DENVER, Col., Aug. 25 .- An accident surred to the east bound Union Pacific s at Sand creek bridge, ten miles at of here, at 12 o'clock last night, resulting in the death of engineer Master-son, and the serious wounding of two or three train men. THE MANITOBA RAILROAD.

The Country Wants It, but the Canadian Pacific Doesn't.

New York, Aug. 26.-Premier Narquay, of Winnipeg, was here vesterday. in the interest of the new railway being built in Manitoba from Winnipeg to the U. S. boundary line. "The country wants this road," he said, "and the peo-ple are all interested in it. The Canadian Pacific opposes it, because it will give us a choice of markets between Montreal and the United States, but that choice is ssary for the growth of the country. As regards commercial union with the United States, the matter is not much talked of at present in Manitoba. It is one of the questions of the future."

OPINION AT MONTREAL.

MONTREAL, Aug. 26. - The report tele graphed from Toronto to New York that Sir John Macdonald has asked that imperial troops be sent to Winnipeg, although every where regarded as false, has had the effect of waking up Montreal to the gravity of the situation, which many predict will end in a disruption of the confederation. Provincial Treasurer Larivere, referring to the report, said today he hoped it was true, for then Win-nipeg would give them a royal welcome, because they would bring money into the country. Popular feeling here has greatly changed the past few days, and is now wholly on the side of Manitoba.

BIG INDIAN FIGHT,

Colorow and the Colorado Militia Have Tussie.-Several Killed and Wounded.

GLENWOOD SPRINGS, Aug. 27., 10 a. m. -The arrival of a courier at this hour with a report of a fight with the Utes, in which one white man was killed and several scouts wounded, created a profound impression here. When the news arrived Governor Adams, who was on his way to meet Gen. Crook near Meeker for the purpose of holding a pow wow with Colorow, and leaves here at daylight, was making a speech at Hotel Glenwood. He was speaking on a reso-lution which had just been presented him on behalf of the citizens, endersing his action in ordering out the militia. One of the officers of the post came into the room, and walking up to the governor, whispered something in his ear. The governor's countenance grew pale, and after a moment's pause, he told the gathering of what he had just heard, and almost immediately left for Gen. West's headquarters for a consultation. This news gives a very black outlook to the peace now won, as it is now believed that the fight is being waged with unrelenting fury. Warden, the man who is reported fury. Warden, the man who is reported killed, is a prominent citizen of Grand Butte, and was a deputy under Kendall. It is believed the officer opened the ball against the Utes upon his arrival on the scene, when they were parting with Leslie. This engagement being the first real baptism of blood since the beginning of the campaign, the chances are

Denver, Aug. 27 .- A News special from Rangely, Colorado, at 10 a. m., by courier to Glenwood Springs, via Meeker, saps: The fight occurred in a place six miles west of Rangley in a little canon between the mountains. The Indians had planned an ambush, but the scouts discovered it and retreated in time. The Indians then opened fire and Major Leslie, who commanded the scouts, augmented by Major Hooper's Aspen Voluntoers, returned the fire from behind the rocks. The Indians showed themselves

and fought desperately.
Upon the first concentrated fire of the Dr. Dumont, of Meeker, with Kendall's band, was wounded. For three hours the battle raged incessantly. Then the Utes retreated to the timber, and only skirmish shots were fired during the day. It continued until 1 o'clock last night, but no one was injured. Jack Ward, one of Kendall's men, was shot down during the first part of the fight. The whites saw eight Indians dragged behind the line, and the Indians were dead. There were five whites wounded. Their names are not known at this time. Three of them were members of Hooper's company. One man was a scout and two are believed, although not known,

to be soldiers. After the fight the Indians retreated and the report comes that they were going to pillage the ranches. They were not heading for the reservation. The men of the National Guards, and in fact all the whites are almost on foot; the horses are all played out. A courier passed here this morning bound for Meeker after food and hospital supplies. There is immediate demand for them, as the men have barely had enough to eat.

PILES CAN BE CURED

WESTFIELD, N. Y., May 18, 1885.

For thirty-two years I have suffered from piles, both internal and external, with all their attendant agonies, and like many another suffered from hemorrhoids. All those thirty-two years I had to cramp myself to pay doctors and druggists for stuff that was doing me little or no good. Finally I was urged by one who had had the same complaint, but had been cured by Brandreth's Pills to try his cure. I did so, and began to improve, and for the past two years I have had no inconvenience from that terrible allment.

Failing Health.

Ten years ago my health began to fail. I was troubled with a distressing Cough, Night Sweats, Weakness, and Nervous-Night Sweats, Weakness, and ness. I tried various remedies preness. I tried various rememes but scribed by different physicians, but became so weak that I could not go up became so weak that I could not go up stairs without stopping to rest. My friends recommended me to try Ayer's Sarsaparilla, which I did, and I am now healthy and strong as ever. - Mrs. E. L. Williams, Alexaudria, Minn.

I have used Ayer's Sarsaparilla, in my family, for Scrofnla, and know, if it is taken faithfully, that it will thoroughly eradicate this terrible disease. I have also prescribed it as a tonic, as well as an alterative, and must say that I honestly believe it to be the best blood medicine ever compounded.—W. F. Fowler, M. D., D. D. Dyspepsia Cured.

It would be impossible for me to describe what I suffered from Indigestion and Headache up to the time I began taking Ayer's Sarsaparilla. I was under the care of various physicians, and tried a great many kinds of medicines, but never obtained more than temporary relief. After taking Ayer's Sarsaparilla for a short time, my headache disappeared, and my stomach performed its duties more perfectly. To-day my health is completely restored.—Mary Harley, Springfield, Mass.
