The Enterprise.

OREGON CITY, THERSDAY, OCT. 11, 1877.

Fortunate Clackamas County.

Clackamas county is most fortunate her farmers were not so unfortunate as to have larger fields put in than they to them in the future. The foul and the line. He says: corrupt soil, which has been caused by the use of the header, will also teach our farmers not to employ its services to cut their grain. The high price which is ruling in the city will be sufficient encouragement to those now engaged in farming in this county to intake care of. They have learned a lesson, with slight cost to them, which will be of great benefit. It will cause many who have been ambitious to cultivate small and thoroughly cultivated farms, and secure as much from one hundred ting our farms divided up into smaller tracts, thus giving us a large population of industrious farmers, and fill up the to-day. different neighborhoods, which will enable them to make good roads, maintain schools and improve society.

farmers to commence already for a rich harvest next year. It has damaged a which is always the most profitable, this is not all in which Clackamas is fortunate. The fruit crop in portions of the State is almost an entire failure. In Clackamas, which is really the lead- Government, the sales of land will be upon his supposed dignity and stand ing county in this branch in the State, to furnish a large surplus of fruit, which

will add considerable to our revenue. other county in the State, we really and when when we shall take that position which our soil, location, healthful climate, and other advantages possessed by no other county entitle us so richly to, we shall see a prosperity on every hand that has not been equalled in this State. Clackamas is beginning to be appreciated, and her future is bright. which possesses so many advantages.

Coming Out.

Between Bill Watkinds and the Mercury we may expect to learn some of the inward workings of the Democratic party. Bill is going after the Mercury man and others of his party, and the we only hope that before this little un- and 13 oppose it. while said editor retaliates by calling San Francisco. fight go on.

. The election returns from Ohio are very meagre. It would seem, however, that Bishop, Democratic candidate for Governor, is elected by about 10,000 o majority, while the Legislature is in 1,606,000,000 bushels, Germany 742,doubt. Republicans carried Iowa by about 30,000 majority.

500,000, France 687,500,000, Austria 550,000 majority.

500,000 bushels. The United States produces 1,881,760,925 bushels.

The extra session of Congress convenes next Monday.

The N. P. Railroad.

The evil experienced by the with- Joseph and His Band Surrender! drawal and keeping out of market a great amount of public land, has caused the people almost to become adverse to the further extension of the Northern Pacific Railroad grant, a grant which is this year. Just beginning to become especially calculated to benefit and one of the leading agricultural counties, advance the interests of Oregon and Washington Territory. Even the Governor of the above named Territory has had means to secure before the late entered his protest against an uncondiheavy rains, and the result is that nearly | tional further extension. IMDIAN WAR ENDED!

A Severe Engagement. The following dispatch was received dated "Headquarters Department of the Columbia, in the field, Miles' Camp, Eagle creek, Oct. 5, 1877," and addressed to Col. Wood:

"Hostile Nez Perces' camp under Joseph surrendered to-day at 2:20 P. Most of the principal men are killed, including Joseph's brother, Looking-glass, and Tu-houl-kah-sute. The Camas prairie murderers are now all dead-killed in action."

O. O. HOWARD, Brig. Gederal. Col. Miles was in command of the troops and struck the Indians on Snake creek, near the Black Paw mountains, on the morning of the 30th ult, A severe engagement took place in which Miles' command had 23 killed and 45 wounded, the Indians 57 killed and vested and kept under fire until the afternoon of the fifth, when they surrendered.

Watkinds' Resignation.

The Lafayette Courier (Democratic sheet) of last week goes after Chadwick and Watkinds in the following style: There seems to be great demand to

ed without imposing them. have been sold the last year, and not one complaint has reached us that they have not done all that is claimed for them. Indeed scientific skill cannot go beyond the results reached in these wonderful preparations. Added to Carbolic, Arnica, Mentha, Seneca-Oil and Witch-Hazel, are other ingredients, which makes a family liniment that defles rivalry. Rheumatic and bed-ridden cripples have by it been enabled to throw away their crutches, and many who for years been afflicted with Neuralgia, Sciafica, Caked Breast, Weak Backs, &c., have found permanent religi Mr. Josiah Westlake, of Marysville, Ohle

writes:

"For years my rheumatism has been so bad that I have been unable to stir from the house. I have tried every remedy I could hear of Finally I learned of the Centaur Linimes. writes: I think your Liniment simply a marvel."

Kev. Geo. W. Ferris, Manorkill, Schoharle county, N. Y., says:

"My horse was lame for a year with a fetlock wrench. All remedies utterly failed to cure, and I considered him worthless, until I commenced to use Centaur Liniment, which rapidly cured him. I heavy! It makes very little difference whether the case be "wrench," sprain, spavin or lameness of any kind, the effects are the same. The great power of the Liniment is, however, shown in Poli-evil, Big-head, sweeny, Spavin, Ringbone, Galls and Scratches. This Liniment is worth millions of dollars yearly to the stock ng valuable animals to care for. We warrant ts effects and refer to any Farrier who has

its uppleasant taste or recoil in the throat ates the food, and allows natural sleep. Ver flicacious in Croup, and for children Teethin For Colds, Feverishness, Disorders of the Boxels, and Stomach Complaints, nothing is so effective. It is as pleasant to take as honey, costs but 35 cts., and can be had of any druggist.

This is one of many testimonials "Cornwall, Lebanon Co., Pa., March 17. Dear Sir:—I have used your Castoria in my practice for some time. I take great pleasure in recommending it to the profession, as a safe, reliable and agreeable medicine. It is particularly adapted to children where the re-jugnant Mothers who try Castoria will find they can sleep nights, and their bables will be healthy.

CANCER CAN BE CURED. Cancer has from time immemorial been a

cancer has from time immemorial been a great scourge to the human race, and is now becoming the greater. For many years it has been held by the medical profession, and generally believed by the people, that Cancer is incurable; that once its roots take hold upon a victim, there is no chance for a sufferer to escape a lingering and torrible leath, a death a victim, there is no chance for a sufferer to escape a lingering and terrible death; a death surrounded by all that is disgusting and horrible, not only to the sufferer, but to his friends. Happily this fell destroyer need no longer be feared. Dr. H. T. Bond, of Philadelphia, a well known physician, of large experience, has for four years devoted himself to the special study and treatment of Cancer, and the result of his experience is his discovery for the radical cure of Cancer, without the use of either knife caustic or plasters, the use of either knife, caustic or plasters, and without pain. The majority of persons are greatly deceived in regard to the first symptoms and appearance of this most dreaded disease, considering

painful from the commencement. This is sad mistake, carrying thousands to an untimely grave. In most cases there is little or no pain until the disease is far advanced. The only symptoms for many months, and even for years, are occasionally a stinging, darting, stabbing, shooting, smarting, liching, burning, crawling or creeping sensation, and some cases not any or these. If a malady is growing worse instead of better, it is conclusive evidence it is of a malignant character, and demands imme-DY VIRTUE OF AN ORDER AND LIcense made and entered of record in the
