In this horr'd situation, thousands suffer until death closes the scene. Let pareots, guardians, friends, attend to those who are suffering with any of these

years, and who is certain to curs the most invel-erate cases without mercury, or any injurious drugs. It is important to those who are afflicted, or to those who are interested in the welfar- of their friends, to be careful of the many pretended doctors who infest all cities, publishing their skill in curing all diseases in a few days, imposing upon the public by using the names of enginent physicians from Europe and other places. Be therefore careful, and make strict inquiry, or you may fall into the hands of those charlatans.

Seminal Weakness.

The storm mentioned above extended all over Eastern New England, doing much damage to shipping as far north as the Coast of Maine, and doing much damage to the town and country on the line of the hurr cane, which was terriflic. Spires of churches were thrown down vessels wrecked and driven ashore, and many lives lost. The streets of cities are blocked with the ruins of fallen stade trees, chimneys are demolished, and damage to crops is immense. The Golliseum organ is ruined, the big drum broken, Summer houses blown down, every ship in Boston harbor dragged its anchors and many collided. A Cuban fillibustering vessel was driven ashore and the captain arrested.
