381st Infantry In This Column
by
Cpl. Robert C. Gaard

The show presented Saturday evening in ye-old recreation hall was quite a success. Dr. Carl Gross, principal of Creswell Union High School, Creswell, Oregon, brought his group here to give a three-act play. The hall filled up and we had to put out the S.R.O. sign. (For the benefit of those who do not know ... mmmm ... well, it means Standing Room Only.) When, between acts, we asked the boys how they liked the play, we certainly received a favorable response. We're glad you enjoyed it, fellas! We'll certainly have more of the same ... thanks to you, Dr. Gross. Your play was superb!

If you remember last week we mentioned our boxing team was going to meet the "Seagulls" ... Despite the loss of men and setbacks due to sickness Earl Gustafson, team manager, experienced before the bouts the boys went into Salem, met their foe, and returned victoriously. This marks the second encounter the team has won ...

Community Sing

Miss Madge Kuhwarth announces a Community Sing for next Monday evening at 7:30 in Club No. 2. All the popular and semi-classical songs will be sung. Everyone who is interested in letting his voice go is invited.

two wins and no losses. Keep up the fine work!

There was quite a turn-out Sunday when try-outs for the 381st Baseball Team were held. Cpl. Russ Drechsler of the Special Service Office has been out for the past week or two working feverishly in building the baseball field and when well over a hundred and fifty men came out he really BEAMED! The try-outs were quite successful and it looks as if we may have a ball team that is actually a piperoo! Any of you men who did not come out but would like to try out, watch your Special Service Bulletin for notice or contact your 1st Sgt.

The team will be decked out with complete uniforms and it looks as

if it might be a good deal. We hope to see a lot of you boys filling out those uniforms.

The 2nd platoon of B Company seems to have lost themselves in the woods ... at least five men of that platoon were lost. It seems the boys saw a goat, of all things, (if it were a blonde, we could understand) caught in some branches and stopped momentarily to give a helping hand to the distressed goat! They're to be considered as humanitarians anyway.

SOMETHING NEW HAS BEEN ADDED! Congratulations and the best of everything to B Company's Corporal Gruenwald who became a papa. Mrs. Gruenwald is fine and they are both very proud of their baby boy! Tell us, Corporal, how does it feel to be a father?

We might drop this slight hint ... (we're really not supposed to) ... Hang tight, boys! Fifty ... 50 ... lovely young ladies will enhance the 381st Regimental area in the very near future! They're coming here as junior hostesses for a dance. Yeah, that's right! Fifty

young ladies ... and I'm not just "flappin' my jaws"! Seeing is believing so keep your ears and eyes open for further announcements.

Company Reporter for B Company hands in his news to this office as regularly as clock-work but we never see him. His name is signed to the bottom of his copy but it is not legible, and we don't know who he is! You'll be reading this column, B Company Reporter, so for gosh sakes let us know who you are! We would like to meet you. Yes, indeed!

Christian Science Churches

"Unreality" will be the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, April 4.

The Golden Text was, "What is the chaff to the wheat? saith the Lord" (Jeremiah 23:28).

Among the citations which will comprise the Lesson-Sermon is the following from the Bible: "Woe unto them that call evil good, and good evil; that put darkness for light, and light for darkness; that

The Lesson-Sermon also includes the following correlative passages put "bitter for sweet, and sweet for bitter." (Isa. 5:20).

from the Christian Science text book, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Everything good or worthy, God made. Whatever is valueless or baneful, He did not make, hence its unreality. In the Science of Genesis we read that He saw everything which He had made, and, behold, it was very good" (pg. 525).

V.F.W. Installation

Veterans of Foreign Wars, Post 640, installation in Corvallis will take place on Tuesday evening April 6, at 8 p. m. in the Moose hall.

Installation officer is Stanley Tripp, chief of staff of the department of Oregon V.F.W. There is to be a social hour for members of the post and auxiliary. V.F.W. Camp Adair are cordially invited.

The nearly extinct wild goose of Hawaii lives on arid lava slopes high in the mountain and rarely goes near water.
