OREGON CITY, THURSDAY ALG. 15, 1878

The Pretensions of the N. P. R. R.

But two weeks ago we called atten-

tion to the fact that soon the magnates inspires the puppet. of the N. P. R. R. would inspire its e jonian, their organ, in the issue of such a stroke. Thursday. It is singularly lacking in dramatic effect, and the proprieties of the woful occasion lack much of ghostly and solemn paraphernalia, that Bro. Atkinson did not sing-song a two column article of statistics to accompany the lugubrious emanations of Scott, and so produce a concatenation of doleful sounds that would have inevitably prepared the people to lay aside the cares of the world and gladly hail the whanging of Gabriel's Horn, content to leave this world of woes and get away from the fustian of the flesh and the devil. Is the Ionic of Scott, which is a style of word architecture, "very thin in proportion to its height," although florid in style, not to be supplemented by "the simplest" the Tuscan To kiss or not to kiss, that is the question of Bro. Atkinson? If not, we fear the Whether 'tis better in the mind to suffer superstructure of the Northern Pacific And be strong like a nigger at election Railroad Company might as well have never been undertaken, for it surely needs the simplest and the thinnest of architectural styles where two such The colic, and the other natural shocks ly for the nerves of its readers, Scott stands forth solus as the gladiator of the Northern Pacific Railroad Company, and the direful consequences of opposition to the desires of that corporation which the servants of the people of Oregon all contended for in the halls of Congress, are related to its gaping readers without the usual two column Whokissesallir.due accord with scripture, lamette. We can thank a Democratic support of Bro. Atkinson.

Chief Engineer of the Company has been started on an exploration to discover a level pass over the Cascade Then, too, old women, whose leathery faces mountains. He will find one, without Began to wrinkle on the plains across a doubt, as before long the Oregonian will be made to trumpet the assertion; lit is part of the programme that it be discovered, and Roberts has mathematiical instruments of such precision in To stand off the tough ones of the church; his surveying equipment that he is prepared to prove that Mount Hood is a hole in the ground, and to get across it with a railroad he would have to bridge a stay end ous chasm. The oft-repeated assertion of Joe Meek could be conclusively demonstrated by Roberts' scientific surveying-just as he who not having the fear of Bro. Atkinson and the ninth commandment (thou shalt not lie) in his mind's eye can prove the world to be made of green cheese; and can assert that the Oregonian is not a privy to the ends and aims of the Northern Pacific Railroad managers. We In the innocent pastime of other lands. think the Oregonian fusilade is not We recommend his salary be increased much of a shower after all, to the think- And let there be no back-action. ing of sensible men. When the Oregonian and Milnor Roberts herald the finding of a route less than four or five thousand feet in elevation, they will in recently by the Standard and Creannounce a lie as bald as Mount Hood, | gontan was hailed by some as the harbut it will be done in the hopes to in- binger of the dawn of the millenium, fluence the timid in Oregon to yield to and the picturesque beholding of the the exactions of the N. P. R. R. Co. lion and the lamb in mutual lying to-We eften and often announced in our gether, prepared us all for the advent contention with the Oregonian in the of a new order of things. But unhapspring, that the object of the fight pilv it does not last. There is maniagainst Mitchell's terms by that coterie | fest and rancorous jealousy-that green was wholly actuated and directed be- eyed monster-growing up between the cause of their desire and intention, un- previously meek mannered apostles of less foiled, to strike Portland for a sub- coalition. It is quite as likely as not sidy of a million dollars, and the State that Tony will again reproduce that of two or three millions more, for build- fac simile "Carl" letter which Scott ing down the Columbia river. The wrote and lied about so villainously, persistent fight of Senator Mitchell wherein he averred that if they could thwarted them of this design in the not get that "fleshly incubus Judge Senate, and they desire to use the inter- Deady removed from the bench he regnum before the winter session in a would have the ballot-stuffing crew insort of guerilla warfare and skirmish at- cluding "fatty" in State's Prison." #### To Kiss or Not to Kiss.

