had a run as far as the O. S. S. Co.'s warehouse, only to find that the "destroying element" was confined to a chimney, and in no possible danger of spreading. After quenching the incipient blaze, the "b-hoys" had to pick their way home through the mud very much after the style of ducks walking on hot bricks.

THE "Young Men's" ticket, on account of entering the field rather late in the day, only received two votes in the late city election. We feel safe in saying, however, that had their nominees been placed in the field sooner, their election would have been certain. As it is, we can only remind them that "the early bird catches the worm," and hope at our next municipal contest they may profit thereby.

DIED.—Frank Paquet, brother to the Hon. Peter Paquet of this city, died at the Dalles last week of consumption. His remains were brought to this city last Tuesday, and the following day were interred in the cemetery at Canemah. He was a young man of steady habits, loved and respected by all who knew him and will be missed by a large circle of friends.

THE following nominations were made by the Republican State Convention, at Portland, on Wednesday: For Representative, Richard Williams; Presidential electors—Wm. Odell, J. C. Cartwright, J. W. Watts; Delegates, Judge R. P. Boise, J. C. Tolman.

THE partnership existing between Worsham & Ramsby has been dissolved. Mr. Worsham will still continue the business at the old stand, and you will always find him ready to cut off one of those juicy steaks that can only be found at his shop.

DANCE.—A social party will be given at the Occident Club rooms, next Friday evening, the 12th inst. Mr. Chas. Bray's celebrated quadrille band of Portland has been engaged, and a very pleasant time may be anticipated.

POSTMASTER.—We are glad to announce the appointment of our friend Mr. John W. Chitwood as postmaster at Damascus, in this county, and have no hesitation in saying that the appointment will give general satisfaction.

THE "apothecaire" who bought some specked apples considers he entered into a bad spec-ulation, and "specks" the pomological granger who made the sale has trifled with his confiding innocence.

FOUND.—A meerschaum pipe was found at the postoffice last week. The owner can have the same by calling on Mr. T. A. Bacon, describing property and paying charges.

PERSONAL.—We were favored with a very pleasant call last Monday morning from Mrs. Coburn, of the New Northwest and Mrs. Capt. Jerome.

THE following delegates have been elected by Oregon Lodge, No. 3, I. O. O. F., to the Grand Lodge to be held at Salem on the 16th inst.: W. H. Pope, E. B. Fellows and M. C. Athey.

COMING—the side whiskers of the fascinating young clerk at Ward & Harding's drug store.

TO LOVERS of cherries we have to impart the unpleasant news that flocks of small birds are busily engaged in picking the blossoms from the trees in this vicinity.

CHINOOK salmon are beginning to run up the river, and four or five have been caught by the fishermen at this place during the past week.

THE night-watchman and some of the fast young boys came into collision last Monday night. The next time it will be the "lock-up."

MR. ROBB, formerly principal of the seminary in this city, is the Republican candidate for School Superintendent in Washington county.

HAPPY.—Mr. Eugene White, formerly of this city, was married at Portland last week to Miss Emma Giltner, of that city.

THE only way that you can please your wife is to buy her some of J. M. Bacon's brackets, picture frames, etc.

IN the case of State vs Mayhew, for selling liquor without license, the grand jury ignored the charge.

NOPARLOR is well furnished without some of J. M. Bacon's brackets, frames, wall pockets, etc.

Robt. Worsham is looking for the man that nominated him at the Young Mens' Convention.

Mr. A. G. White, formerly of this city, has taken the City Hotel at East Portland.

THE Circuit Court adjourned to meet on the first Monday in June.

THE Grand Jury failed to bring in a single indictment.

THE picnic season has arrived.

The Importance of Good Habits.

Good habits tend to prolong life. The laws of Nature are in perfect harmony with those of Nature's God. Habits of life should be regular. The animal functions should be regularly performed, sleep should not be put off until untimely hours, unnecessary and depraved excitements should be avoided. The observance of hygenic rules will not, however, always suffice to rescue a naturally delicate constitution from wreck. When this is the case a wise discretion should be exercised in selecting the tonic to be used. Hostetter's Bitters, on account of the purity of their alcoholic basis, the powerfully invigorating properties of the vegetable elements which they contain, and their alterative efficacy, are precisely the article required to create energy in and restore regularity to the feeble system, and thus preserve it from destruction. For those disorders which proceed from impaired digestion, dormancy of the liver and weakness or irritation of the bladder or kidneys, it is a most valuable specific, and is equally to be relied upon as a preventive of malarious fevers. Persons who suffer from flatulence will find it an excellent carminative. It remedies heartburn with far more alacrity and certainty than carbonate of soda, and relieves nervous headache and constipation with gratifying promptitude.

