Monmouth College is Sponsor of Program

Two musical events of interest will be given the first of the week on the Oregon College of Education campus at Monmouth. Monday night, May 18, C. Robert Laxson, of the college music department will present a piano concert, assisted vocally by Florence Coardy Merriam.

Tuesday night, May 19, the O.C.E. women's sextet and trio, fresh from recent successes ranging all the way from Seattle to Bend, will present its final home concert, assisted by a senior recital in piano, and several other advanced voice and piano students. Tuesday night's concert is under the direction of Florence Coardy Merriam, special instructor in music at the college.

Featured by the sextet, with special lighting and staging effects, will be Rubinstein's Seraphic song, Beethoven's Moonlight Sonata, and Tschykowski's Fifth Symphony.

Both programs will be given in Campbell hall auditorium on the Monmouth campus starting at 8 o'clock. There will be no charge, and the public is invited.

Dunham's appearance, following Jack Teagarden's band, is the second of a series of "name" dance bands being brought to Salem.
