By LOUISE STOCKTON.

"I am Miss Margaret Woolstine," The newspaper which Reuben Hale place for a young lady." and I own and edit is, I am aware, a "one horse" affair, but we are satisfied with it. It is a small eight paged weekly, largely made up of advertisements and seisserings, and the subscription price is one dollar a year. We have no can only beg your pardon, Mr. Craw-reporters; we never print telegrams nor ford, for having troubled you."

One day I came into the office after an tenderly agreed with me.

man she was after."

"Now, come," said I, sitting down, "I the girls guess how often they owed am swered, coloring, as she was apt to do, some little pleasure or indulgence to the mute pleading of my wife's memory.

"You are so much interested in mindistinguished from the pleading of my wife's memory."

"You are so much interested in mindistinguished from the pleading of my wife's memory." distinguished from me by it, my boy! I Thinking thus, I said:
am gray, but you are bald; I am lean "Are you quite deter am gray, but you are bald; I am lean "Are you quite determined on news and you are stout, and there isn't a six paper work, Miss Woolstine?" months difference in our years or our looks, Reuben Hale."

"Was she a blind young woman?"
"Blind!" he repeated. "Just wait until you see her eyes. Oh, she is coming back! At 2 o'clock, Daniel. Even if she didn't want to see me I asked her to do that. I told her you'd be sure to be in "Sit down, Miss Woolstine; who did

"Well, I won't," I answered. "I am going out to Melvin on the 1:45. I am not going to stay in town this sweltering

"Yes, you are. You'll thank your you have seen her she'll break yours."

ei, you had better take your feet off the chair, and brush that hair of to subdue and conquer her.

opened, and Marvey appeared.
"Lady to see Mr. Crawford," said he. woman dressed very plainly in dark and father are dead."

blue, with a smoke colored veil pretty well covering her face.

but you have to"- and she nervously I want you to come. laughed, "you have to hear me, you Did she resent this half grudging invi-

ith great deliberation, "I am going to morning. Melvin on the 1:45, and I shall have to his hat, took his cane, bowed to Miss of a desk. Woolstine, went out the door, and I "How is this," he said with a fine af-

off her veil, holding it in her hands. 'I almost felt as if I knew you, Mr. little girl I used to sit with my uncle in his pew just where I could see you as I "Py George" said he "and the country of the said he "and the country of the said he country of the s looked at the painted glass window, and What on earth are you talking about? now from the choir of course we have you in full view."

cause you so often catch me watching that expression never varied.

The girl slightly colored. "You have the kindest face in all the church. I could never think you rude." And with that she became scarlet.

"I will not say what I think of yours," I said gently, "or you might think me very rude indeed, but can I do anything

for your She crushed her veil tightly in her hands. 'I do not want to take up your time, Mr. Crawford; but I do want to talk to you a minute. I have to support myself, and I want to get newspaper work, Mr. Crawford, and I thought perhaps you would give me some. It is so

I looked at her with surprise. "I thought you lived with your uncle, Mr.

"I did, but we do not agree, and I have no money of my own, and as I have to leave there I must support my-

"But surely your natural resource would be in music, Miss Woolstine. Your voice ought to be worth a great

deal to you." "I could not sing in public," she quick-ty answered. "The church I do not mind, because I have gone there all my

life, but the concert stage!-oh, I could not do that! And I would rather not teach. It worries me to teach music." continued, "it would be far more lucrative than any work I could give you, You would not like a position here at

And the wages is low." "I have my salary in the church," she said; "that would help a little, and I do not want a situation with your girls, Mr. Crawford; I want editorial work." had laid it. Life in our establishment "Ho, ho, editorial work!" I smiled at was very simple. There was no rush of this: "but you know Mr. Hale and I do reporters, no late hours, no excitement all that and have time to spare."

"But I have helped you a little," she explained with eagerness. "I have written you several things and you have always published them. Last week you made an editorial of one."

"So, indeed! Then you are 'Mark

beautiful young lady, but you are a clev-er one, too. I don't know that we ought to refuse Mr. Mark Willis!"

