IS THIS OUR FACE, RED??

To the Sports Editor:

The last issue of "The Sentry" carried an article on the high calibre service teams playing basketball all over the nation. In your listings you mentioned among others Camp Grant. But in picking out the three or four top teams you failed completely.

again.

Basing your judgment on victories over highly-rated college teams, you chose Norfolk N.T.S. as the outstanding team (because of a victory over Georgetown), Great Lakes (with several losses) picked second, and St. Mary's Pre-flighters and the 36th Armored Regiment, in that order. Camp Grant's Warriors, boasting the best record in the country, is left completely out in the cold.

To use your method of selection: Camp Grant is led by All-Americans, Mickey Rottner of Loyola, Don Blanken of Purdue, Stan Szukala of De Paul, George Hogan of De Paul, as well as other notable mid-western stars. The Warriors have an enviable record indeed: they are undefeated, holding victories against such top-notch college teams as, Loyola, De Paul, N.U., Michigan, and the champion of the Big Ten, Illinois which is undefeated in college play this year.

With such a record behind them, the Warriors and thousands of other mid-westerners have been slighted and demand at least another article showing the true worth of our heroes.

Great Lakes, which you rated second, has so far refused the challenge of the Camp Grant stars to play in the Chicago stadium. It remains to be seen, whether the highly touted Great Lakes five will chance defeat at the hands of the undefeated Warrior quintet.

Yours for morer accurate sports reporting, Sgt. Leo G. Reeder, Serv. Co., 381st Inf. Camp Adair, Oregon.
