

# Club 1 Will Open With Big Dance on Monday

By Adele Adair

As this week's antidote for your GI worries, Adele has picked up these notes: Sunday night Club 2 brings a troupe of radio stars from Stateion KWJJ (Portland) . . . Monday Club 1 opens its doors after a re-sanding job done on the floors. Big opening night attraction will be a formal dance with everyone on the Post invited . . . A special concert and novelty acts by the Salem high school band Thursday night at Club 2.

### TAKE NOTE

Friday night the Field House dance will be in full swing, Club 1 will be closed, and Club 2 will offer a recorded concert and informal open house.

### CABARET STYLE

It'll be cabaret time, Joe, at Club 2 Saturday night. A GI band will furnish the music, and a floor show will be included on the program. NOTE: Watch for Club 2's new idea for Saturday night dances—starting next weekend.

### CLUB 1 RE-OPENS

A gala formal dance, sponsored by the 3435th Ord. but open to all GIs of the Post, will mark Club 1's re-opening Monday night. Matt Carneval's 70th Division Rhumba Band, acclaimed by all Adair dancers, will furnish the music. Junior hostesses from Eugene and McMinnville will be on hand.

Club 2 will feature movie shorts, "The River," the story of the Mississippi, and "Home of the Padres," starting at 2000.

### CALLING ALL ACTORS

"Do You Want to Be an Actor?" If you do, then Club 1's Tuesday-night program will provide your chance. It's an impromptu skit program which features GI specialty acts between skits, and prizes are awarded for the most talented participants. Junior hostesses will be there to take part in the acts. Anyone wishing to participate should contact Miss Stevens at Club 1, phone 2300, by Monday.

### INFORMAL DANCE

Club 2's regular mid-week informal dance is scheduled for Tuesday night, with a Post band furnishing the music. All girls from the Post and wives and sweethearts of servicemen are invited.

### TWO STANDBYS

Wednesday will find some 70 OSC gals at Club 2 for the weekly square dancing and folk games session, while over Club 1 day four GIs of the 91st will tangle with four junior hostesses of Albany in the weekly Battle of Wits preceded by a community sing.

### BAND CONCERT!

Thursday night the Salem high school 80-piece concert band will

# Radio Stars Will Bring Program to Club 2 on Sunday

With a rousingly-successful show last week by radio performers of Portland Stations KGW and KEX, Club 2 will present a group of featured stars of Station KWJJ, also in Portland, Sunday at 2000 in the club lounge.

Topping the bill will be petite Peggy Weeklend, popular "blues" singer, heard over many programs aired via KWJJ. She has appeared in previous programs on the Post. Aside from her blues renditions, Peggy and her accompanist will entertain as a ballroom dance team.

The show will also mark a return appearance to the Post of Tony Piazza, accordionist with the radio station. Phyllis Salkoff, violinist who dishes out both popular and classical numbers, will be included in the floor show.

Rounding out the program is Marilyn Robinson, accomplished hula and tap dancer, and two specialty acts as yet unannounced.

## PRETTY PEGGY

present a concert at Club 2, starting at 2000. Included in the program will be brief novelty acts, including a four-piece German band.

### MORTAR BOARD SHOW

Plug here for the well-rounded show put on at Club 2 last Sunday by Mortar Board, honor society of Oregon State college. The group presided at the punch table, and presented a program including a vocal quartet, tap dancer, impersonations of Carmen Miranda, and a musical act, "A Sweater, A Sarong and a Peek-a-boo Bang."

## Eugene Girl Weds Officer of 274th

At a wedding solemnized in the First Congregational Church of Eugene, Oregon, last Saturday, Miss Barbara Huntington of Eugene was married to Lt. John Clayton Jr., 274th Infantry Special Service Officer.

Many friends of the bride and groom at Camp Adair attended the ceremony. Following the service, the couple left on a trip to the coast and spent several days in Oregon shore resorts.

Lt. Clayton is a former resident of Philadelphia, Pa., and attended Pennsylvania Military College and West Chester State Teacher's College. He was prominent in college football and basketball.

Mrs. Clayton has been a student at the University of Oregon, Eugene.

## Club Plans Weekly 'State Night' Show

Starting next weekend, "something new" in Saturday-night dances will be scheduled at Club 2.

The "something new" is "state night," and all men who claim as home the state chosen for each Saturday dance will be special honored guests. The program will be started off with a bang with "California night" on March 18, so if you're from that sunny state, drop in at Club 2.

Prizes, donated by the California American Legion, will be awarded to the best entertainers, and dancing to the tunes of a 70th Division band will follow the program.

As a part of the program, a letter from the Governor of California is expected to be read.

The 70th Division Special Services Office is cooperating with Club 2 in the series.

### HE LOST HIS FIRE

New York (CNS)—Harry Shipman was depressed. He flunked his Army physical, was fired from his defense job and got thrown out of a saloon in the same afternoon. So, a doleful man in a woeful world, he turned in a false fire alarm and didn't even bother to run away when the fire trucks arrived. Then, given his choice of \$25 fine or five days in jail, he took the five days. "I'm glad this day is over," he remarked as he was led to his cell.

The shorter the skirts are, the easier to get up stares.

## Story of Tokyo Bombers, 'See Here, Pvt. Hargrove,' Due at Post Movies

PURPLE HEART—One of the timeliest pictures ever made in Hollywood—the Government adopts a realistic policy in acquainting the American public with Japanese atrocities by bringing them to the screen in this story of the trial of eight American flyers captured by Japs after the bombing of Tokyo. The picture will instill great respect for the flyers, who chose torture and death when life meant letting down their country. Magnificent cast. It's straight drama, but it should be a "must" for all GIs.

SEE HERE, PRIVATE HARGROVE—Here's the first good, real "rookie" comedy hit of this war—based on the book of the same name by the real Pvt. Hargrove (now a Sergeant in China). It's a tale of a well-meaning but blundering newsman drafted into the Army. Much of the shooting was done at Camp Roberts, Calif. Cast is strong, scenes don't take liberties with Army discipline and courtesy, and for laughs, don't miss SEE HERE, PVT. HARGROVE.

LADY, LET'S DANCE—Introducing the beautiful blonde skating star, Belita, in a picture made to order for her—ballet, ballroom and acrobatic skating and dancing. Five spectacular production num-

bers. Orchestras of Henry Busse, Eddie LeBaron, Mitch Ayres and Lou Bring dispense music ably.

ROSIE THE RIVETEER—Depicting women working in a defense factories while their men are fighting abroad, this not-too-hilarious comedy is based on the popular song of the same name.

NINE GIRLS—Thrilling melodrama involving the lives of nine young girls in a murder story. A fast-moving, romantic, exciting episode, it says here.

## 70th SSO Puts on Toledo Program

An entertaining variety show was presented last Monday night at Toledo, Oregon, by the personnel of the 70th Division special service office in conjunction with the American Legion and Auxiliary's annual Americanization program.

Speaking before the group in the local Legion hall, Major Harvey Blythe, SSO, discussed the subject "Special Service for Your Son in the Army."

A variety of acts and novel entertainment skits were presented by Lt. Constantine Comuntzis, Sgt. Fordyce Waldo, Pvt. Robert Rivers, Pvt. Gerald Marks, and Pvt. Milo Wold.