The Bitters are a powerful auxiliary in the blood manufacturing process; giving tone to the entire system, and recalls "the rose tint of health" to the wan cheek and wasted invalid. They also tend, through the medium of improved digestion, to increase the bodily substance, and are a capital appetizer and after-dinner cordial.

Impure Breath.

Among all the disagreeable consequences that follow the decay of the teeth, an impure breath must be the most mortifying and unpleasant to its possessor, and it is the most inexcusable and offensive in society; and yet the cause of it may easily be removed by cleansing your teeth daily with that justly popular dentifrice, Fragrant SOZODONT. It purifies and sweetens the breath, cools and refreshes the mouth, and gives a pearl-like appearance to the teeth, Gentlemen who indulge in smoking shold cleanse their teeth with SOZODONT, as it removes all unpleasant orders of the weed, Ask your druggist for it.

POND'S EXTRACT

"Hear, for I will speak of excellent things."

POND'S EXTRACT—The great **Vegetable Pain Destroyer.** Has been in use over **thirty years**, and for cleanliness and prompt curative virtues cannot be excelled.

CHILDREN.—No family can afford to be without **Pond's Extract. Accidents, Bruises, Contusions, Cuts, Sprains**, are relieved almost instantly by external application. Promptly relieves pains or **Burns, Scalds, Excoriations, Chafings, Old Sores, Boils, Felons, Corns**, etc. Arrests inflamation, reduces swellings, stops bleeding, removes discolorations and heals rapidly.

FEMALE WEAKNESSES.—It always relieves pain in the back and loins, fullness and pressing pain in the head, nausea, vertigo.

IN LEUCORRHŒA it has no equal. All kinds of **ulcerations** to which ladies are subject are promptly cured. Fuller details in book accompanying each bottle.

PILES—**blind** or **bleeding**—meet prompt relief and ready cure. No case, however chronic or obstinate, can long resist its regular use.

VARICOSE VEINS.—It is the only sure cure for this distressing and dangerous condition.

KIDNEY DISEASES.—It has no equal for permanent cure.

BLEEDING from any cause. For this is a **specific.** It has saved hundreds of lives when all other remedies failed to arrest bleeding from **nose, stomach, lungs**, and elsewhere.

RHEUMATISM, NEURALGIA, Toothache and Earache are all alike relieved, and often permanently cured.

PHYSICIANS of all schools who are acquainted with **Pond's Extract of Witch Hazel** recommend it in their practice. We have letters of commendation from hundreds of Physicians, many of whom order it for use in their own practice. In addition to the foregoing, they order its use for **Swellings** of all kinds, **Quinsy, Sore Throat, Inflamed Tonsils**, simple and chronic **Diarrhœa, Catarrh**, (for which it is a specific,) **Chilblains, Frosted Feet, Stings of Insects, Mosquitoes**, etc., **Chapped Hands, Face**, and indeed all manner of skin diseases.

TOILET USE.—Removes **Soreness, Roughness**, and **Smarting**; heals **Cuts, Eruptions**, and **Pimples.** It *revives, invigorates*, and *refreshes*, while wonderfully improving the **Complexion.**

TO FARMERS.—**Pond's Extract.** No Stock Breeder, no Livery Man can afford to be without it. It is used by all the Leading Livery Stables, Street Railroads and first Horsemen in New York City. It has no equal for **Sprains, Harness** or **Saddle Chafings, Stiffness, Scratches, Swellings, Cuts, Lacerations, Bleeding, Pneumonia, Colic, Diarrhœa, Chills, Colds**, etc. Its range of action is wide, and the relief it affords is so prompt that it is invaluable in every Farm-yard as well as in every Farm-house. Let it be tried once, and you will never be without it.

CAUTION.—**Pond's Extract** has been imitated. The genuine article has the words **Pond's Extract** blown in each bottle. It is prepared by the **only persons living** who ever knew how to prepare it properly. Refuse all other preparations of Witch Hazel. This is the only article used by Physicians, and in the hospitals of this country and Europe.
