The Herald on Train.

When Train bonored Portland with his alert and watchful for any opportunity to presence the Herald recognized a kindred advance, be it ever so small. At length spirit in George Francis, and said much in the contending, forces have met in open his favor. Among other things done by it field, and the victory has been with those at that time, it "propounded questions" to who claim to see no good in that which we Train, and with such effect that it now claims are disposed to esteem the palladium of our after reading the distinguished rhodon nta liberties. There is talk of appealing to the dist's hist"proposition in regard to finance," judiciary, but that is worse than nonsense that he has abandoned the untenable posi- for if the citizens of any section desire to tions he held to, when in Portland, having have, are not to have, the Bible, it must be been, as the Herald thinks, converted from according to their will ; the only appeal is the error of his ways by the logic he so to the people.

lately endured at the hands of the editor "Straws show the direction of the wind," thereof. We have been watching for some and in this case the straw shows an import time to realize what effect the literature of ant fact. It is not that Roman Catholicism our aforesaid cotemporary was to excite on is in the ascendent, not that Protestantism the mind of the 19th century, and here is a is on the wane, not even that the mass of notable effect produced, that must establish the people are willing to give up the sacred Johnson, the defeated Democratic candi its fame on all the land between the waves Scriptures. The fact demonstrated is that that sweep the shores of either ocean, if there is a strong combination against cer tain of our Republican institutions, which not from pole to pole.

Train has said, it seems, that "nothing can are supposed to conflict with the interes save repudiation but greenbacks." Now if of Pope Pius IX. Indeed, elated with this that meant any thing, it meant something, little success, some of their writers and and if it meant something that the Herald speakers have boldly arowed their true understands, let it make it plain. There is sentiments. One writer wants "a repeaan oracular tone to it we admire. There is esent State law on pub also an allusion flatter to the "Alabama tion," and speaks of "a tearing down with bondholder" and "the crippled soldier" willing hands of the public school system." which is effective, if one only understood it. Another, indorsing this last, says "the time P. T. Companies boats are running to that formation from Corvallis that the College at and we regret to have to believe that no has come for the fulfillment of these brave point now and taking away full freights. that place has been through an excitement one in Oregon, unless at be the Herald, can words-the day of promise is at hand." find time to dig the meaning-out, much less and again, "taxation for school purposes to write it up. Greatness has its drawbacks. must cease." here as elsewhere. and even that of Train is not understood or appreciated as it ought to be, except per- in the public schools, her priests are de-In short, if Rome c nnot spread herself haps by the editor of the Herald.