"Oh, please do not," she cried. "I should be so glad to come here, and I think I could soon learn to be useful. I could cut out paragraphs for you, and that must be such stupid work for you to do; and I could write on what subjects you thought best, and if you or the other gentleman wanted to go away for a few days I am sure I could do different things for you. And," she added, "you might

ceive messages or attend to your orders?" At this how could I help smiling, and we do not need you in the slightest, and the other is that this stuffy office is no

look entirely indifferent, but her lips everything, but with it all she kept hertrembled and her face paled. "Of course then," she answered me, "there is nothing more to be said, and I

rders, and we have a subscription list As I sat still looking at her it flashed of 172,000 names—farmers, gardeners upon me that perhaps if I knew more of and country people, because wherever the history of this girl I should not so there are people raising fruit, truck or hastily shut the door upon her. And I flowers there goes the little Seed and have a very strong feeling about disap-Graft, and we are old fogy enough to pointing women. When I married my employ girls to fold and direct these wife and I had only a meager salary newspapers, and these girls do their upon which to live, and I grumbled work cheerfully and seem to be happy.

When one of them marries we give her library and in consequence slept nearly all day. a sewing machine and a dining room I thought I was deprived of my share of

"Dan," said he, "there was a young of in our little house all day and sewed wisit us, we urged her to take a holiday, to the shops at night! It was thus she but she replied that she was perfectly for the shops at night! It was thus she "Very well," said I getting a glass of water, "you saw her, I suppose? It is as hot as ginger outside, Reuben."

The suppose at night: It was thus she bought my little comforts! And now that she was dead and could not share than play. "If we did that sort of thing," said I, "I saw her," he replied, "but she didn't seemed to me that because of her dewant to see me. It was the old gentle- privations I ought to be more thoughtful of other women. Little enough did

Quite. And perhaps I should tell you that I have an offer which I can ac-"Have it as you please," said he, "but that is what she said—she wanted to see I have not written for them, but I have old Mr. Crawford. I think she thought just come from there and they seem desirous of trying me." "Do you want to go there?"

She flushed painfully. "No, I do not.

you see there-at the office?" "Mr. Finley, the editor." "And you will go there?"

"I think I ought at least to try it, don't you? It is one of our best papers. I have not described Margaret Woolhappy stars if you do. If you miss her, stine, and I do not know how to do so. Daniel, you'll break her heart, and after She was a lovely creature, tall, slender, with a superb carriage of the head and "I am going on the 1:45 train," I re-sated. "Abuses: I repeated. "They are a set were dark and tender, but pride and ob-"Bet you a dollar you don't," said stinacy curved her pretty mouth, and I Hale. "I told her to come at 2, but she often thought that it could not be pleassaid I o'clock would be more convenient, and to cross her will. But thus far I

yours public, for here s' comes. I As she stood before me, so young and hear the echo of her voice and the patter of her heels in the out office, where she has just asked Marvey if you are in."

"What a dunce you are! I really think"— But at that moment the door opened, and Marvey appeared.

"Have you no mother? "I have only my uncle," she answered, stepping aside, and there entered a young "and he is angry with me. My mother

"Very well," said I, "some one must take care of you, and I am going to ask "You do not remember me, Mr. Craw. you to let me try for a little while until ford," she said. "I am Miss Margaret your uncle has slept his anger off. And Woolstine. I see you very often in although we do not actually need anchurch, but of course you do not see me, other editor you can be of use to us, and

tation? No. She looked at me with "Mr. Crawford," said Reuben, getting content and happiness in her eyes and up without the glimmer of a smile and asked me if she should begin the next

When Hale came down stairs Miss leave at once. Will you kindly pay that Woolstine was gone and I was in a little dollar for me on account?" He put on room, back of our office taking papers out

heard him immediately tramping up-stairs to the composing room, where I "Hale," said I, "we are going to have knew he had proofs to read. There were another editor, and this room will have times when Reuben Hale was 16 years of to be made ready for her at once. I think Miss Woolstine looked more comfort make it look clean and cool, and we'll DAVIES' GALLERY.

able after we were alone, and she took hang a pink curtain at the window. This desk will do, but we must get a better chair. If you will clear our belongings Crawford," she said. "When I was a out I'll send Marvey for the scrub woman

And when I told him he listened and his only reply was an occasional ejaculation M. H. Ftanagan. "And you do not think me rude be- of "Oh, Lord!" but his intonation of

