#### YOUNG MEN

Who are suffering from the effect of youthful follies or indiscretion, will do well to avail themselves of this, the greatest boon laid at the altar of suffering humanity. DR. SPINNEY will guarantee to forfeit \$500 for every case of se-minal weakness, or private disease of any kind or character which he under takes and fails to cure. He would, there fore, say to the unfortunate sufferer who may read this notice, that you are tread-ing upon dangerous ground when you longer delay in seeking the proper remedy for your complaint. You may be in the first stage; remember you are approaching the last. If you are bordering upon the last, and are suffering some or all of its illeffects, remember that if you persist in procrastination, the time must come when the most skillful physician can render you no assistance; when the door of hope will be closed against you when no angel of mercy can bring you relief. In no case has the Doctor failed of success. Then let not despair work upon your imagination, but avail your self of the beneficial results of his treat ment before your case is beyond the reach of medical skill, or before grim death hurries you to a premature grave. Full course of treatment \$25 00. Send money by Postofice order or Express with full description of case

are the best the world produces. They are planted by a million people in America, and the result is, beautiful Flowers and splendid Vegetables. A Priced Catalogue sent free to all who enclose the postage—a 2 cent stamp. 1776. NEW YORK. Eighteen hundred and seventy-six is the Centennial year. It is also the year if which an Opposition House of Represen tatives, the first since the war, will be in power at Washington; and the year of the twenty-third election of a President of the Flower and Vegetable United States. All of these events are sure to be of great interest and importance is the most beautiful work of the kind in the world. It contains nearly 150 pages, hundreds of fine illustrations, and four especially the two latter; and all of them and everything connected with them, will Chromo Plates of Flavers, beautifully drawn and colored from nature. Price 35 ets. in paper covers; 65 ets. bound in elebe fully and freshly reported and expounded in THE SUN.

The Opposition House of Representatives, taking up the line of inquiry opened years ago by THE SUN, will sternly and diligently investigate the corruptions and

misdeeds of Grant's administration; and, will, it is to be hoped, lay the foundation for a new and better period in our national history. Of all this THE SUN will contain complete and accurate accounts, furnishing the state of finely illustrated, and containing an ele-gant colored Frontispiece with the first number. Price only 25 cts. for the year. The first number for 1876 just issued. Adnishing its readers with early and trust-worthy information upon these absorbing The twenty-third Presidential election with the preparations for it, will be mem orable as deciding upon Grant's aspira-tions for a third term of power and plun-der, and still more as deciding who shall be the candidate of the party of Reform, and as electing that candidate. Concerning all these subjects, those who read THE SUN will have the constant means of being thoroughly well informed. THE WEEKLY SUN, which has attained reirculation of over eighty thousand copies already has its readers in every State and Territory, and we trust that the year 1876 will see their numbers doubled. It will Pulleys, Hanffer's Hydraulic Pumps, continue to be a thoronol

Reapers, Threshing Machines, and all in it, condensed when unimportant, at full kinds of Farming Machinery repaired in length when of moment; and always, we trust, treated in a clear, interesting and instructive manner. It is our aim to make THE WEEKLY SUN the best family newspaper in the world, and we shall continue to give in its columns a large amount of miscellaneous reading, such as stories, tales, poems, cientific intelligence and agricultural in formation, for which we are not able to make room in our daily edition. The agricultural department especially is one of its prominent features. The fashions are also regularly reported in its columns: and so are the markets of every kind.

The WEEKLY SUN, eight pages with fifty-six broad columns is only \$1.20 a year, postage prepaid. As this price barely re-pays the cost of the paper, no discount can be made from this rate to clubs, agents, postmasters, or anyone,
