REBECCA DEGREE LODGE. No. 2, I. O. O. F., meets on the

Second and Fourth Tuesday evenings of each month, at 7% o'clock, in the Odd Fellows' Hall. Members of the Degree are invited to attend

MULTNOMAH LODGE, No. 1. A. F. & A. M., holds its regular com-munications on the First and Third Saturdays in each month, at 7 o'clock

Hur of Hearing. I have an aunt, a genial dame, Three-score years old; Erect and stately is her frame, Of portly mold. Her life is flawless, all agree, In thought and act; But she is very deaf, and she Denies the fact. From her town-mansion I can ill Myself absent, Since I am mentioned in her will To some extent. And oh! the torments I go through, Whene'er I call! 1 wonder how I manage to Endure them all! I tell her it's a pleasant day. With tones of joy She murmurs in the blandest way: "You funny boy!" I ask about her cough, and sigh Through all my soul When laughingly informed that I Am very droll! I say "Dear aunt, I'm glad your eyes Pain you no more." She answers, "Yes, but exercise Is such a bore!" "What novels, auntie, have you read

And liked, of late ?" "Upon religious matters, Fred, I can't debate." "You ought to see the nice new play At Booth's, you know."-"I seldom go to funerals; they

THE DOME OF THE UNITED STATES CAPITOL.-A curious fact concerning the dome of the Capitol building, Washington, is rarely referred to. It is in relation to the expansion and contraction of the iron produced by the heat of the sun. This causes the colossal sphere to swerve from its perpendicular and to bend to the influence of the day-god as faithfully as the lovely Clytie turned her sweet face