CHAPTER IL

I sat down crushed and guilty. It is very certain that had Miss Woolstine gone to the office of The Royal Express she would not have had the chance for housekeeping that we afforded her. With a little white apron tied over her dark dress, and an obtrusive duster in "You would make a success in con-ber hand, she very soon learned to keep us in very good order indeed. But she had the rare, most angelic talent of making that order ours and not her own. She never put our inkstands in all. The girls are good, respectable the middle of the tables. Mine stood as girls, but they would not suit you at all. I liked it, close to my hand, while Hale's was at arm's length from his, and she never mixed a revise with the first proofs. If I put a book on a shelf I found it there, dusted no doubt, but where I over news.

The flowers bloomed in the spring, and we told how to care for them and what to buy, and we grafted, budded, plowed and reaped without even as much as a harvest dinner to look after.

Wither and I nedded my head like a Vainglorious old farmers sent us sam-Chinese mandarin, I have since been in-formed. "Well, you are not only a very and market gardeners didn't forget to let us see their prize fruit and berries.

Miss Margaret as her natural fee; and she it was who opened the boxes of flowers, the baskets of fruit, and it was she

Trains for the East leave Portland, 7:00 who introduced the spirit lamp and tea kettle, and who made a corner in her of-fice where she served our little Arcadian lunches of bread and butter, fruit and coffee. But it was Hale who bought the teacups, and money enough must he have spent on them.

There were not two happier old boys both want to go away together. Suppose than we in the city that summer, and today you also would have liked to have we never tired of telling each other what left town on the 1:45 train. Wouldn't an admirable person Miss Woolstine was, you have been more comfortable to have She was very useful to us. Her style in known some one was here ready to re- writing was full of sparkle, and her very notices of giant radishes or new harrows had little graceful terms of expression that took them out of the common and I told her that her reasoning almost convinced me. "Indeed," I added, "it would do so but for two reasons—one, business letters, she scissored, she read proof and filed it, she sorted the mail, she kept the water cooler in order, she lace for a young lady."

She stood up and I could see tried to complete and unobtrusive interest in self apart with a gentle reserve that

made us greatly admire her." As I knew her better I saw there was trouble in her life, and I suspected it O. S. MERLEN. arose from her quarrel with her uncle. He had been a father to her, and she Northern Pacific R. R. had left him and was boarding in another part of the city. I knew that it was impossible that he should not miss her, and she often spoke of her old home with a lingering tenderness that was pathetic. Of the circumstances of the quarrel I knew nothing, but Hale and I agreed that Mr. Mason had been to

And so the summer wore away. Hale sunlight and social life, and my wife went back and forth from his house by the sea, and I came in every day from absence of a couple of hours, and found Hale scissoring the New York dailies.

After she suddenly failed in health my farm at Melvin, but Miss Woolstine and died I discovered that she had workstaid in the city. We invited her to visit us, we urged her to take a holiday,

> one day, "we'd send you to write up the Tiger Hill strike. You'd like that." "Why should I care to go there?" she

ing affairs," I replied. "I have often noticed how you stop to read The Hill Beacon, no matter what you are doing. Let the mail bring that and at once everything else is dropped. See! Your very eyes confess your guilt!"

She met my accusation with as brave a front as she could command.

"Now come, Mr. Crawford," she replied. "You notice that I read that paper because you are interested in it yourself and on the lookout for it! Pray, do you notice how much I also like to get The Orchard and Meadow?"

"I am interested in the Hill Beacon." said I, "because my nephew, Jack Lewis, edits it. I am always anxious to see what fool thing he will do next. There never was a boy who so loved to stir up the wasp nest. I want to see what he

will say when he is stung." "And I," she boldly asserted, "am interested in those poor miners whom he abuses so much."

sane, law defying crew." "They are a poor, ignorant crowd of

men," said she, "and it is our duty to said I o'clock would be more convenient, and to cross her will. But thus are I have never had to do more than observe educate and civilize, not abuse them."

And she would try to find you then, and have never had to do more than observe educate and civilize, not abuse them."

What has happened to others who tried "My dear," said I, "the United States." offers refuge to the oppressed, but it does not offer a free fight territory for out-
