921st FA Bn. Has 4-0 Beat on Easley Teams As Two-Way Battles in Kane Gang Developing

Despite the cancellation of several major games, the 96th Division's round robin championship basketball series continued last week, with the crack F. A. team broadening their lead in the Easley league and Headquarters Co. of the 96th Division tied up with the 2nd Bn. 381st Inf. for major recognition in the Kane league.

From all indications, the games this week should be hotter and faster than those previous as teams gain in experience and practice.

Outstanding game of the week was played last Thursday night when the 921st trounced the 321st Med. Bn., 45-25. Fusselman of the artillery, who leads the league for individual high scoring honors, stood out all through the tilt and kept his scoring record intact by being the game's top man with 21 points.

With the lead changing hands frequently during the game's whole course, the 96th Signal company emerged victorious over 2nd Bn. 823rd Thursday night's second battle. It was only in the closing minutes that the Signal boys were able to eke out six points from the Infantry and had the fans on their feet when they burst forth in a grand finale of field goals. Scores at the whistle were 23-17.

Latest team standings (top half only) are as follows:

Beavers Make Ready For Idaho Invasion

Oregon State's road weary basketball team will wind up its season's activity against the University of Idaho with two games at Corvallis, Friday and Saturday nights. The Beavers returned to the campus from the Inland Empire today and have just two days to prepare for the invasion of the Vandals.

The surprisingly strong Vandal five split a two-game series with the Orangemen at Moscow last week end, losing the first contest, 52 to 49, in the last minute of play, and then coming back strong the next night to swamp the Beavers, 56 to 44.

More than half of all Lend-Lease supplies exported in 1942 were military items.

Timber Wolf League Feud'n in Torrid Tilts

Still hard on the trail of the leading Mountaineers, the Gulls of Infantry League won another game this week to tighten the first place, battle royal in the Timber Wolf competition.

In all leagues except the Special Troops in fact, the battle for the lead is still hotter than the Miranda Kiss we remember (reading about). Here the Hdq. Co. team, one of the smoothest of all of the outfits, stands undefeated with 6 wins, 0 losses, to 5 and 1 for the also-hot Snopers.

Bitterest is the Artillery League war. Here the flying Boneheads have piled up their majority, but the Redlegs are hot after. As a matter of fact there is some blood rivalry (of the understandable sort) on tap for one of the week's best-looking games. This will be at Field House, 1900 tomorrow night, between these two feudin' squads.

Games ahead tonight and tomorrow will see:

Tonight at Field House—1900, Div. Hdq. vs. Sigs; 2030, Redlegs vs. Falcons.

Tomorrow night — 1900, Boneheads vs. Redlegs; 1800, Snopers vs. Sigs; 2030, Hdq. vs. Balls o' Fire.

Results of games played during the week are listed elsewhere in Sentry sports.

'Mighty Jacob' Wins Third Handball Spot By Trouncing Sonne

Pvt. Eddie (The Mighty Jacob) Jacobson of the 96th Signal Co. last week won to the third spot in the Camp Adair singles handball tournament, by defeating Pfc. In semi-finals Sonne had lost to Toby Wallace, Assistant Fire Chief, while Jacobson lost to Pfc. Bob Ruskauff, Hdq. Co. SCU 1911, who later defeated Wallace in finals.

Medics Hit Snag In League Wars

Drop Three Straight As Two Quartermaster Teams Drive Into Tie With 8 Wins, 0 Loss

The adage that a good start makes a bad ending etc., is apparently holding good for the Medics of SCU 1911 in the Post Complement-IXth Corps round-robin league.

After starting things with six wins and no losses, the Medics dropped three straight games, one by forfeit and the QMs of SCU 1911 and 337th QM swept into a tie for leadership.

They each won four games, and with 8 wins, 0 losses, carry along in rousing style. Several games are slated this week end at Field House.

Six Roaring Battles Booked Wednesday

Field House Fite Nite Heads Camp Tourney

Six rizzling battles, including one heavy-weight bout and a prospective scorcher between a pair of 150-pounders, were yesterday announced by Cpl. Jim Shackleton for the "fight night" next Wednesday at Field House.

Battles will start at 8:00 p. m. One of the best fights on the card to date, bids to be the four-rounder between Pvt. David Mendelsohn of the Timber Wolf division and Pvt. Emmett C. Jackson, colored fighter of the 246th Q.M. Mendelsohn is 27, has had seven years as an amateur. Jackson, 28, and a proved scrapper, was five years in amateur ranks.

