

# Nova Fights As Division Title Bouts Open Friday Night

## Timber Wolf Division Fights, Field House

### Heavyweight Contender Arrives Tuesday; Guest of Lt. Bob Duffy

Two feature attractions are booked for the Field House Friday night starting at 8 p. m. — one an exhibition bout by Lou Nova, aspirant to Joe Louis' vacated (for the duration) heavyweight throne and the second the long awaited opening bouts to decide the Timber Wolf Division individual and team boxing titles.

Nova will accomplish three things during his visit to Camp Adair as a guest of the Timber Wolf Division:

He will visit with his friend and former school days opponent on the gridiron and basketball court, Lt. R. C. Duffy, Division Athletic Officer; he will entertain the personnel of the post with a boxing exhibition and also give pointers to the boys fighting for titles in the Division tourney.

Trains for June 11

And he will start training for his bout on June 11 in Portland, when he will meet either Tony Galento, Mauriella or Hartneck in a ten round battle.

The 28-year-old Alameda, California, Adonis, fresh from his victory over "Chuck" Crowell in Portland last Friday evening, arrived in camp Tuesday afternoon. He is greatly interested in getting around and working out with members of the unit boxing teams who will be participating in the championship bouts, starting Friday night.

Lou Would Walk

His first question upon arriving at camp was:

"Are they going on any 20 mile hikes tomorrow? If they are I want to go along." He finally settled for a bicycle trip around the area, so if you see a baby tank with curly hair pedaling a bike around camp, just yell, "Hello, Lou!"

During his boxing career as an amateur, he occupied the United States and World amateur heavyweight throne in 1935, the year after it was held by Joe Louis. He has had 36 pro fights, losing four of them. He and Louis drew the largest gate at New York City in 1941 when he was K.O.ed in six rounds by the Brown Bombers. He would like to meet Louis again.

His exhibition Friday evening will probably be against three or four men, going a round with each one and if there aren't that many men who wish to box with him, he will go four rounds with the boxing coach of the Mountaineers.

### Pvt. Paul Rosenberg Sticks Neck Out, Tabs Clear to World Series

It's Yankees all the way. Ditto with the Cards. Looks like another traveling series. And lots of grief for the fans. Yankee power is gone. But with men like Gordon, Keller and the remarkable pitcher-outfielder Lindell doing some snappy pinch hitting, it's Yanks by 9 games. Browns finishing a strong second.

Expect another runaway in the National circuit. My beloved bums just haven't got what it takes and "Whitey" Krouski and Co. by 5 games. Brooklyn being a shakey second after heading the league until midseason.

St. Louie and New York in 6 games with Yankees taking Series is a Sentry forecast. Going even further, Joe Gordon will be the hero of the day. You can bank your bottom dollar on that.

Eddie Collins

Sea Gull 145-pounder and threat in Timber Wolf boxing tourney tomorrow night at Field House.

### Lou Nova Writes

"An open letter to my friends at Camp Adair:"

Dear Pvt. Timber Wolf:—I guess I got out of Portland just in the nick of time. It seems everyone up in the City of Roses was going to make a bed of them for yours truly, on account of "Chuck" Crowell still being in a vertical position at the end of the ten rounds of leather pushing the other night at the auditorium, anyway I win as we say in the boxing business.

Well here I am, hiding out at Camp Adair, it sure is a swell place to hide out, because I know that none of the thousands of men will tell anybody I am here, and I can camouflage myself with some poison oak and dirt, so I can look like a jeep. I am going to box at the Field House on Friday night and talk to a lot of my old pals from around camp. My Camp Adair manager is Lt. Bob Duffy, who says we will fight anyone in camp. Your pal, Lou Nova.

### Bombers Win!

The Flaming Bombers of the Ordnance ran their winning streak to seven straight Monday night, at the expense of the Ordnance Automotive section.

Almost impossible catches were made by left fielder Cpl. Ralph Caruso; there was the steady pitching of Cpl. Tim McCarthy, perfect catching by Pvt. Irving Fine. Outstanding hitters were Shortstop Pvt. George Brecino and Right Fielder Pvt. Broadwell.

Sgt. Dougherty had his boys on the ball and announces that they are ready to meet all comers—just phone 3162.

