### Dog O' War

Camp Adair's Dogs of War get their basic training — by practical experience!

Here Sgt. Nick Paolucci hangs onto the leash while Pfc. William Frederickson pretends that he is trying to get away.

"Shadow," the Kerry Blue terrier, angrier than a swatted hornet, is climbing the ladder at full speed to capture and tear to bits this would-be intruder. (See story and photo layout on page 3).

### Full House Previews Desert Victory Film

### German Rout Shown, Also 'Fox's' Photo

"Desert Victory," epic on-the-scene movie of the Tunisian campaign, played to a full house at theaters 1 and 2 last night. It is billed for theaters 3 and 4 on Friday and Saturday and No. 5 on Sunday and Monday.

Lt. William Benson reports that the picture graphically shows the rout of Field Marshal Erwin Von Rommel in the desert!

The lives of several cameramen of the British Eighth Army, the Royal Navy, and the RAF were forfeited in the filming of "Desert Victory."

Before your own eyes you can see why Rommel lost 75,000 men, 500 tanks, 600 pieces of artillery, and a thousand planes.

The picture shows the hard-smashing British Eighth Army routing the Italians at Tripoli. The "Fox" himself is photographed.

None of the picture was "studio" prepared. It was filmed right on the front while the action was taking place. It's the real thing!

Standardization of glass food containers will increase their production by about 20 per cent more this year with existing equipment than were produced in 1942.

Plenty of entertainment and special events are in the offing for the officers and enlisted men stationed in this Willamette Valley army post. Highlights include:

"Hullabaloo," a star-studded USO-Camp Shows unit which opened last night, and is being presented again tonight at Theater 5. There will be two shows, the first at 6 and the second at 8:30 p. m. Those who saw it last night say it's well worth seeing.

**Mother's Day Observance**  
Mother's Day, Sunday, May 9, will be observed on the post at the clubs. Club 1 will have a mother-son reception . . . with mothers having sons in the service invited here as "proxy" mothers for "proxy" sons stationed here.

"Desert Victory," a gripping motion picture account of the African campaign, will be shown at the various post Theaters until and including May 10. See your movie advertisement for theatre and time.

Gala revue staged by the Shell Oil Co., is booked here tentatively for May 14 and 15. Details later.

"My Sister Eileen," popular Broadway comedy, will be staged here Sunday, May 16, by co-eds from the University of Oregon, Eugene. Advance story on page 9.

An end-of-the-month USO-Show is booked from May 29 through 31, to feature Ray Herbeck's orchestra and an all-star show.

For other events in the social and recreational realm, read the "Service Men's Date Book" on Page 8.

### THIS IS THE ARMY!

When you have a few moments to spare, ask Cpl. Rudolph Jacobi over at Club 1 about his "shoe" trouble. It's a good yarn, but should come first-handed from him.

### MOTHER'S DAY THOUGHT

Mother's Day will be marked in a very special way at Service Club 1. And it's all Miss Ann Caddy's idea . . . which we think is pretty darned swell.

A group of about 50 mothers from this area, who have sons serving in the armed forces throughout the world battle zones, has been invited over this Sunday, from 4 until 6 for a party. They will be "proxy" mothers for as many soldiers stationed here, who will be "proxy" sons for the afternoon.

As many men as possible are requested to get in touch IMMEDIATELY with Miss Caddy and there is every indication that full cooperation on the part of the EM will be seen.

Each mother will receive a corsage and refreshments will be served.

Why not see Miss Caddy over at Service Club 1. We repeat . . . it's a "darned swell" idea!

### Scribe of 'New Tent City' Disserts On Bread; and Lt. Friedman's Oven

By Thomas J. O'Hara

One of the oldest of axioms states that an Army travels on its stomach. Another states that bread is the staff of life. According to elementary logic one of the most important branches of the service, therefore, would be the makers of bread.

I refer to our own QM Bakers' Battalion.

Under the tutelage of T/Sgt. James Livingston of Co. A, I was taken to a demonstration of Army bread baking. In order to give a concise description of the process I shall explain a step at a time.

The oven used in field baking was originated somewhere in the dim, lost mists from whence time first dawned.

It was developed and exploited by the Pharaohs of Ancient Egypt

and is used today in that same, venerable form.

### Field Oven

The oven, though it has many varieties consists of the same general type. A square or oblong pit of varying dimensions is dug. In each wall there is excavated a minor or secondary pit. This is usually four feet by four feet.

This secondary pit is the place wherein the actual baking is done. It is lined with bricks or mud and a fire is built therein.

The bread-dough, kneaded into 4-lb loaves, is placed inside. It takes about four hours to bake one loaf.

The preparation of the dough is another matter entirely. The ingredients are mixed in a dough-trough. If such a trough is not

### Visits Adair

MAJOR GENERAL JOYCE  
Commanding General, Ninth Service Command, congratulatory in visit to Post.

### 'Splendid!' Comment As SCU 1911 Parades

### Sees Formal Retreat With Colonel McCoy

"Splendid!"

This was the comment of Major General Kenyon A. Joyce, commanding general of the Ninth Service Command, following the formal retreat and review of SCU 1911 troops on the post headquarters parade ground Tuesday. General Joyce, who was here for a brief visit, attended the retreat with Col. Gordon H. McCoy, camp commander.

The general was warm in his praise for the military precision with which the event was conducted, and on the appearance of officers and men who took part. All units of SCU 1911, including the post band, were present.

General Joyce, whose headquarters are in Fort Douglas, Utah, has been in military service since May 13, 1898. He was promoted to Brigadier General November 1, 1936, and was made a major general November 1, 1939. He is a graduate of the Army War college, served on the staff of the college, and is a distinguished graduate of the Infantry-Cavalry school. He holds the Distinguished Service Medal and the Purple Heart award.

Following a brief inspection of the post, General Joyce departed Wednesday morning. While here he was the guest of Col. and Mrs. McCoy at their home in Salem.

### Lt. Godfrey Explains P.R. Before Kiwanians

"The Army does not seek publicity; but does seek, in the interest of public welfare, to give all information to civilians which would not serve as information that might prove valuable to the enemy."

This was the gist of a speech presented Tuesday noon before the Kiwanis Club of Salem by Lt. George H. Godfrey, Post Public Relations Officer, in clarifying the relationship between Army Public Relations, and the press and civilian civic organizations.

Special Service Officer, Major N. George De Dakis.

### Now It's Okay to Toss Away the Saddle Soap?

There's a new type of inside-out G.I. shoe. The Quartermaster says that the leather in the uppers is turned inside out so that the smooth side is inside. It's supposed to be easier on the foot . . . the rough outside lasts longer and won't ever have to be polished