The Christadelphians of Yambill Co., got into a row about saluting with the "holy kiss," decreed in Scripture, and some of the membership object to the pastor's prerogatives which he is not "sisterins." For solace, we turned as we often do to that immortal bard William Shakspeare, and the first thing we alighted on is that inspired work which seems to give considerable light upon the vexed question. How truly doth it appear that the Divine Bill had a little Yambill county:

Or take the sixteenth chapter, sixteenth

### Letter from Mr. Kinney.

Out of grave consideration to Dr. Kinney, the Standard man publishes fronted the Indian malcontents who our adulation of the Stockton tourists the following letter from him, which first became disaffected and warlike, when they passed through our town, contains more essential suggestion as the whole trouble could have been on account of the volume of their feet to beneficial legislation than Tony has quelled in its incipiency; but the cow- and the superficial extent of their ears, touched on in his paper for the last six ardly runaway instinct which seized and the consequence is that they went months; but he passes it over without a every white man within a hundred miles | home and lied in a villainous manner word of comment because he cannot of the seat of difficulty invited the about all Oregon. We would not care. gainsay it in the interest of his masters | march of conquest of the red man, and | being used to abuse-if they had malignof the O. S. N. Co. He devotes him-three hundred armed warriors, along ed us, but to make the State of Oregon self to musty editorials as dry as the with their squaws, pappooses, dogs and suffer is too much. If the Ladds and dust of the Ptolemies on matters over horses, took a run through a scope of lassies who perambulated our streets which the Legislature has no control country where each twenty mile lim't and made tracks which were surveyed and the people no concern, but for aid contained sufficient white men to con- as curiosities after they had departed, or suggestion to relieve the people of front and overwhelm them. Instead of will only return, we promise them a an oppression which is both onerous doing this, they illustrated the old ad- reception which will be gorgeous in and odious, the Standard and Oregonian age that he who doesn't fight, but runs the multitude that will pay them honare sealed fountains. Of course it is a away, may live to fight another day, or-providing they attach themselves plain case of subsidize, and everyone and some twenty-five hundred or three to a menagerie. We pity their women, knows it. We give the letter: ASTORIA, Aug. 8, 1878.

EDITOR STANDARD:- In noticing my communication on the narrow guage railroad, you are mistaken in the point at which it was suggested the State should build the railroad. It was from hope they will live to tell their children, by such a name-our indignation knows the Dalles portage (from the Dalles to and their children's children, how val- no bounds. The fright they caused slow in indulging, especially on the Celilo) and not across the Cascades' portage. I am not in favor of the State building a portage railroad at the Cascades. We should instead, make every endeavor to secure appropriations to build the locks and canal as soon as possible. If sufficient appropriation is secured it will not take more than two years to complete the work, and after the completion of the locks and canal of something for everyone, and we re- there would of course be no need of the joice that he especially remembered railroad. But even now the distance which it is necessary to transport the freight from one boat to another is so very short the carrying can be done nearly as cheap on wagons as by rail. This distance is not more than one and a half to to miles at fartherest, and if it is proven-as I think it will be-that steamers with good power can at all stages of water reach the point which swung far in one direction, let the muthe Willamette Chief reached in 1875, the distance across will be reduced to three-fourths of a mile. But since we cannot hope for an appropriation for bring it back to the opposite extreme. the locks and canal at the Dalles for We know better now no illustration of some time, nor yet for the necessary the wherefore that from time to time improvement of the river between the Dalles and Celilo, I suggest that the State build this cheap narrow guage grass region have been called the cowrailroad there. With proper restric- herds of Eastern Oregon. tions as to the rates, we certainly would have the Columbia as free as the Wil-Legislature for giving us a free Willamette with the completion of the locks at Oregon City. With a Democratic Legislature can we not reasonably expect a free Columbia? Not only in justice to Eastern Oregon, but in Government engaged in the revenue instice to Western Oregon, that we may retain the trade of the Columbia river basin that rightfully belongs to us.