Wants a Taker
Sans an opponent thus far is a fast 135-pounder, who has had three years of professional fighting, 145 fights and will carry the honors of the Timber Wolf division against all comers. He is Pvt. Emilio Salvatore, 30 years old, 5 feet 2 inches tall.

The battle of the behemoths will see Pvt. A. B. Riley, colored of the 246th QM, 195 pounds, taking on Pvt. Alcide Hunter, 195, of the Timber Wolf division. Riley is a powerful slugger. Hunter, though novice, is faster and can punch.

Other bouts on the program:
At 186 pounds, Pvt. Albert V. Olund, 22, of MPs, 6 feet, vs. Pvt. Ririgel Zolman, 21, of the Timber Wolves; 175, 6 feet.

At 145 pounds, Pvt. John Petro, 24, of Timber Wolf div., three years an amateur, vs. fast-jabbing Pvt. Rudy Silva, 21, 143 pounds, 5 feet 7 inches, of the 336th QM.

At 126 pounds, Pvt. Alfred Silva, 20, 5 feet 5 inches of the Timber Wolves, vs. Pvt. James Tierney of the Timber Wolves, 27, 5 feet 5 inches.

At 160 pounds, Pvt. John H. Taylor, novice, 18, 6 feet of the Timber Wolves, vs. Pvt. Ralph Mendoza, 150, 5 feet 11 inches, of the Post Guards.

Other bouts may be added, but as it stands, if you like some good action, chalk off next Wednesday to attend "Shackleton's dance hall."

No Wonder 921st FA Leading Cage Play; Mighty Fusselman High-Points the Way

Cage players in the 96th Division were huffing and puffing this week as they tried to catch up with Lester Fusselman of the 921st Field Artillery Battalion. Pvt. Fusselman is 37 points ahead of his nearest competitor in the race for individual basketball high scoring honors.

In every game that he had played, Fusselman has stood out as an excellent offense man. His guards and blocks, when on the defensive, have made him the target of the opposition's entire interference.

Straggling behind in second place is Fusselman's team mate, Donnie G. Van Dervort, whose score totals 26. Howard C. Berge of Division Headquarters Company was third with 22.

Lead League, But in 50-33 Loss to Salem

Showing evidence of excellent coaching and conditioning, the Salem High School varsity basketball squad last Friday night scored an impressive 50-33 victory over the hard fighting 921st F. A. Bn. at the school's gym.

During the first quarter it looked like the score might be close but the Salem five hit their stride and pulled out in front. When the soldiers loosed their big guns in the third quarter and began to even up the cards Salem came forth with a terrific burst of speed and managed to keep the ball to themselves by freezing it until the final buzzer sounded.

Basketballers From OSC Lose Twice to Washington Cougars

Basketballers from Washington State stands out sharply today as the team to beat for the northern division basketball title after the Cougars' tingling 55-52 conquest of the Oregon State Beavers here last night.

Washington, however, stands prepared to challenge WSC's league leadership, and the Husky-Cougar series in Seattle Friday and Saturday will be the closest thing to "crucial" this season has yet seen.

Oregon State left for home after last night's defeat, the defending champions' third in four games on the road trip, and will attempt to salvage something from what so far has been a far from happy season in Friday-Saturday games at Corvallis against the University of Idaho.

Idaho on Upgrade
Idaho, currently on the upgrade, boasts only one victory however, that over Oregon State. The possible return of Don Durdan to the lineup will do much to spur the Beavers from here on in. Oregon does not go into action again until next Monday and Tuesday, against Idaho at Eugene.

OSC last night was a far different club than the one that dropped a 44-35 decision to the Cougars the night before. They were definitely in the ball game from start to finish and for a greater part of the game looked as though they had the winning spark.

Brief Tie
Except for a brief 6-6 tie the Beavers led throughout the first half, which ended 34-30 in their fa-

Battle Willamette in Salem Monday; Boiler-Makers Feb. 13; Help Sports Fund Drive

Two big basketball games, both designed to help out in the Civilian Drive to obtain athletic equipment for Army posts and which was launched a week ago last Wednesday by the Portland Oregonian, have been scheduled by the roving Timber Wolf team.

Coach Lt. Bob Duffy's men, who last night met Oregon University at Eugene, are to play Willamette University at Salem, Monday night.

Arrangements were yesterday completed with Ray Brooks, athletic director for the city of Portland, to battle in the postponed game with the Portland Boiler-makers, at Portland on February 13.

Next Monday's game may prove to be what the boys term a scorcher. The Willamette U. now boasts among its victims the noted Glob Trotters and may prove a tougher-than-tough hurdle for the Timber Wolves to get over. Especially since they haven't had too much roving competition of late weeks.
