SALEM, FRIDAY, OCT. 15

TELEGRAPHIC SUMMARY.

The great damage occasioned by the late terrible storm at the East may be judged by the statement which is made in four counties on the Hudson the damage cannot fall short of \$8,000,000. This is only a small part of the region over which the storm caused destruction. Many of the manufacturing towns of New England, New York, New Jersey and Pennsylvania, have been greatly injured. The loss of property, including bridges and machinery, is so great that in many places important works have to suspend operations.

A tunnel is projected under the Detroit river, to connect the Michigan and Great Western Railroads.

The Sheriff of Michigan has appraised Fisk's grand Opera House, attacked on a gold suit, at a million dollars. Fisk could not be found, and the property is being held by the sheriff.

The jewelry store of Bishop & Leins, on the Fifth Avenue Hotel, has been robbed of \$30,000 worth of diamonds.

In consequence of the late storms at the East, the wires are down and mails very irregular. The wires connecting with the English cable are down.

The Horace Case. Washington, Oct. 5.—The case of the Cuban privateers was taken before Commissioner Rutherford today. The parties were arranged on the charge that they acted as a privateer in time of war, and fitted out and armed within the limits of the United States a vessel to be employed in the service of the people of Cuba to cruise and commit hostilities against the people of Spain, a country with which we are at peace, against the states, etc.

The First National Bank of Nevada. In this city, as reported by the Sheriff yesterday, on a writ of attachment. A check for \$24,000 was shortly afterwards presented for payment by a Nevada miner. It is ascertained that the check was drawn on a bank in Nevada, which has no assets in Nevada. It is said that the bank is a mere shell, and its assets are in other states.

The Herold this morning contained a card from the Agent in London, that owing to financial embarrassments, the publication of that paper would be suspended for ten days.

Washington, Oct. 5.—The case of the Cuban privateers was taken before Commissioner Rutherford today. The parties were arranged on the charge that they acted as a privateer in time of war, and fitted out and armed within the limits of the United States a vessel to be employed in the service of the people of Cuba to cruise and commit hostilities against the people of Spain, a country with which we are at peace, against the states, etc.

San Francisco, Oct. 6.—The ship Onward which arrived in this port today, from Uruguay, reports that on the 3d inst., when 30 miles west of Mendocino, at 12 o'clock midnight, a severe shock of earthquake was experienced, which caused them on board to suppose a rock had been struck. No damage was sustained.

The ship Dreadnought, from Liverpool for the coast to Lima and Callao, was wrecked on Cape Pénas island, near the Straits of Lemaire. She was owned by John Harrott, of this city, who purchased her about a year ago.

New York, Oct. 6.—Letters say that on Aug. 29th, 21st and 24th, there were two shocks of earthquake at Lima and Callao. They destroyed buildings and other property. The inhabitants fled to the mountains in tents. There were earthquakes all through Aug. in the southern portion of the country from Lima to Callao, and many people are leaving, and business is seriously injured.

Henry A. Quong, Chinaman on Cherry street, murdered his wife last night, and Charles Archer, Chinaman, was killed in the bloody scene by stabbing himself. It seems that A. Quong suspected Archer of having taken improper liberties with his wife.

The clipper ship Dreadnought, from Liverpool for the coast to Lima and Callao, was wrecked on Cape Pénas island, near the Straits of Lemaire. She was owned by John Harrott, of this city, who purchased her about a year ago.

St. Louis, Oct. 6.—The colored church at Carondelet was burned yesterday by an incendiary. Loss, \$10,000.

A Woman's Suffrage Convention met this morning at the residence of Mrs. J. W. Howe, President, and Miss Phoebe Cozzens as Secretary, with a number of Vice Presidents. The Irish Immigration Commission met here today. Delegates were present from a large number of States.

At the Woman's Suffrage Convention speeches were made and resolutions were adopted.

INDIANAPOLIS, Oct. 6.—The coroner's jury, late last night, rendered a verdict in the case of the victim of the explosion at the Fair Grounds. They say the accident was caused by culpable mismanagement and carelessness on the part of the Engineer in charge, and that the explosion was caused by a large number of States.

Washington, Oct. 6.—All the members of the Supreme Court are present, except Judge Field.

The Attorney General says the Secretary is not bound to recognize or do business with any claim agent known to have perpetrated his position as a fraud on the public, and whose character is such that a reasonable degree of confidence cannot be placed in his honesty.

Philadelphia, Oct. 6.—About \$500,000 worth of property was destroyed by the flood in and about this city.

Richmond, Oct. 6.—In the House of Representatives today a resolution that the ironed oath be administered to members of the House, was referred to the proper committee.

Stephen Turner of Rappahannock, is elected Speaker, by 89 votes, to 104 for Madison, nominated by the White Republicans. Turner now has an application pending before Congress for a pension on account of disabilities, but he is not disqualified under the Fourteenth Amendment.

St. Louis, Oct. 3.—In the Irish Immigration Convention, delegates were present from ten States, including Oregon, also from the Territories of Washington and Idaho, including some of the most prominent and influential men of their respective localities. Edward O'Reilly, Mayor of Milwaukee, was elected President, with a number of Vice Presidents. A committee was appointed to prepare a plan to accomplish the objects of the Convention, which are, briefly, to induce and assist Irish immigration to this country to settle on the free lands of the West, instead of settling in cities.

The Fall Migration, in its financial article, says the demand for mercantile accommodations and renews in Maccheron, is greater at the present than for the past twenty years.

The News publishes a letter from Goldwin Smith, favoring the independence of Canada, but opposing its annexation to the United States.

Constantinople, Oct. 6.—The great powers have withdrawn from interfering in the affairs of Egypt, and leave the Sultan and Viceroy to settle their dispute themselves.

Vienna, Oct. 6.—A large meeting was held today, against the proposed annexation of Austria. It was the embodiment of the Senate, and was voted by a majority of 100.

Official dispatches from Madrid charge that Senator Paul, a member of the Cortes, is in constant of one of the Republican bands in the South. Communication between Madrid and Barcelona is interrupted. The insurgent evacuated the town of Baza on the appearance of troops. Salvaicha has been captured. Official reports assert that the insurgent movements are decreasing. No accounts of late occurrences have been received from the Republicans.