AUG. C. KINNEY. to free the Columbia river is, so far as its leaders go, vain and futile, The This tribulation did the worths pastor Columbia river can be freed from the extortion of monopoly by regulating fares and freights whereby the O. S. N. Co. itself can be made to do the fair thing; but while the Republicans will be found solid for this measure, the Democrats are, by the subsidizing process, divided upon it. But we believe the majority of them are beyond the control of the robbers of the upper A holy kiss on all the timber of his diocese | Columbia, and that restrictions will be sonable rates. By opening out the portage road between the Dalles and Celilo to transportation in the order of its arrival at a fixed price, they will be compelled to charge reasonably or invite doing their sworn duty under Federal competition. But Dr. Kinney does laws, and that they must be tried beviolence to his judgment when he ap- fore the Federal Courts, puts his foot in this endeavor.

> in order to get away from the ague sea-Yambill county to his own contracted | Florida to Maine. prejudice for narro'v gague railroads, and twenty to thirty miles of sinuous curve and winding, springs Minervalike from his creative brain to thread the fertile soil of Yamhill county and awake the dull prosody of its former state with the shrill echoes of the locomotive. It is said that one of the mossbacks living in the seclusion of its vales and having no knowledge of Joe Gaston or of anything of the capacity of Yamhill county except for raising statesmen, exclaimed, as he heard the shriek of

Joe wants an endorser, and so he says to the competing steamboat lines operating on the Yamhill, whichever of you join with me in an endorsement for twenty thousand dollars can have all the railroad freights. This is a species pulled to operate the car of progress. The people of the upper Columbia country can set Joe Gaston at work and be disenthralled from their present bondage in three months.

Mexican dollars, the director of the Mint decides, are only worth their val- instinct should occasionally be shown ue in bullion, which, according to the present price of silver, is about ninety cents. Our own trade dollar is in somewhat the same category. The ollections of the "grand old days" of standard dollar is a legal tender. All their boyhood, when the doctrine of ed, but it seems difficult to make even those who are interested in the ques- of things often, as it will do them no tion understand it.

### The Indian War.

Had a hundred determined men conthousand able bodied men in the sec- whose ugliness seemed to have been the tion of country overran by the Indians, especial handicraft of Satan, but "'twas live, owing to their legs, which should God that made them so," and we rebe glorified as the Saviors of much press the rising sigh; but for the menpriceless but cowardly humanity. We if two-legged deformities can be called orously they withstood the shock of numerous of our women, it is thought battle in the celebrated summer of will make its mark on the future. But " '78," and preserve some tangled locks | we await developments before we deof horse-hair as all that remains of the termine what course to pursue against scalps they took in that ensanguined the Insane Asylum city, but this we strife because by frequent repetition they pray you, don't send any more such will in time begin to believe the story themselves, and so in emulation of the supposed heroism of their ancestry, a ing out a handsome or intelligent asrace of brave people may be produced sortment. Choose men of discretion, through deception. The end justifies even if you have to take a few out of the means, and we hope the person who will swear he killed a nundred Indians will have the bravest children; it must be so, for recompense, which Fate always awards. The pendulum having tation of Time by the slow-moving and cumbersome process of procreation immemorial the cattle men of the bunch

### States' Rights.

The authority of the National Government is once more sharply arrayed against the pretensions of State autocracy in South Carolina. Officers of the service detected illicit distilling in the by-ways of that chivalrous State, and in attempting to arrest the guilty par-Dr. Kinney's call to the Democracy | ties, they resisted and fired at the Federal officers, whereat, without cause and on the Grandmother of the Oregonian with malicious intent, the said Federal officers shot back, and corn juice began to exude out of the apertures not inplomacy with the sovereign State to make them see that these officers were peals to the Standa d man for any aid down and insists by the eternal, they must acceed to his demand, and he is going to see that it is done if half the Joe Gaston the immortal head and sons of the South die in the last ditch, front of the Dayton, Sheridan and Dal- but what the Federal authority shall be las Railroad, has all the stubborn in- respected. The hot heads seven loaves and five fishes of any man of South Carolina need discipline. The of modern times we ever read of. Joe, events of eighteen years ago have died out from the memory of the "oldest in- tions at as son of Wapato Lake, last winter, took | habitants." We want to see the Federal a little trip in Yambill county, and cap- authority respected, even if it causes tured it. He warped the broad gauge a holocaust of corn-juice, and an upsetof the eminent statesmen and savans of ting of the altars of States rights from

