## Bulldogs in 12-10 Win Over Warriors

### Relief Pitcher Gets Credit for Victory

The Bulldogs met the Warriors on the Bulldogs' home grounds and came forth victors with a close 12 to 10 win.

The Warriors showed improvement since their practice game with the Bulldogs which was also won by the latter with a score of 19 to 7.

#### Brenner, Relief, Wins

Bulldog pitcher, Harry Brenner, won his game pitching the final five innings after relieving Moore. Brenner proved himself not only a pitcher but a fine slugger when, in the eighth, he lashed out a home run, driving in two men on base.

Darling, Warrior pitcher, opened the game with Landis taking over the box in the fourth inning. Landis, not to be topped by Brenner, connected with four out of four at the plate. Both teams displayed excellent pitching ability.

### The Mighty "Beau"

It was his mighty clout in the seventh which put the Timber Wolf game with University of Oregon on the ice and there are plenty of hopes laid in the bat and first base kind of game the ex-big leaguer dishes out, to help the 'wolves win Sunday's game at Eugene against All-Stars of the Cascade League.

## Vaunted U of O Nine Lose 4-3 to 'Wolves'

The Timber Wolf baseball team edged out a 4 to 3 win over the highly touted, league-leading University of Oregon Webfoots at Eugene last Thursday. It was the Wolves' first official start of the season and in addition to their satisfaction in beginning the season with a victory, there was the added pleasure of downing a team which has been slapping other local service nines down to defeat with regularity and dispatch.

#### Bell Ices in Seventh

The Wolves went off to an early lead, garnering single markers in the first and fourth innings, only to have the Webfoots erase it and take over the lead in the fifth when they scored three times on three hits and an error. The Wolves came back in the first half of the seventh as Gregory and Frye singled to left and "Beau" Bell came through with a smashing double to center, to drive in two runs and ice the game for the Timber Wolves.

Curtis Hohle and Bob "Lefty" Karlin divided the pitching chores with Karlin getting credit for the

Dean Frye and Cpl. Gene Connor garnered three hits each. One of Connor's hits was a soaring home run to left center.

#### Ready for All Comers

The Wolves fielded a team that played a high brand of ball, although they were handicapped by a slippery field which was directly responsible for their two errors.

Manager Jack Knott was pleased with the manner in which his proteges reacted to situations that came up during the contest, and Lt. Bob Duffy, Timber Wolf Division Athletic Officer in a statement after the game, said he was ready to meet any service team available in this section of the country.
