The Smith - Hoffman - Wright Builders of Corvallis ran roughshod over a team from the Army and Navy Store, Eugene, here Tuesday night, winning by a score of 11 to 0, in a game featuring the one-hit pitching of Neal, SHW man, who struck out nine men and walked only three batters while his team collected a total of nine hits off two visitor pitchers.

The Cantonment team ran across five runs in the first inning on hits by Knoll and Neal plus an opponent error. Next scoring came in the fifth inning with Knoll and Neal again batting in three runs. In their last time at bat three more counters were added on two hits and two errors.

Hitting for the winners was led by centerfielder Knoll who smacked out three singles in four times at bat to bat in four runs ahead of him. Pitcher Neal added to his pitching triumph by collecting two of three at the plate.

The first contest of the evening was won by the Laundries team over the Pepsi-Cola Bottlers by a score of 6 to 2. Starting off with two counters in the first frame, the winners were never headed, adding additional runs in the third, fifth and seventh. Wally Kruger did the twirling for the winners and also led the hitting of his team with two hits in four times at bat. Top hitters for the Pepsis were Powell and Quesinberry, with two hits apiece.

The win for the Laundrymen puts them out in front of the SHW outfit by a one-half game margin.

Tonight the two Builders teams will play in games with the Lumber Co. and Pepsi-Cola teams in a doubleheader starting at 7:30 o'clock. First game matches the SHW team with the Lumbermen and is followed by the 4-Builders-Pepsi-Cola contest.

## Fire Fighters Save Oat and Vetch Field

Mr. and Mrs. Fred Wiese of North Corvallis, on Kings Road, are expressing their appreciation to the Corvallis fire department and to the federal fire fighters for their

prompt response in putting out a fire in their oat and vetch field.

The fire started Thursday afternoon about 4 o'clock and was believed to have been caused by the tractors. About five acres on the place burned but more would have been lost had it not been for the efficient fire staff, the Wieses said.

## Albany Waffle Shop Closes for Vacations

The Waffle Shop in Albany will be closed all next week while the crew takes a vacation. This method of vacationing is becoming more and more popular with small employers. It gets away from staggered vacations and allows all the crew to be back on the job together. Labor is a problem with all employers now.

Mrs. Mildred Chamlee, proprietress, will go to the mountains for the week and will take her daughter, Bobbie, along.

Personnel from the Camp Adair U. S. Guard detachment are now assisting the engineers at the Salem airport.
