# GOUT SPECIFIC

The profession proper consider Rheumatism and Neuralgia dependent upon a peculiar vitiated a on of the circulating fluid. They suppose that there exists in the blood a polson which the circulation dood carries with it, and not being eliminated by the proper emunctories of the body it is deposited issues. What the poison is is not positively known yet; by most authorities it is supposed to be a with. to Our selections of reading matter, together with our San Francisco Letter and Market Report are acknowledged features, and give entire satiswid-Lactic-Acid in all probability. This, it is supposed, under favorable circumstances is generated ystem, and being alimented, is allowed to accumulate until it produces its deleterious effect.

## LALLEMAND'S **Rheumatism, Gout, and Neuralgia Specific**

Is the only remedy ever discovered that will effectually destroy this poison in the BLOOD and produa permanent cure. The recipe was precured of the celebrated Dr. Lailemand, of France, by the wknown druggist Alex, Leitch, of St. Louis, Mo. No good physician falls to prescribe the Specific when learns what it is composed of. No one suffering with Rheumatism, Gout, or Neuralgia should hesital try it because it is advertised for sale.

Attention is invited to the following letters from Drs. McMurray and Phillips, both well know ticing Physicians of St. Louis the past thirty-five years.

Dr. McMurray was Assistant Surgeon U.S. A, during the late war, and had charge of the militar hospitals in St. Louis, where he had an opportunity to test the Specific in all the forms of Rheuman-

system. Sold by all druggists.
