teries as in past years. All the depart-ments were closed by order of the President. Thousands left the city in excurton streets sion parties to Richmond, Gettysburgh, and other places; yet there was a large number at Arlington, which is the

chief point of interest, though its cemetery has but few more graves than at Soldiers' Home. To us, the most interesting burial spot is that where a huge shaft marks the grave of the 90 soldiers who fell in 1864, while defending the city against Jubal Early, and

who were buried in the midst of their faithful field. Their silent tent of marble and granite is spread on the spot

where they offered up their lives; and, remembering their ghastly wounds, as we carried them from the fence-corners and rifle-pits, where they fell in repelling those who would have sacked our city, of going to Portland when you can do as well and made parlings the Confederacy at home. I am determined not to be underand made, perhaps, the Confederacy sold by anyone.

triumphant, we turn with more sad pleasure and thankfulness to decorate In the whole history of medicine, no their monument than those of other preparation has ever performed such marvel-
