How W. S. Cone, of Bay City, and Baker, J. M.

W. D. Edwards, country surveyor of Tiliamook country, were in O in the cemetery by loving bands, sexton should be employed to reside on the grounds, and take proper care of the same. Nature has provided a fit resting place for the dead in Oregon City cometery, and it is the duty of the people to see that it is kept in proper order.

RAISETHE FLAG -A large majority day. of the school houses throughout the country, and a great many in Clackamas county, have the stars and stripes floating from the slender fir flag staff that surmounts the highest emit on the buildings. Oregon City has the leading and most important scho the county, with a magnificent building yet, strange to say, no flag staff or stars and stripes adorn the building. In this respect they are far behind many of the unpretentious school horses in the county situated comparatively in the backwoods. The Extraphese is in- west side Oregon City school, has been formen that money was raised among very sick for the past few days. the pupils of the Oregon City school for a flag some months ago, and the purchase made, but as yet no fing staff has and parsonage are being cleared up and been erected, and the stars and stripes leveled down, and will be soon in grass. are folded away possibly covered with

of the United States Fish commission, anteed was in the city on Tuesday looking after the interests of the commission. There is a determined purpose to compel the This fishing is about wholly confined to the Willamette river between Oregon City and Oswego. The river is now to be patroled and a strict watch will be kept upon the movements of the parties who are suspicioned, if caught they will get the full punishment of the law. The fish illegally caught are sold to rostan. fishermen to obey the laws. The com-mission are determined to put a stop to this illegal fishing. They have already arrested several parties, and are closely fish illegally caught are sold to restau rant keepers in Portland. Even these restaurants are known and detectives are on the track of the proprietors. B. F. Packard and A. F. Halloran.

A New Dairy .- Mr. M. W. Randall. who lives on the old Randall place, has leased some lands adjoining, and started a dairy. He is now prepared to jurnish families with a pure article of milk, as his cows are pastured on green grass, and are supplied with pure water. Mr. Randall guarentees pure milk and good measure, and those desiring an absolute pure article for infants or invalids can be accommodated. Those who do not A Bar be accommodated. Those who do not a Barbara and a Barbara is so well and favorably known to the Extrapaist. people that he needs no further recom-

work on the town and a ldition plats filed in the county recorder's office He transfers them all to books provided for that purpose, and the plats are distinctly and elegantly executed. The execution is as periect as the work done let the work are plate are plated of \$14,681.25, a typographical error made it read \$4,681.29. absolutely correct. Mr. Ranft cannot be surpassed by any draughtsman on the coast in this line of work, as anyone can observe by examining these books at the resorder's office.

Mr. John Humphrey, formerly in the importance to Oregon City and the surpassed by any draughtsman on the telegraph office at the railroad depot, has importance to Oregon City and the surpassed by examining these books at the resorder's office.
