A Solace for the Aged. In the decline of life, as the vigor of the sys-

Young Charley Overblower married a tem wanes, and infirmities attack it to which in early life it was a stranger, the use of a safe medicinal stimulant is highly advisable. Nothing, as experience shows, is so admirably adapted to the wants of old people as Hostetter's Stomach Bitters. It is a real solace to the aged, and the best safeguard they can possibly use against the complaints to which they are pecaliarly liable. It invigorates the body and cheers the mind, is pure, agreeable and effective. Rheumatism, induced to conclude her visit, Charley lumbago and gout are more frequently developed in age than in youth or middle life. Hosetters Bitters are an excellent remedy for those painful disorders, and also fortify the system against them. They never create undue excite-ment, are gentle in their action, and are infinitely purer than the unmedicated stimulants of
