#### Base Ball.

Owing to inclemency of the weather the Hubbard base ballists failed to come to time last Saturday, but we are informed that they will be on hand next Saturday, and a lively game may be expected. Our boys are putting in considerable time practicing, and feel quite confident of getting away with their opponents. We have no objections to their doing so.

The Victoria and Seattle base ballists will play their level best on the 4th of July, at Seattle, for a handsome bat, made of curled maple, tipped and ornamented with solid silver.

We won't vouch for the Hubbard base ballists being here Saturday. That's what we did last week, and several persons came in from the country and didn't see anything of them. They didn't hurt us, but we don't like to be cussed. The Vancouver club has declined to play a match game of base ball on the Fourth,

Oregon City enables me to know the re-orements of the trade. Come one and all and see for yourselves that the old stand of THOMAS CHARMAN
