Down to a Fine Point.

The St. Louis Democrat, discoursing upon the alleged conflict that exists in this country between labor and capital,

This folly of talking about the conflict between labor and capital has been goguery, there are always plenty of people who continue to harp about the old story. There is nothing more absolutely false, however, than the assumplabor and capital. The thing is impossible, either in the most primitive or the most advanced society. The number of people in the world who are not up elsewhere for transplanting. capitalists is ridiculously small-for until a man becomes so poor that he being can envy him the possession of, he is a capitalist; so that the troubles which are commonly called conflicts place of laborers in the conflicts are so bad off, but that the world contains pittance of fifty cents a day, is a capital- fine and imprisonment. ist beside the starving ragged tramp who cannot find work at that price. Mr. Leslie's embarrassments the principles which have guided the pational Republican party hitherto:

Resolved. That most earnestly desiring the pacification of the southern section of our Union and its speedy return to national prosperity, we are mindful that this can be gained only by obedience to law, by protection to all in every right, by careful regard for that class of citizens least able to protect

themselves. Resolved. That in the efforts of the present national administration to restore peace and concord to the south, we recognize a magnanimous purpose to remove the semblance of lawlessness and violence. We hope this magnanimity will be appreciated, and that the reciprocal pledges made by prominent citizens and officials of the south will be faithfully kept. We shall rejoice if the southern policy of the President produces the hoped-for results of peace and order, but if these results shall not follow this experiment, we demand that other measure be adopted which shall secure to all citizens, without distinction of race or color, the fullest enjoyment of their constitutional rights. Resolved, That the determination of the national executive to render civil

to criticism, meets our approval. Resolved, That in the purposes and patriotism of President Hayes we declare our unshaken confidence. Resolved, That the attention of Con-

INIMENTS.

have been sold the last year, and not one complaint has reached us that they have not done all that is claimed for them. Indeed. selentific skill cannot go beyond the result reached in these wonderful preparations Added to Carbolic, Arnica, Mentha, Seneca-0 Added to Carbone, Armea, Mentina, Seneca-on and Witch-Hazel, are other ingredients, which makes a family liniment that defies rivalry. Rheumatic and bed-ridden cripples have by it been enabled to throw away their crutches, Neuralgia, Sciatica, Caked Breast, Weak Backs, &c., have found permanent relief. o Mr. Josiah Westlake, of Marysville, Okie

"For years my rheumatism has been so bad that I have been unable to stir from the house. I have tried every remedy I could hear of Finally I learned of the Centaur Liniment. The first three bottles enabled me to walk without my crutches. I am mending rapidly, I think your Liniment simply a marvel." This Liniment cures Burns and Scalds withut a scar, extracts the poison from bites and stings. Cures Chillblains and Frosted-feet and is very efficacious for Ear-ache, Toothache, Itch and cutaneous eruptions.

The Centaur Liniment, Yellow Wrapper, is intended for the tough fibres, cords and muscles of horses, mules and animal, READ! READ!

Rev. Geo. W. Ferris, Manorkill, Schoharle ounty, N. Y., says: "My horse was lame for a year with a fetlock wrench. All remedies utterly failed to cure, and I considered him worthless, until I commenced to use Centaur Liniment, which rapidly cured him. I heartily recommend it."

It makes very little difference whether the case be "wrench," sprain, spavin or lameness of any kind, the effects are the same. The great power of the Liniment is, however, shown in Police in the case of the same of the liniment is produced to the same. n Poli-evil, Big-head, sweeny, Spavin, Ring oone, Galls and Scratches. This Liniment is worth millions of dollars yearly to the stock growers, Livery-men, Farmers, and those havng valuable animals to care for. We warran s effects and refer to any Farrier who has

A complete substitute for Castor OII, without its uppleasant taste or recoil in the throat. The result of 20 years' practice by Dr. Samuel Pitchers' Castoria is particularly recomm lates the food, and allows natural sleep. Very efficacious in Croup, and for children Teething. For Colds, Feverishness, Disorders of the Bowels, and Stomach Complaints, nothing is so effective. It is as pleasant to take as honey, costs but 35 cts., and can be had of any druggist.
This is one of many testimonials:
"Cornwall, Lebanon Co., Pa., March 17.
Dear Sir:—I have used your Castoria in my

practice for some time. I take great pleasure in r commending it to the profession, as a safe, reliable and agreeable medicine. It is partic-ularly adapted to children where the repugnant taste of Custor Oil renders it so difficult to ad-Mothers who try Castoria will find they can deep nights, and their babies will be healthy.

CANCER CAN BE CURED. Cancer has from time immemorial been a becoming the greater. For many years it has been held by the medical profession, and gen-erally believed by the people, that Cancer is incurable; that once its roots take hold upon a victim, there is no chance for a sufferer to escape a linguing and terrible death; a death surrounded by all that is discusting and horescape a ingering and terrible death; a death surrounded by all that is disgusting and horrible, not only to the sufferer, but to his friends. Happily this fell destroyer need no longer be feared. Dr. H. T. Bond, of Philadelphia, a well known physician, of large experience, has for four years devoted himself to the special etudy and trackers. to the special study and treatment of Cancer, and the result of his experience is his dis-

covery for the radical cure of Cancer, without the use of either Enife, caustic or plasters,

and without pain.

The majority of persons are greatly deceived in regard to the first symptoms and appearance of this most dreaded disease, considering it painted in the constant of the con it painful from the commencement. This is a sad mistake, carrying thousands to an untimely grave. In most cases there is little or no pain until the disease is far advanced. The only symptoms for many months, and even for years, are occasionally a stinging, darting, stabbing, shooting, smarting, liching, burning, crawling or creeping sensation and some cases not any or these. If nor poison, and can be applied to the most delicate tissues of the body without injury and therefore is the only remedy that can be used in internal Caneer, such as cancer of the stomach, cancer of the womb, etc. Dr. Bond
