

Sentry Runs Down Facts on Purchase of Shoes in Stores by Men of Armed Forces

"How'm I gonna git me them fancy yaller dress oxford I was goin' to purchase this week-end?"

With shoe rationing coming like a Zero out of the sun Monday morning, the above query has been repeated many times this week, and answers over radio and in newspapers have varied so much that The Sentry undertook to find out for sure, what it takes for an army man to buy shoes.

Although necessary orders have not yet come through military channels, here is what will be necessary for you when these orders reach Camp Adair:

First, ration ticket No. 17 will get you a pair of shoes at any store—if you have the money and the ticket.

Second, if you want shoes other than issue, you must have a rationing board certificate, issued in the Camp Quartermaster's office here. This certificate is that issued in lieu of tickets for sugar, and must have the word "sugar" scratched and the word "shoe" inserted. It is the only form on which service men can buy shoes outside of quartermaster sales.

Local rationing boards have no authority to grant certificates, but they must come from the "Issuing Officer" of the army.

This information is from the "Office of Price Administration, Bedell Building, Portland," and is signed by James A. Mount, Rationing Representative of Miscellaneous Products. It is in answer to long distance telephone calls placed by The Sentry.

Issuance of certificates is being

withheld pending official instructions from military authority, according to Maj. Kenneth Horne, acting administrative officer in the Camp Quartermaster's office. When these instructions arrive the fact will be publicized, Maj. Horne said.

Christian Science Churches
"Soul" will be the subject of the lesson-sermon in all Churches of Christ, Scientist, Sunday.

The Golden Text, "My Soul shall make her boast in the Lord: the humble shall hear thereof, and be glad, O magnify the Lord with me, and let us exalt his name together" (Ps. 34:2,3).

Among the citations which comprise the lesson-sermon is the following from the Bible: "Unto thee, O Lord, do I lift up my soul.... Shew me thy ways, O Lord; teach me thy paths. Lead me in thy truth, and teach me: for thou art the God of my salvation; on thee do I wait all the day" (Ps. 25: 1,4,5).

The lesson-sermon also includes the following correlative passages from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Material sense does not unfold the facts of existence; but spiritual sense lifts human consciousness into eternal Truth. Humanity advances slowly out of sinning sense into spiritual under-

standing; unwillingness to learn all things rightly binds Christendom with chains" (p. 95).

"Abraham Lincoln, the Modern Man of Sorrow" will be the subject of a sermon lecture Chaplain Lloyd V. Harmon will deliver Sunday morning in the Post Chapel at 1000. Chaplain Harmon has delivered this sermon lecture a great many times, several times over the radio. All men are invited to attend.

NOVENA FOR VICTORY OPENS IN CHAPEL NO. 8 SUNDAY
Last Sunday afternoon hundreds of members of the Timber Wolf Division crowded into Chapel No. 8, North 5th and C Streets, for the opening of the world famous "Novena of Our Lady of Sorrows for Victory." A novena is a nine days' devotion at which special prayers are said by the congregation for some special favor. It is seven years since the original Novena of Sorrows service was initiated in a Chicago Church at which time 3000 parishioners under the direction of Rev. Jas. Keane, O.S.M. gathered in prayer for the opening ceremony. Today, five years later, the Novena has been instituted in every state of the union and in several foreign countries. Recently the service has been established in several army camps and the spirit of the novena has been apoted by hundreds of thousands of soldiers in our armed forces.

The Novena in Chapel 8 was opened by Chaplain Edmund Murray who has May initiated the prayers at Camp Barkley, Texas. Although the chief petition offered in the Camp Adair Novena is for a just peace and complete victory for our allies, novenites at each service sign petition slips requesting other favors through the intercession of our Lady of Sorrows in whose honor the prayers are conducted. Since the novena began in 1937 more than eight million petitions have been signed and although no numerical computation of prayers answered is yet complete, thousands of novenites, Protestant, Catholic and Jewish, have flooded the offices of the Novena Office in Chicago with letters attesting answers to their prayers for such favors as cures from illness, conversion to God, happiness in marriage, employment, financial aid, success in business, etc.

The traditional day for the novena service in civilian communities is Friday, but inasmuch as the pressure of army duties prevents the soldiers from attending the regular week-day services the Army Chaplain by special dispensation may hold the Novena on any day of the week, hence the choice of Sunday afternoon in Chapel 8.

ANSWER BOX
Q. To settle an argument, can you tell us whether the U. S. pays captured enemy officers?
A. It does. The U. S. follows the rule laid out in the Hague Convention of 1929 which set up international rules of war and was signed by all the major nations now fighting, to pay captured officers \$25 per month.

Q. Who are the "Armoraiders"?
A. "Armoraiders" is the nickname for the steel-clad legions who strike the enemy in tanks and other mechanized weapons.

Q. Is a technical sergeant eligible to receive a monthly family allowance under the Servicemen's Dependents Allowance Act of 1942?
A. No. Only enlisted men of the fourth, fifth, sixth and seventh grades in the army, navy, marine corps, or the coast guard, including any and all retired and reserve components of such services, are entitled to receive a monthly family allowance for any period during which such enlisted man is in active military service of the U. S. on or after June 1, 1942, during the existence of any war declared by congress and the six months immediately following.

Q. In order for a serviceman to obtain an allowance for a wife and child under the Servicemen's Dependents Allowance Act, does he have to submit proof that they are financially dependent upon him for support?
A. No. It is not necessary to prove that they are dependent, but it is necessary to show relationship by submitting the proof.

Q. I'm an alien and would like to know if I can ever rise above the grade of private. I'm waiting for my final citizenship papers.

A. Sure. You can be promoted up to the grade of master sergeant, if you're qualified. After receiving your final citizenship papers you will be eligible for OSC.
