RESPONSE TO MR. WOTHERSPOON.

In Which He is Riddled With Rot Shot.

Ms. Epiron: You invite an "earnest discount of the question of establishing a reading room and public library in Oregon City. What you say editorially in its favor of coincides, as I believe, with the views of every good citizen. Ha: Mr. W. A Wotherspoon confined himself to an advocacy of the measure on like sensible grounds there would be little to discuss. But since he has, under pretense of advocating a worthy public measure, made a gross and slanderous and laboring people generally. I proand laboring people generally, I pro-

pose to discuss his positions, and to Go look in your clurch of that cloud-reaching be obliged to use names, and such use he from the treasury department, office of will call "personal." He omits names, supervising inspector-general of steam on the O.R. N. railroad, is home with his handle them without gloves. I shall fire.

Where the arches and columns are gorgeous but his attacks are none the less personal vessels, dated Washington, D. C., Feb-family at present.

Mr. Wotherspoon starts out with request. reads as follows: tion," and then follows with nearly a colunn of stale charges that we older ones
heard repeated hundreds of times and as
often refuted years before he was born. But
destroy them as often as you will, they continue to spring up like toad-stools in a night,
and, like that flagus plant, siways from
the nestiest soil. In atheism, communism,
secular unions, the meetings of anarchists,
and least by the composite with the composite power, brief
river, or which shall be moored in or
one the castlest soil. In atheism, communism,
secular unions, the meetings of anarchists,
and least but not least, Spiritualistic writings
and teachings, we find the composite and and teachings, we find the composits and hot-beds from which to-day these charges take their isrgest growth. With them all the sine of society, including the existence of salcons and brothels, are laid at the doors of our churches, and our Mr. Wother spoon, parrot-like, repeats the senselses fibel with all the glibness of an entranced medium with all the glibness of an entranced medium.

the wile who has suffered so long to her presed, kneel down by her pallet and kiss the death frost from the lips of the angel your povery lost—then turn in your agent unward to God. And bless while it sintex you, the chastening fod. And bless while it sintex you, the chastening fod. And bless while it sintex you, the chastening fod. And she while it sintex you, the chastening fod. The was "astonished when coming to Oregon City to see so many fine churches along side so many gaunbling hells, saloons. It is superiorated to the Guiff of Mexico, and on the Red River of the North, shall carry a white light twelve feet high at the forward and after-end.

It is made the cut of the first with containing it by honest methods, and in the fact that other men's appetites and passions, inherited it may be from a licentious and in the fact that other men's appetites and passions, inherited it may be from a licentious and intemperate which the better part of humanity can bring to bear upon them. They have so deaded by the chancery that may infected the moral faculties in slong career of decay. And bear of the carry a white light in all, Eag or boom rafts and course, of the raft, and one crib abreast shall carry one white light on each outself and some on Butto creek, see 31, tos, receive the men's appetites and passions, inherited it may be from a licentious and intemperate with the better part of humanity can bring to bear upon them. They have so deaded by the sale of the raft, and one of

But let us turn from this digression to the

CORPORATION GALL.

Boldest Proposition Yet Made—Pool to Fight Claimants and Litigants.

Chicago special to Sunday Oregonian:

The railroads of the United States are on the point of making a radical departure in a legal way. In brief, it is to turn over every claim or suit for damages against every road to an association organized for the purpose of settling such that we cases on their merits, or fighting them to the court of last resort. The proposed association will almost enganged for the purpose of settling such that states are on the point of making a radical departure over every claim or suit for damages against every road to an association organized for the purpose of settling such that states are only to the court of last resort. The proposed association will almost enganged for the purpose of settling such that states are only to the court of last resort. The proposed association will almost enganged for the purpose of settling such that the feat-partments of members of the organization. Railway officials think the feat-partments of members of the organization. Railway officials think the feat-partments of members of the organization to the court of last resort. The proposed association will almost enganged for the purpose of settling such that the feat-partments of members of the organization. Railway officials think the feat-partments of members of the organization to the court of last resort. The proposed association will almost enganged for the purpose of settling such that the feat-partments of members of the organization for the court of last resort. The proposed association will almost enganged for the p
