

### Tough Anti-Tankers Have Eye for Beauty; Their Garden Sets Example on the Post

The Tank Destroyers at Camp Adair, as well as being good soldiers, are also clever gardeners. The company area and training grounds have been leveled off. Landscaping also seems to be in their line. Stones spelling out the name of the organization in artistic fashion were placed on the side facing the company street.

First Lt. Jack Clark, a member of this company, was recently spotted in the local telephone office. While waiting for a call to go through to his wife in Glendale, California, he found time to brag about his outfit. Lt. Clark said that they have a big job ahead of them and jokingly remarked: "Some soldiers refer to us as the tank dispersers!"

### Springtime is Here; Glee Club is Planned By Hostess Kuhwarth

Plans to form a Glee club are being made at Service Club No. 2 under the direction of Miss Mudge Kuhwarth, the new social and recreational hostess who requests that all soldiers having a desire to sing, come out next Monday evening at 7:30 o'clock.

At that time plans will be made for future musical programs. When the Glee Club is organized, a variety of vocals from the old quartet type to special arrangements of populars will be used. This will form a nucleus for a burlesque opera later.

Signed up for the Glee Club already are the "Three Ranks" from Headquarters Company of the Timber Wolf Infantry. They are T/4 Frank Wofford, Cpl. Cleve Kennedy, and Pvt. Richard Englander.

Miss Kuhwarth is a former musical superintendent of Yakima, Washington, where she taught voice in a senior high school and supervised music in the grades and junior high schools.

Says Miss Kuhwarth: "Whether a soldier can read notes or not, makes no difference if he has a desire to learn."

She expresses the belief that there is good talent at Camp Adair and hopes to see a big turnout next Monday evening at 7:30 o'clock.

### Geysers' St. Patrick's Show Termed Success

The Timber Wolves' Geysers' Companies got together last week for a St. Patrick's day party that will long be remembered.

Making an initial appearance were those "Long-Stemmed American Beauties" that were referred to in last week's "Sentry" and now their identity can be revealed. Reading left to right, like Radio City Music Hall's famed Rockettes, are Pvt. Hagland, Milligan, McLeod, Concher, Fitzgerald, Calamia, Emmons and Murphy. Chorography (that's instruction in the dance, says Webster) was planned and directed by Timber Wolf Cpl. Rex Watson and Cpl. Bartley was at the piano.

Yes, the party was a huge success. Refreshments, too, were of the finest, and the program was "spark-plugged" by Cpl. Watson.

### NO RATION BOOK NEEDED

According to the food count an all-time high was reached in attendance at the George A. White Center in Portland last week-end. More than 3000 service men enjoyed the Snack Bar and the various activities at Portland's official hospitality center over Saturday and Sunday! What was the Snack Bar favorite? Pie! More than 700 of the "kind like mother used to bake" vanished along with those cups of good steaming hot java! Sandwiches . . . potato salad . . . pickles . . . and hot dogs . . . all were Snack Bar favorites . . . and went down for the count!

Another high spot in the evening's entertainment was the surprise appearance of Gypsy Rose Lee Emmons who had no trouble filling the mess hall, where the party was held, with uproarious laughter. Short talks by the officers topped off a delightful evening.

### Octet of Lovelies Will Make Debut Saturday At Service Club 2

According to advance information, this Saturday night's "Night Club Night" at Club 1 will again feature Timber Wolf Division talent, mainly from the Geysers Regiment.

The hilarious highlight of the evening will be the initial appearance at the Club of the "Eight Afairettes" . . . an octet of "long stemmed American beauties" (says their press agent.) They are dancers but that's all we'll tell. Better go and see for yourself. They are under the direction of Cpl. Rex Watson.

The "Three Ranks" . . . Sgt. Wofford, Cpl. Kennedy and Pvt. Englander will offer a vocal number or two; there will be a hill-billy trio composed of Pvt. John Head, Pvt. George Belville and Pvt. Clarence Shew; a vocal by Cpl. Hay with Cpl. Bartley at the piano, and an unusual feature will be the appearance of "Gypsy Rose Lee" Emmons, in a number that needs no explanation here.

Last week's Cabaret Night was cancelled, more or less, due to the gala re-opening of the club, although the regular floor show was presented as scheduled. One of the Timber Wolf bands will also be

### Monmouth USO Plans 'Open House' Sunday

#### Adairmen Welcomed To All-Day Program

The Monmouth USO, under the direction of Miss Ruby Ann Larence, plans to take part in the National Open-House program on Sunday, March 28, which will be a feature of all centers on that day in a nation-wide effort to bring the armed forces and local communities into a friendly, cooperative understanding and fellowship.

Mrs. F. E. Chambers, Monmouth USO chairman, and her executive committee are in general charge of the events. "It is the earnest hope of this committee," states Mrs. Chambers, "that all citizens of the town and surrounding community will plan to drop in at the USO on March 28, to see the results and use of their community cooperation, and to meet and visit

with the soldiers, who come to the Monmouth center."

On the other hand, Mrs. Chambers is equally urgent in her invitation to the enlisted men of Camp Adair that they visit the Monmouth Center on Sunday afternoon. All Junior Hostesses will be in attendance throughout the afternoon and evening and a full program of activities will be in progress throughout that time.

Dr. C. A. Howard, President of the Oregon College of Education, has recently been appointed Chairman of the Defense Recreational Committee and is in charge of a brief afternoon entertainment. Robert S. Farrell, Jr., Secretary of State for Oregon, will be a guest speaker. Special music from local and camp talent will be included.
