

Sea Gulls of Opinion They'll Win in Boxing

Daily Work-outs for Division Title Bouts to Start May 24

Over at the Field House every day you will find the fighting Seagulls boxing team working out for the Division finals that are to get underway at the Field House May 24.

Lt. Preston and Coach Liuzza of the Seagulls are putting the boys through some strenuous training, and seem to be impressed with the way the boys are punching, and how they are getting their timing coordination.

Heading the list of Seagulls boxers who have appeared at the Salem Armory several times, are Frankie Labella, Bobby Moses, Eddie Collins, Bud Luby, Bert Coleros, Henry Miranda, Jimmy Mosley, Johnny Cruikshank, Nat Weintraub and Johnny Ferraro.

Give Promise

Lt. Preston and Coach Liuzza uncorked two very promising boys in the Salem fights—none other than Johnny Ferraro and Henry Miranda. These boys they think are going to be very hard to beat in the finals.

Ferraro, after being floored twice in the first round, came back and scored six knockdowns and finally won by a knockout.

Like Sammy Mandell?

In Henry Miranda the fans saw a boy that displayed a left jab that hasn't been seen since the days of Sammy Mandell, and Preston and Liuzza think that he will be hard to beat from now on. Mandell, as you recall, was former lightweight champion and was credited with having the best left jab in the business.

Capt. Gridley, SSO of the Seagulls team, has the boys supplied from head to feet with all the necessary boxing equipment that is needed.

Pvt. Lechowicz In Golf Victory

The results of the recent Service Men's golf tournament held at Salem were as follows: First prize winner was Pvt. Albert T. Lechowicz of the Mountaineer Infantry regiment. Second prize winners were Cpl. Costanza C. Grasso of a FA Bn. and Sgt. George Aleck of Timber Wolf Div. Hq.

Tri-Focals Make Umpire!
Unquote; Major Forsman
If anybody was amazed that Major Carl B. Forsman, Special Service Officer, umpired a practically flawless softball game between SCU 1911 officers and MP's Tuesday evening, it wasn't Major Forsman. To quote:
"I wear tri-focals and never miss a play. The tri-focals make officers who wear bi-focals and think they are umpires practically hams at good fair umpiring." Unquote.

Ordnance Boldly Lauds Its New Softball Team

Ordnance battalion headquarters has organized a softball team. Pvt. Cary Cataneo, pitcher on the team, declared:

"We will probably play an infantry team first if they are not afraid to meet us."

He said that they have a promising New York semi-pro on the team. His name is Pvt. Pete Biritella.

The team is composed of Pfc. Joe Killian, 1b; Pfc. Damon Payne, 2b; Pvt. Pete Biritella, 3b; Cpl. Alex Zarra, ss; George Carmichael, c; Pvt. Cary Cataneo, Pvt. Ken Zytowski, lf; Pvt. John Smith, rf; Wesley Mayerink, cf; Pfc. Thomas Stanley, sub; and Cpl. Kramer Brendan is manager of the team.

The team has picked as its mascot Pvt. "5x5" Leon Vaseris.

Four Ranks Are Rank Barnyard Gold Bugs

A private, a Pfc., a T/5 and a M/Sgt. are "four horsemen" who pitch shoes regularly.

Their names: Pvt. George Vavoulis, Pfc. Joe Kilian, T/5 Robert Knell, and M/Sgt. Gust Axiatis.

The best horse shoe pitcher in the group is Pfc. Joe Kilian. The competition is quite strong and although Pfc. Kilian is far from being an expert, he manages to make four ringers out of ten.

Score Being 6-0, Sea Gull 'Brass Hats' Of Inf. Spike Divarty Softball Guns

The Sea Gull Infantry Regiment "Brass Hats" softball aggregation spiked the heavy guns of the Division Artillery "Brass Hats" team last week in an engagement staged on the parade ground. The Gulls' top ranking officers pounded out eleven hits and crossed the plate six times, while they waved "Maggies' Drawers" before the Red Legs "Brass Hats" in each of the seven innings, allowing only three hits and no runs.

In reverse of usual conditions at such a contest, junior officers composed the cheering sections, while a general, countless colonels and majors, plus a few captains did the actual playing, without a substitute being needed. Lt. Col. DeGraff and Lt. Duffy pulled their rank on the players from behind the plate and on the bases.

Maj. Bourne Whiffs 15
Major Bourne struck out 15 Red Legs, every opponent at

least once, with the exception of Lt. Col. Shinkle, allowed three hits and issued one walk. Lt. Col. Greer and Major Turnbull each collected three hits for the triumphant Gulls and Colonel Waltz turned in the fielding gem of the contest, a one handed diving catch of a fly ball.

Brig. Gen. Dunckel caught for the losers, striking out once and being thrown out on close plays in his other two appearances at the plate. Major Gilbert was the hitting star for the hapless Red Legs, clouting out two singles in three times at bat.

Wolf Pack Tramples Cascade Stars, 7-2

Pvt. Gregory Stars; Langsam Gets Credit for Sunday Win

The undefeated Timber Wolf Division nine racked up its second win of the season Sunday at Civic Park, Eugene, downing the Cascade League All-Stars 7 to 2 before a small but enthusiastic crowd.