## Wolves Split, Lose One Game to 'Stars

The Timber Wolf Division nine split a double header bill with the Salem All Stars last Sunday at the George E. Waters Park, winning the first slugfest 11 to 9 and dropping the seven inning nightcap 13 to 6, before 1200 Salem and soldier fans.

The win in the first contest extended the Timber Wolves' winning streak to six straight and everything was going along smoothly in the second game until the All Stars staged an uprising in the third inning that took three Wolf hurlers to put down and then only after 13 All Stars had been at the plate and eight of them had scored with two men still on the sacks when Frye threw Manning out for the final out.

The All Stars went off to a two run lead in the first game in the first frame on a hit, an error, a sacrifice, a hit batsman, a walk and an infield out. The Timber Wolves came back in their half of the second inning to send eleven men to the plate and score seven runs on seven hits as every one except Gregory who walked and Rich who struck out, collected a base knock. The Stars picked up another marker in the third as Cameron doubled and scored on two successive balks by Langsam. The Timber Wolves garnered single runs in the fourth and fifth as Connor hit safely to left field, stole second and came home on Armstrong's basehit. Calhoun singled, moved down to second on Langsam's sacrifice bunt and scored when Frye hit to center-field.

## Sea Gulls Drop 2-1 Tilt to Albany High

### Weakness at Plate Cost Division Nine

Inability to hit plus a costly mis-play at a crucial moment cost the Sea Gulls a tough ball game to the Albany high school nine, 2-1, Tuesday on the Albany home grounds.

Staff Sergeant Hamilton, Sea Gull righthander, and Hayes, Albany southpaw, hooked up in a sweet hurling duel until Hamilton weakened in the sixth when the high school youngsters scored twice, while Hayes finished strong to notch a well-pitched victory to his credit.

Coach Lieutenant Jim Nyers' squad scored first when Kane opened up the sixth with a double against the top of the left field fence. Kane moved to third as Graulich was tossed out by Ohling, waited as Butler went down swinging at a high fast one, and then audaciously stole home while Alloway was at bat, for his second theft in two games.

## Redlegs Lose to Sea Gulls by 12-3 Count

Coach Lieutenant Jim Nyers' revitalized Sea Gulls came from behind to overpower the Redleg Artillery Battalion nine, to notch their second straight victory Saturday on the Infantry diamond 12-3, behind the steady pitching of Master Sergeant Bill Hall, some timely hitting by Bain, and excellent defensive play in the field.

The Sea Gulls played errorless ball for the first time this season to assist materially in Hall's triumph, while the Redlegs bobbled five times to keep all four of their twirlers in hot water throughout the game.

Four more runs in the eighth inning finished the scoring.

Remember: Everything a soldier throws down—some soldier has to pick up.

## MPs Get 5 Officers, 2

Revenge is sweet, particularly when it is on someone else who in 99 out of 100 possible situations could pull his rank on you and make you eat crow. The one exception in this case happened to be a softball game last Wednesday night on Post Headquarters diamond. The MP Detachment took advantage of the equalizing factors by defeating the SCU Officers Softball team 5 to 1.

The opposing pitchers were the same as in the preceding encounter between the two teams when the Officers emerged with a 3 to 2 triumph. Captain Gilbert Waite pitched for the Officers and Staff Sergeant Joe Oenning hurled for the Detachment squad.

Again Lt. Denton in short center-field stole the show with his magnificent fielding of anything that came within shouting distance. Lt. Gill also looked good handling some hot chances at third base.

For the MP's, Charley Larkin shone with his fielding at the short patch and his timely hitting while Joe Doran in right field added much needed pepper to the out-

Major Carl B. Forsman arbitrated balls and strikes for the contest while Lt. Col. Fraser called the close ones on the bases.

## Burns Named Captain Of Oregon Ball Team

Dick Burns, of Milwaukie, Oregon, was elected captain of the 1944 University of Oregon baseball team, it was announced in Eugene last Sunday.

However, unless the war ends before next spring, Burns will not be reporting for spring training. He is in the ROTC and expects to enter the service immediately after final examinations this June.

## Angott vs. Armstrong

Sammy Angott and Henry Armstrong, both former lightweight champions, signed Tuesday for a ten-round bout in Madison Square Garden on June 11.