In the competition for the city printing in Portland, the Bee was the lowest of the bidders by sealed propositions, after which the Telegram came in with a proposal about one half lower than the Bee, and at a price which would not justify a Chinaman with rice at a cil promptly accepted the tender of the Bee, whereat the Telegram rises turgid upon its auricular, and thieves, robbers. cut-throats, rogues, scoundrels, fools, filchers, Jack Sheppards, Claud Duvals, Joe's first locomotive on its classic highwaymen and villians are a few of plains, "I declare, there is another the choice epithets hurled at the Comstatesman born; I wonder whose family mon Council. That body, however, unmindful of the direful clatter from the Oregonian headquarters, can sleep the sleep of the innocent and the just, conscious of having done a duty to the county in saving it from the care of would-be paupers in their insane desire to "get away" with the "busy Bee."

Since writing our article with referof craft which makes him rank as the ence to the threatened outbreak of the Napoleon of enterprise and of ingenuity | chivalry of South Carolina, like Davy to manipulate all the wires that can be | Crockett's coon they came down and surrendered their prisoner to the Federal authorities, discovering that there is not enough present inspiration in whiskey to make them stand up before U. S. muskets and defy the authority of Uncle Sam. It is well that the rebei the mailed hand of the National Government, to make them cower back in the lairs of the Resolutions of '98, to suck cold crumbs of comfort from recocrat's hide along with his black mammy's milk. Teach them the new order

#### The Stocktonites.

We were not particularly fulsome in men. They did not seem to have any of the ten commandments at heart, and we are sure no care was taken in send-State institution, whenever you send as another sample lot.

Scott dishes up an editorial on the 'Wisdom of Sancho's Grandmother,' whose chief merit of distinction, in his view is, that she proclaimed the doctrine: "There are put two lineages in the world-the Haves and the Have nots--and she stuck to the Haves. This text must have tenanted Scott's MANUFACTURER AND IMPORTER cranium when he busied himself in "passing the hat" a few years ago. Al! he seemed to crave was the Halves, and he got 'em by patient begging until he was able to make the trip to Washington. He further says "to stick to the Halves requires great prudence and incessant industry." We agree. By incessant industry in the interest of the D. J. SLOVICE, 1,1 O. S. N. Co. and the N. P. R. R. ring, combined with great prudence in suggesting the amount of his dividend, enough Halves have stuck to him to put him above the reach of penury. How we could bubble over in enthusiasm had we space, in a thrilling topic entitled "The Wisdom (and thrift) of

Senator Mitchell returned yesterday tended by nature, and one of the sons morning from the East and is now in of the south laid down to die. This Portland. If anyone feels that he owes desecration of the sacred soil and un- homage, respect and confidence to a boly interference in the manufacture of public servant who fought early, late Democratic sentiment stirred the gall and often in the interest of his conof chivalry to the center. The Federal stituents, whose sole ambition it was OREGON CITY, OREGON officers were arrested and imprisoned by and is to build up the growing supremthe State Courts, and were to be tried for acy of his State; to entrench its welfare murder before tribunals who worship in lines whose grooves are cut deep He's sicklied o'er with the pale cast of imposed which will compel them to corn-juice as a demi-god, and believe and lasting, and against whose periled carry freights and passengers at rea- he who takes it except kindly is deserv- interests the assaults of robbers and ing of death. At this stage of the game, cormorants, found him unmoved and Uncle Sam, who had exhausted all di- faithful-such a one owts his regards to Senator Mitchell, whose course has been such as we have described. He is a transport to the senator been such as we have described. He is as high as Olympus above the snarling pack of purchased dogs, who will now be found barking at his heels from the Oregonian and Standard down the long line of pauper sheets which tail on to Democracy for a Lazaroni support.