Pvt. Gus Gregory, the Mountaineers' contribution to the Wolves, was the hitting and fielding star of the contest, smacking out four singles in six attempts and handling nine chances flawlessly in the field.

Pvt. Roy "Beau" Bell garnered the only extra base knock of the afternoon, poling out a two base hit to left center in the sixth.

Cpl. Langsam Starts

Cpl. Langsam started on the mound and received credit for the win, giving up three hits and one run in three frames. S/Sgt. Jack Knott hurled scoreless ball during his tenure on the hill, allowing three hits and fanning two. Lt. Joseph Quin went the final two stanzas, whiffing two All-Stars and giving up one hit and one run.

The Wolves crossed the plate four times in the initial stanza on two hits, a walk and four errors by a jittery All-Star infield. Gregory singled to left to open the game and continued on to third as Lee erred. Frye walked, Bell reached first and Gregory scored on an error by King. Sabrinsky singled to right, filling the bases. Frye scored on a fielders choice as Sabrinsky was out at second and Connors safe at first. Lee's second error of the inning put Armstrong on first and allowed Bell to score. Calhoun drove in Connors with the fourth run of the inning as he forced Armstrong at second. Langsam flied to deep center to end the inning.

Tally in Fifth

The Wolves added another run in the fifth as Sabrinsky went to second when King threw wild to first, advanced to third on Connors' infield out and crossed the plate after Armstrong flied out to left. A single by Gregory and Bell's two bagger accounted for a run in the sixth. Singles by Connors and Armstrong, plus a sacrifice hit by Jones gave the Wolves their final marker in the ninth.

The All-Stars crossed the plate in the third on singles by King and Dunn and Calhoun's error and again in the ninth as Lee walked, McKeivitt was safe as Quin erred and then Lee scored as Pearson singled to right. That ended the Stars scoring but they threw a scare into the Wolves by filling

the bases before Gregory pulled in Dunn's pop fly to end the game. The players of the two teams formed a V for victory on the diamond during the flag raising ceremonies before the game.

Hdq. Mops Sanco 7-5 In Softball

The ever-improving softball team from Headquarters Company gained its fourth victory in five starts Tuesday night on the Post playing field, at the expense of the Sanitary Company by a score of 7-5. The colored troops had the spirit and will to win, but Hq. Co. swung the mightier bats.

First Sgt. Ray Atkins pitched a steady game, chalking up six strike-outs at the expense of the wild swinging opposition. Cpl "Dubby" Duboff of Hq. Co., smallest man on the field, hit a tremendous home run to put his team out in front. Lts. Marchionne and Rechek, detachment commanders of Hq. Co. and the San. Co., respectively, officiated.

'Doc' Swan, Pessimistic As Usual, Engages His Boys With Webfoots

Coach Grant "Doc" Swan can take only about half of his Oregon State track squad strength to Eugene Saturday for the annual dual track meet with Colonel Bill Hayward's Webfoots and as a result is very pessimistic about the Beavers' chances. Local fans are agreed that the Ducks are a cinch to hang up an easy win.

Because of the army regulations affecting ROTC men, Swan will have to leave home Captain Don Findlay, Pacific Coast conference champion in the broad jump and one of the best high jumpers in the league; Len Moyer, ace 440 and relay anchor man; Bill Waterman, two-year letterman miler who would have given Don Wilson of the Ducks a run for his money; and Al Flake, veteran two-miler.

The Orange should make it interesting for the Ducks in several events. Both of the Beavers' great 880 runners, Stu Norene and Bill Shinn, will make the trip. Sophomore Norene almost beat Gene Swanzy, coast champion in this event, last Saturday. Swan said after the Husky meet that, if it weren't for the war, Norene shows promise of developing into one of the best 880 men in the country.

OSC Net Squad Takes On U. of O. Saturday

As a tuneup for the Northern division championships to be held here May 21 and 22, Oregon State's tennis team will play a practice match with an unofficial team from the University of Oregon on the local courts Saturday morning. Faculty officials threw out tennis for the duration at Oregon but the players organized a team of their own.

The Beaver netmen absorbed a 6 to 1 licking from the defending champion Washington club at Corvallis last Saturday morning. Lone Orange win was hung up by Hal Bagby and Bob Downie, number two doubles team, who beat Hugh Oswald and Walt Olson of the Huskies in three sets.

Bat Boy to Batting Boys

Ray Berres, one of the three latest N. Y. Giants to face induction, told a sports writer that he tried to enlist months ago. At the time, he visited Army offices in Chicago and ran in Bob Carpenter, former Giant hurler, now a private.

"Hey, Bob," said Ray, "what're you doing here?"

Bob whirled, grinned recognition, shook hands and said: "What-ya mean—what am I doing here? Pipe the uniform."

Ray said he asked Bob how he liked the Army. "I can't say anything," Bob laughed, "my boss is right here. But listen, here's a hot one—who do you think my boss is?"

Berres shook his head. Carpenter chuckled: "The batboy of the Wrigley field visiting clubhouse! He's the top sergeant in my outfit!"—(CNS)
