The Department consists of two hand engines and hooks, ladders and trucks. 96 members of the engine companies, and 40 members of the hook & ladder company, making a total of 136 men. The Depart ment is divided into two hand engines and one book & ladder truck, all of which are

There is now in the Department 800 feet of ose, of which there is not more than 750 quest your honorable body to take immediate action in this case and furnish this Department with not less than six hundred eet of leather hose.

CONDITION OF APPARATUS. All the apparatos in the Department is in good condition, with the exception of fifty feet of hose, and No. 2's hose cart. I would earnestly recommend that immediate action be taken to purchase a good and sufficient hose cart for said company.

HOUSES. Houses of the Department are in good condition, excepting that of No. 2, which has no hose tower. I would recommend that one be erected without d lay as it is

Number of cisterns is four, all in good members 44, entitled to 60. condition.

The state of the Department, as regards good order and discipline, has never been etter. Disturbance between the companies has never been known. In conclusion I would return my thanks to the officers and members of the Department generally for the prompt and che manner in which they have supported all my efforts in the past year, and I feel proud to sny that no city can show a more efficient Fire Department: I also tender my thanks to Messys, Royal, Jordan and Carr, committee on fire and water, for their carnest and active efforts to promote the interest and efficiency of the Department.
